My Week with Marilyn Colin Clark,2011-10-04 Imagine sneaking away to spend seven days with the most famous woman in the world. In 1956, fresh from Oxford University, twenty-three-year-old Colin Clark began work as a lowly assistant on the set of *The Prince and the Showgirl*, the film that united Sir Laurence Olivier with Marilyn Monroe. The blonde bombshell and the legendary actor were ill suited from the start. Monroe, on honeymoon with her new husband, the celebrated playwright Arthur Miller, was insecure, often late, and heavily medicated on pills. Olivier, obsessively punctual, had no patience for Monroe and the production became chaotic. Clark recorded it all in two unforgettable diaries -- the first a charming fly-on-the-wall account of life as a gofer on the set; the other a heartfelt, intimate, and astonishing remembrance of the week Clark spent escorting Monroe around England, earning the trust and affection of one of the most desirable women in the world. Published together here for the first time, the books are the basis for the upcoming major motion picture *My Week with Marilyn* starring Michelle Williams, Judi Dench, and Kenneth Branagh. England was abuzz when Monroe arrived to shoot *The Prince and the Showgirl*. She hoped working with the legendary Olivier would give her acting further credibility, while he hoped the film would give his career a boost at the box office and some Hollywood glamour. But Monroe, feeling abandoned when Miller left the country for Paris, became difficult on the set. Clark was perceptive in his assessment of what seemed to be going wrong in Monroe's life: too many hangers-on, intense insecurity, and too many pills. Olivier, meanwhile, was impatient and condescending toward her. At a certain point, feeling isolated and overwhelmed, Monroe turned her attention to Clark, who gave her comfort and solace. Before long, she escaped the set and a remarkable true adventure took place. Monroe and Clark spent an innocent week together in the English countryside and Clark became her confidant and ally. And, like any man would be expected to, he fell a bit in love. Clark understood how best to handle Monroe and became Olivier's only hope of getting the film finished. Before long, young Colin was in over his head, and his heart may well have been broken by the world's biggest movie star. A beguiling memoir that reads like a fable, *My Week with Marilyn* is above all a love letter to one of our most enduring icons.

My Week at the Blue Angel Matthew O'Brien,2011-03 A savage journey into the heart of Hunter S. Thompson's Las Vegas with the Good Doctor as tour guide. A Lord-of-the-Rings-like adventure in the city's underground flood channels. A seven-day stay at a seedy motel on East Fremont Street. The stories in *My Week at the Blue Angel* aren't about Steve Wynn, Cirque du Soleil, or how to play poker, and they aren't set in Caesars Palace, XS Nightclub, or a 2,000-seat showroom. They're about prostitutes, ex-cons, and the homeless, and they're set under Caesars Palace and in trailer parks and weekly motels. In this creative nonfiction collection, Matthew O'Brien--author of *Beneath the Neon: Life and Death in the Tunnels of Las Vegas*--and veteran photographer Bill Hughes show a side of the city rarely seen. A side beyond the neon lights, themed facades, and motel-room doors. A side beyond the barbed wire fences, No Trespassing signs, and midnight shadows.

The 52 Week Project Lauren Keenan,2020-12-01 It was winter. Lauren Keenan was separated from her husband, lonely, and miserable. Then came the night of Twenty-Seven Rejections of Doom: she asked twenty-seven people to hang out one Friday night, and every single person said no. Lauren realised her life wasn't working for her and that she needed to change it. It was time to try something new. Fifty-two new things, in fact. She made a resolution: she'd try 52 new things in 52 weeks. From zip lining to entering a stand-up comedy night; swimming with sharks to detoxing from social media; giving up alcohol for six months to going to a music festival alone; Lauren put herself out there with surprising results. Her year of new experiences was a game changer. It repaired her relationship with her husband, she regained confidence in herself, and she realised how satisfying it can be to push yourself to your limits and to do things on your own. The 52 Week Project combines Lauren's insights and humour with current psychological research, as she brings readers along during her year of making the most out of life.
