

My Play School

Susan Kuklin

My First Day of School Michelle Medlock Adams, 2017-07-11 In this lively board book, a young boy starts his first day of school not knowing what to expect. Follow along as he explores his classroom, makes new friends, and enjoys all the creative and interesting activities school can offer. *My First Day of School* helps first-time students, from preschoolers to kindergartners, understand what happens at school, while providing parents the opportunity to answer questions their child may have. An enthusiastic narrator and bright, cheerful illustrations will have first-time students eagerly anticipating their first day of school.

My Preschool Anne F. Rockwell, 2014-07-01 Join a happy little boy during a day at preschool, from cheerful hellos in circle time, to painting colorful pictures and playing at the water table before snack time. The best part of saying good-bye at the end of the day is that the little boy knows he will come back tomorrow. In her signature style, Anne Rockwell captures a child's preschool day (the bumps and the thrills!) with warmth and reassurance.

Let's Play School! Kara McMahon, 2012-01-03 Based on the TV series 'Dora the explorer' as seen on Nick Jr.--P. [4] of cover.

Let Them Play Denita Dinger, Jeff A. Johnson, 2013-01-15 Playtime is focused, purposeful, and full of learning. As they play, children master motor development, learn language and social skills, think creatively, and make cognitive leaps. This (un)curriculum is all about

fostering children's play, trusting children as capable and engaged learners, and leaving behind boxed curriculums and prescribed activities. Filled with information on the guiding principles that make up an (un)curriculum, learning experience ideas, and suggestions for building strong emotional and engaging physical environments, *Let Them Play* provides support to those who believe in the learning power of play. Jeff A. Johnson spent twenty-five years as a child care provider in center- and home-based programs. He now works full time as an author, keynote speaker, podcaster, toymaker, and early learning advocate. He is the author or coauthor of six other Redleaf Press books. Denita Dinger has been a child care provider for more than fifteen years and operates a family child care program. For the last five years, she has been a frequent keynote speaker at early childhood conferences, focusing on the topics of hands-on learning and learning through play.

My First Day of Preschool Justine Fontes, 2006
Justine Fontes and Matt Novak have pooled their considerable talents in this reassuring look at a preschooler's first day of school that answers a variety of questions children have concerning the experience. Includes interactive stickers. Full color. Consumable.

We Play School! Kathleen Connors, 2018-12-15
Going to school for the first time is a milestone moment and is often looked to with great excitement. Recess, math class, and silent reading time might be brand-new experiences that young children often want to learn how to do just right

before they step foot in a classroom. There's no better time to practice raising a hand to answer a question than while playing with friends. Whether they want to play teacher or student, readers are sure to enjoy the great ideas for playing school written with pre-kindergarten readers in mind.

Teach Smarter Vanessa J. Levin, 2021-04-29
Discover new, practical methods for teaching literacy skills in your early childhood classroom. Has teaching early literacy skills become a stumbling block to getting your preschool students kindergarten ready? Break out of the tired "letter of the week" routine and learn how to transform your lessons with fun and effective techniques. *Teach Smarter: Literacy Strategies for Early Childhood Teachers* will equip teachers to infuse every aspect of their teaching with exciting hands-on literacy teaching methods that engage students and help them build authentic connections with books, so that 100% of their students will have a strong literacy foundation and will be fully prepared for success in kindergarten and beyond. Respected author Vanessa Levin, veteran early childhood educator and author of the "Pre-K Pages" blog, breaks down the research and translates it into realistic, actionable steps you can take to improve your teaching. Features specific examples of teaching techniques and activities that engage students in hands-on, experiential learning during circle time, centers, and small groups. Offers a simple, four-step system for teaching literacy skills, based on the foundational principles of early literacy teaching. Demonstrates how to build your confidence in your

ability to get 100% of your students ready for kindergarten, long before the end of the school year Understand the problems with traditional literacy teaching and identify gaps in your current teaching practice with this valuable resource.

How to Choose the Best Preschool for Your Child

Jenifer Wana, 2010-08-01 The most useful tool out there for families about to embark on the search for a preschool! —Helen Cohen, director, Frances Jacobson Early Childhood Center, Boston A must-have for parents of future preschoolers Starting preschool is one of the biggest milestones in a child's life. With this comprehensive, step-by-step guide, you won't have to navigate the preschool process alone. Whether the nursery schools nearby enroll every child, or they're so competitive that they only accept a few applicants, this book has everything you need to know to choose and get into the right preschool for your child. You'll learn: How to find high-quality preschools in your area Insight into popular preschool programs (Montessori, Waldorf, play based, cooperative) Key criteria to consider when choosing a preschool Strategies for paying for preschool (financial aid, tax benefits) How to help prepare your child for the first day of preschool Advice for gaining admission into competitive programs, including getting off the waiting list, submitting a strong application, and preparing for a child assessment This well-organized, comprehensive book will help parents navigate the world of preschool. —Nancy Schulman and Ellen Birnbaum, authors of Practical Wisdom

for Parents: Raising Self-Confident Children in the Preschool Years and directors of the 92nd Street Y Nursery School, New York A gift to every parent starting the preschool search. –Irene Byrne, MA, author of Preschools by the Bay and executive director of the Phoebe Hearst Preschool, San Francisco

