

My Wikipedia

Betty Mahmoody, William Hoffer

Wikipedia: The Missing Manual John Broughton, 2008-01-25 Want to be part of the largest group-writing project in human history? Learn how to contribute to Wikipedia, the user-generated online reference for the 21st century. Considered more popular than eBay, Microsoft.com, and Amazon.com, Wikipedia servers respond to approximately 30,000 requests per second, or about 2.5 billion per day. It's become the first point of reference for people the world over who need a fact fast. If you want to jump on board and add to the content, *Wikipedia: The Missing Manual* is your first-class ticket. Wikipedia has more than 9 million entries in 250 languages, over 2 million articles in the English language alone. Each one is written and edited by an ever-changing cast of volunteer editors. You can be one of them. With the tips in this book, you'll quickly learn how to get more out of -- and put more into -- this valuable online resource. *Wikipedia: The Missing Manual* gives you practical advice on creating articles and collaborating with fellow editors, improving existing articles, and working with the Wikipedia community to review new articles, mediate disputes, and maintain the site. Up to the challenge? This one-of-a-kind book includes: Basic editing techniques, including the right and wrong ways to edit Pinpoint advice about which types of articles do and do not belong on Wikipedia Ways to learn from other editors and communicate with them via the site's talk pages Tricks for using templates and timesaving automated editing tools Recommended procedures for fighting spam and vandalism Guidance on adding citations, links, and images to your articles Wikipedia depends on people just like you to help the site grow and maintain the highest quality. With *Wikipedia: The Missing Manual*, you get all the tools you need to be part of the crew.

My Antonia Willa Cather, 2021-01-08 *My Antonia* is a novel by an American writer Willa Cather. It is the final book of the prairie trilogy of novels, preceded by *O Pioneers!* and *The Song of the Lark*. The novel tells the stories of an orphaned boy from Virginia, Jim Burden, and Antonia Shimerda, the daughter of Bohemian immigrants. They are both became pioneers and settled in Nebraska in the end of the 19th century. The first year in the very new place leaves strong impressions in both children, affecting them lifelong. The narrator and the main character of the novel *My Antonia*, Jim grows up in Black Hawk, Nebraska from age 10 Eventually, he becomes a successful lawyer and moves to New York City.

Not Without My Daughter Betty Mahmoody, William Hoffer, 2004 The true story of Betty Mahmoody's escape from Iran with her daughter after her Iranian husband attempted to turn a two-week vacation into a permanent relocation and a life of subservience for Betty and her daughter.

This Is My America Kim Johnson, 2022-05-17 Incredible and searing. --Nic Stone, #1 New York Times bestselling author of *Dear Martin* The Hate U Give meets *Just Mercy* in this unflinching yet uplifting first novel that explores the racist injustices in the American justice system. Every week, seventeen-year-old Tracy Beaumont writes letters to Innocence X, asking the organization to help her father, an innocent Black man on death row. After seven years, Tracy is running out of time--her dad has only 267 days left. Then the unthinkable happens. The police arrive in the night, and Tracy's older brother, Jamal, goes from being a bright, promising track star to a thug on the run,

accused of killing a white girl. Determined to save her brother, Tracy investigates what really happened between Jamal and Angela down at the Pike. But will Tracy and her family survive the uncovering of the skeletons of their Texas town's racist history that still haunt the present? Fans of Nic Stone, Tiffany D. Jackson, and Jason Reynolds won't want to miss this provocative and gripping debut.

My Year Roald Dahl, 1997-02 One of a series offering classic and contemporary writing for schools to suit a range of ages and tastes. In the last year of his life Roald Dahl worked on this diary, which contains reminiscences of childhood and adolescence, gardening tips, and observations about the changing seasons.

