13 Sun Signs of the Zodiac Dr. Regina Atara Wead, 2014-10-29 Using the Sidereal Zodiac, like Nostradamus, an astrologer and metaphysician shares her insight about the blending of Eastern and Western astrology in The Zodiac Conspiracy. This book underscores the omission of Ophiuchus, a major constellation that the Greeks left off the tropical zodiac wheel. It includes a brief section on Ophiuchus, the only constellation named after a real man named Imhotep. The 13 Sun Signs of the Zodiac outlines the differences between popular tropical astrology (that you read in the daily horoscopes) and the science/astronomy of sidereal astrology. This book merges the sidereal and tropical systems to help us understand how the tropical zodiac represents who we are learning to be, while the sidereal zodiac represents who we really are. • Rev. Dr. Martin Luther King Jr. was really a Sagittarian (The Seeker) who was learning how to be a Capricorn goat, climbing up the mountain to become The Achiever. • Jesus was

probably born under the sign of Virgo to a virgin mother. However, he was really a Libra (The Peacemaker) who was learning how to be a Virgo (The Selfless Servant). All of this and much, much more is explained in this extraordinary book—13 Sun Signs of Zodiac.

As morbid as it sounds, it's just how our energy works. The planets and luminaries are then split into two categories: inner/internal and outer/external, and every planet possesses their own type of energy and specialty. From the internal planets, the Sun shines on planets that impact our personalities. It's how we function as an individual. From the external planets, the darkness of these worlds helps us utilize our personality and inner strengths to overcome events of the physical realm. It's how we shine our light in dark spaces." About the Author Joan Zodianz is a professional astrologer, angel medium, intuitive artist, and tarot reader. She has been developing her spiritual gifts since childhood. She has a love of spirituality, obsession with astrology, and strong connection with Archangels.