My First Day at Preschool Edwina

Riddell,1994-07-01 Briefly describes some activities for preschoolers using such materials as paper and glue, play dough, dolls, and toys

Schoolies: My School Day Sarah Powell (Writer of children's books),Ellen Crimi-Trent,Roger Priddy,2013-06-11 Invites young readers to move the hands on the clock on the cover to agree with the times shown in the illustrations as they follow a group of animal pupils through a school day, from getting ready through lessons and lunch to returning home.

My First Day at Nursery School Becky

Edwards,2004-08-02 On the first day of preschool, a little girl misses her mother, but on the second day she is excited to go back.

The Importance of Being Little Erika

Christakis,2016-02-09 “Christakis . . . expertly weaves academic research, personal experience and anecdotal evidence into her book . . . a bracing and convincing case that early education has reached a point of crisis . . . her book is a rare thing: a serious work of research that also happens to be well-written and personal . . . engaging and important.” --Washington Post What kids need from grown-ups (but aren't getting)...an impassioned plea for educators and parents to put

down the worksheets and flash cards, ditch the tired craft projects (yes, you, Thanksgiving Handprint Turkey) and exotic vocabulary lessons, and double-down on one, simple word: play. --NPR The New York Times bestseller that provides a bold challenge to the conventional wisdom about early childhood, with a pragmatic program to encourage parents and teachers to rethink how and where young children learn best by taking the child's eye view of the learning environment To a four-year-old watching bulldozers at a construction site or chasing butterflies in flight, the world is awash with promise. Little children come into the world hardwired to learn in virtually any setting and about any matter. Yet in today's preschool and kindergarten classrooms, learning has been reduced to scripted lessons and suspect metrics that too often undervalue a child's intelligence while overtaxing the child's growing brain. These mismatched expectations wreak havoc on the family: parents fear that if they choose the "wrong" program, their child won't get into the "right" college. But Yale early childhood expert Erika Christakis says our fears are wildly misplaced. Our anxiety about preparing and safeguarding our children's future seems to have reached a fever pitch at a time when, ironically, science gives us more certainty than ever before that young children are exceptionally strong thinkers. In her pathbreaking book, Christakis explains what it's like to be a young child in America today, in a world designed by and for adults, where we have confused schooling with learning. She offers real-life solutions to real-

life issues, with nuance and direction that takes us far beyond the usual prescriptions for fewer tests, more play. She looks at children's use of language, their artistic expressions, the way their imaginations grow, and how they build deep emotional bonds to stretch the boundaries of their small worlds. Rather than clutter their worlds with more and more stuff, sometimes the wisest course for us is to learn how to get out of their way. Christakis's message is energizing and reassuring: young children are inherently powerful, and they (and their parents) will flourish when we learn new ways of restoring the vital early learning environment to one that is best suited to the littlest learners. This bold and pragmatic challenge to the conventional wisdom peels back the mystery of childhood, revealing a place that's rich with possibility.

My Play School Treasure Box Play School Staff, 2015-02-01 My Favourite Stories, Songs and Nursery Rhymes brings together three much-loved Play School padded hardback treasuries in one collectable boxset. Ages: 0-5

Going to My Nursery School Susan Kuklin, 1990 A little boy describes, in text and photographs, what he does in his nursery school class. Includes information for parents on how to select a nursery school for their children.

Maisy Goes to Preschool Lucy Cousins, 2011-11-15 Maisy is confident and acquainted with the routines of preschool. She clearly has no separation issues. . . . As always, Cousins's bright color illustrations are simple and appealing. – School Library Journal In a bright,

full-size storybook full of familiar scenes, this child-friendly look at a day in the life of a preschooler is one that both newcomers and seasoned pros will be happy to share.

The Night Before Preschool Natasha Wing, 2011-05-12 It's the night before preschool, and a little boy named Billy is so nervous he can't fall asleep. The friends he makes the next day at school give him a reason not to sleep the next night, either: he's too excited about going back! The book's simple rhyming text and sweet illustrations will soothe any child's fears about the first day of school.

What to Expect at Preschool Heidi

Murkoff, 2003-07-01 Growing Up Just Got Easier...
With the help of Angus, the lovable Answer Dog, best-selling author Heidi Murkoff extends a hand to children and parents as they tackle life's first experiences together. It's hard to believe, but your child's starting preschool. Even if it's just for a couple of hours two or three days a week, it seems such a big step for someone in such little sneakers. Not to worry -- we're here to help prepare both of you for that step. We'll answer your child's questions about what preschool is like, what preschoolers do, who teachers are, and how they help to make preschool such a fun and special place -- so that the first day of preschool will be a day you'll both look forward to. Have fun! Heidi and Angus