The Book of My Lives Aleksandar Hemon, 2013-03-19 Aleksandar Hemon's lives begin in Sarajevo, a small, blissful city where a young boy's life is consumed with street soccer with the neighborhood kids, resentment of his younger sister, and trips abroad with his engineer-cum-beekeeper father. Here, a young man's life is about poking at the pretensions of the city's elders with American music, bad poetry, and slightly better journalism. And then, his life in Chicago: watching from afar as war breaks out in Sarajevo and the city comes under siege, no way to return home; his parents and sister fleeing Sarajevo with the family dog, leaving behind all else they had ever known; and Hemon himself starting a new life, his own family, in this new city. And yet this is not really a memoir. *The Book of My Lives*, Hemon's first book of nonfiction, defies convention and expectation. It is a love song to two different cities; it is a heartbreaking paean to the bonds of family; it is a stirring exhortation to go out and play soccer—and not for the exercise. It is a book driven by passions but built on fierce intelligence, devastating experience, and sharp insight. And like the best narratives, it is a book that will leave you a different reader—a different person, with a new way of looking at the world—when you've finished. For fans of Hemon's fiction, *The Book of My Lives* is simply indispensable; for the uninitiated, it is the perfect introduction to one of the great writers of our time. A Kirkus Reviews Best Nonfiction Book of 2013

Ishmael Daniel Quinn, 1995-05-01 One of the most beloved and bestselling novels of spiritual adventure ever published, *Ishmael* has earned a passionate following. This special twenty-fifth anniversary edition features a new foreword and afterword by the author. “A thoughtful, fearlessly low-key novel about the role of our species on the planet . . . laid out for us with an originality and a clarity that few would deny.”—The New York Times Book Review Teacher Seeks Pupil. Must have an earnest desire to save the world. Apply in person. It was just a three-line ad in the personals section, but it launched the adventure of a lifetime. So begins an utterly unique and captivating novel. It is the story of a man who embarks on a highly provocative intellectual adventure with a gorilla—a journey of the mind and spirit that changes forever the way he sees the world and humankind's place in it. In *Ishmael*, which received the Turner Tomorrow Fellowship for the best work of fiction offering positive solutions to global problems, Daniel Quinn parses humanity's origins and its relationship with nature, in search of an answer to this challenging question: How can we save the world from ourselves? Explore Daniel Quinn's spiritual *Ishmael* trilogy: *ISHMAEL* • *MY ISHMAEL* • *THE STORY OF B* Praise for *Ishmael* “As suspenseful, inventive, and socially urgent as any fiction or nonfiction you are likely to read this or any other year.”—The Austin

Chronicle "Before we're halfway through this slim book . . . we're in [Daniel Quinn's] grip, we want Ishmael to teach us how to save the planet from ourselves. We want to change our lives."—The Washington Post "Arthur Koestler, in an essay in which he wondered whether mankind would go the way of the dinosaur, formulated what he called the Dinosaur's Prayer: 'Lord, a little more time!' Ishmael does its bit to answer that prayer and may just possibly have bought us all a little more time."—Los Angeles Times

All My Friends Are Dead Avery Monsen, Jory John, 2013-10-01 If you're a dinosaur, all of your friends are dead. If you're a pirate, all of your friends have scurvy. If you're a tree, all of your friends are end tables. Each page of this laugh-out-loud illustrated humor book showcases the downside of being everything from a clown to a cassette tape to a zombie. Cute and dark all at once, this hilarious children's book for adults teaches valuable lessons about life while exploring each cartoon character's unique grievance and wide-eyed predicament. From the sock whose only friends have gone missing to the houseplant whose friends are being slowly killed by irresponsible plant owners (like you), *All My Friends Are Dead* presents a delightful primer for laughing at the inevitable.

Out of My Mind Sharon M. Draper, 2012-05 Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Bury My Heart at Wounded Knee Dee Brown, 2012-10-23 The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

My Education Susan Choi, 2013-07-03 An intimately charged novel of desire and disaster from the National Book Award-winning author of *Trust Exercise* and *A Person of Interest* Regina Gottlieb had been warned about Professor Nicholas Brodeur long before arriving as a graduate student at his prestigious university high on a pastoral hill. He's said to lie in the dark in his office while undergraduate women read couplets to him. He's condemned on the walls of the women's restroom, and enjoys films by Roman Polanski. But no one has warned Regina about his exceptional physical beauty—or his charismatic, volatile wife. *My Education* is the story of Regina's mistakes, which only begin in the bedroom, and end—if they do—fifteen years in the future and thousands of miles away. By turns erotic and completely catastrophic, Regina's misadventures demonstrate what can happen when the chasm between desire and duty is too wide to bridge.

