The Ultimate Trivia Study Guide: Volume 2 Graig Zethner,2019-11-23 1,000+ questions, expertly crafted, for anyone who loves trivia. It includes 50 general knowledge quizzes across a range of topics, a holiday quiz, and the year in review quiz for 2019. Each quiz is written and reviewed by trivia experts (see below). In most cases, the questions are more difficult than other trivia books on the market. They also include detailed information accompanying the answers which allows you to really understand the topic. Whether you're a beginner or an expert, you're almost certainly going to learn a lot from this book. The questions are in a pub quiz style, spanning categories including history, geography, music, movies, television, sports, literature, art, technology, business, theater, mythology, and others. Many trivia experts have gone through the questions and answers, and all agree that it is well worth the read... I'm constantly impressed with the questions which I think are the perfect combination of challenging yet answerable. - Jeremy Cahnmann, Owner of Brain Bash Trivia and Two-Time Geek Bowl Champion Graig Zethner's book is a rich gold mine of trivia tidbits in context. I began playing his weekly quizzes online, and while I was studying for the Jeopardy! Tournament of Champions, they became a regular addition to my trivia study regimen. Brief and well-spread over a representative group of trivia categories, one quiz at a time makes a good daily or weekly exercise, but his rich contextual feedback is what allows you to really learn. There are countless facts in my personal study notebook gleaned from the explanations of answers. Quite a treat having them all compiled in one easy to access place. - Anneke Garcia, Four-time Jeopardy! Champion (2019) The one time I met Graig Zethner, I almost ran him over in a parking lot. (True story!) But he somehow survived and managed to produce this handy and voluminous trivia book! - Ken Jennings, Seventy-four-time Jeopardy! Champion (2004) This book is the real deal. It has a great mix of categories and questions for all levels of player. It's also the perfect book for an impromptu quiz game with your friends! - Jonathan Oakes, Host of Trivial Warfare Podcast and 2019 Trivia Hall of Fame Inductee Graig's weekly quizzes are entertaining, informative,

and balanced every single time. I've become a devotee and try to never miss a set of questions. This book will make every aspect of your quizzing brain at least a little bit stronger. - Dustin Resch, Triviality: Bloodsport Season 1 Champion Mr. Zethner showcases his masterful ear for brilliant trivia question writing as his weekly sets are just pure learning fun, clue-laden puzzles, well-researched packets of info and an eclectic mix of topics & cultural perspectives. It has become a bit of an exciting & satisfying weekly ritual for me to challenge myself with these questions as a barometer for my own trivia preparations and a vehicle for getting better at it as well. Highly recommended! - Jeffrey Seguritan, Trivia Tourist & Journalist Graig's questions are one of my favorite ways to study. They're both challenging (while not impossible) and interesting - the hallmark of good trivia questions! - Wesley Wells, Team Trivia National Champion
