The Lucky Few Heather Avis,2017-03-21 When life looks radically different than the plan we have for ourselves, it's the lucky few that recognize God's plan is best. That's what adoptive mom Heather Avis learned, and that's the invitation of this book. As the mother of three adopted children - two with Down syndrome - Heather Avis has learned that it's truly the lucky few who get to live a life like hers, who actually recognize that God's plans are best, even when they seem so radically different from the plans we have for ourselves. When Heather started her journey into parenthood she never thought it would look like this, never planned to have three adopted children, and certainly never imagined that two of them would have Down syndrome. But like most things God does, once she stepped into the craziness and confusion that comes with the unknown and the unplanned, she realized that they were indeed among the lucky few. Discover in this book what 70,000+ followers of Heather's hit Instagram account @macymakesmyday already know: the power of faith and family can help us stay strong in the toughest times. This book will also be especially touching to those with adopted family members or children with Down syndrome in their lives.

The Lucky List Rachael Lippincott,2022-05-31 Rachael Lippincott, coauthor of #1 New York Times bestseller Five Feet Apart, weaves a “breezy...truly charming” (Kirkus Reviews) love story about learning who you are, and who you love, when the person you’ve always shared yourself with is gone. Emily and her mom were always lucky. But Emily’s mom’s luck ran out three years ago when she succumbed to cancer, and nothing has felt right for Emily since. Now, the summer before her senior year, things are getting worse. Not only has Emily wrecked things with her boyfriend Matt, who her mom adored, but her dad is selling the house she grew up in and giving her mom’s belongings away. Soon, she’ll have no connections left to Mom but her lucky quarter. And with her best friend away for the summer and her other friends taking her ex’s side, the only person she has to talk to about it is Blake, the swoony new girl she barely knows. But that’s when Emily finds the list—her mom’s senior year summer bucket list—buried in a box in the back of her closet. When Blake suggests that Emily take it on as a challenge, the pair set off on a journey to tick each box and help Emily face her fears before everything changes. As they go further down the list, Emily finally begins to feel close to her mom again, but her bond with Blake starts to deepen, too, into something she wasn’t expecting. Suddenly Emily must face another fear: accepting the secret part of herself she never got a chance to share with the person who knew her best.