Just My Type Simon Garfield, 2011-09-01 A hugely entertaining and revealing guide to the history of type that asks, What does your favorite font say about you? Fonts surround us every day, on street signs and buildings, on

movie posters and books, and on just about every product we buy. But where do fonts come from, and why do we need so many? Who is responsible for the staid practicality of Times New Roman, the cool anonymity of Arial, or the irritating levity of Comic Sans (and the movement to ban it)? Typefaces are now 560 years old, but we barely knew their names until about twenty years ago when the pull-down font menus on our first computers made us all the gods of type. Beginning in the early days of Gutenberg and ending with the most adventurous digital fonts, Simon Garfield explores the rich history and subtle powers of type. He goes on to investigate a range of modern mysteries, including how Helvetica took over the world, what inspires the seeming ubiquitous use of Trajan on bad movie posters, and exactly why the all-type cover of Men are from Mars, Women are from Venus was so effective. It also examines why the T in the Beatles logo is longer than the other letters and how Gotham helped Barack Obama into the White House. A must-have book for the design conscious, Just My Type's cheeky irreverence will also charm everyone who loved Eats, Shoots & Leaves and Schott's Original Miscellany.

My Own Words Ruth Bader Ginsburg, Mary Hartnett, Wendy W. Williams, Wendy Williams (Writer on law), 2016-10-04 The first book from Ruth Bader Ginsburg since becoming a Supreme Court Justice in 1993--a ... collection of writings and speeches from the woman who has had [an] ... influence on law, women's rights, and popular culture--

Dannii: My Style (Enhanced Edition) Dannii Minogue, 2011-09-29 Enhanced eBook featuring TWO exclusive videos: a glamorous short film showing Dannii in the glorious 'looks' she chose for the book, PLUS exciting behind-the-scenes footage from the fashion shoots, revealing the style icon herself hard at work. The definitive style guide for women who want to be fashionable, sexy and confident, by the woman of the moment. Appearing on numerous 'Best Dressed' lists in 2010 - in Marie Claire, The Guardian, Company and Heat among others - style icon Dannii Minogue is a role model to women everywhere. In Dannii: My Style she shares her fashion wisdom and personal style secrets, all gloriously illustrated with stunning photos of Dannii as she dresses to impress. This must-have style bible helps you learn to love the way you are, focusing on ways to accentuate the positive, and covers everything from great hair and glowing skin to make-up and healthy eating. Dannii shares her tips on red carpet looks and what to wear for every occasion, and offers advice on dressing for your shape and choosing the right accessories. Dannii: My Style is an inspirational guide to making the most of what you've got and looking your best.

How Green Was My Valley Richard Llewellyn, 2009-06-16 How Green Was My Valley is Richard Llewellyn's bestselling -- and timeless -- classic and the basis of a beloved film. As Huw Morgan is about to leave home forever, he reminisces about the golden days of his youth when South Wales still prospered, when coal dust had not yet blackened the valley. Drawn simply and lovingly, with a crisp Welsh humor, Llewellyn's characters fight, love, laugh and cry, creating an indelible portrait of a people.

Dreams from My Father Barack Obama, 2007-01-09 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African

father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s *The Color of Water* and Gregory Howard Williams’s *Life on the Color Line* as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of *There Are No Children Here* “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of *In My Place* “*Dreams from My Father* is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

My Turn Nancy Reagan, 2011-09-14 The former First Lady discusses her life, the Reagan administration, her shaky relationship with her children and key White House personnel, her husband’s involvement in the Iran-Contra affair, and her bout with cancer. “During our White House years I said almost nothing about how I really felt regarding the controversies that swirled around me. . . . But now those years are over, and it’s my turn to describe what happened. . . .” About Ronald Reagan: “Although Ronnie loves people, he often seems remote, and he doesn’t let anybody get too close. There’s a wall around him. He lets me come closer than anyone else, but there are times when even I feel that barrier.” About being a mother: “What I wanted most in all the world was to be a good wife and mother. As things turned out, I guess I’ve been more successful at the first than at the second.” About her influence: “I make no apologies for telling Ronnie what I thought. Just because you’re married doesn’t mean you have no right to express your opinions. For eight years I was sleeping with the president, and if that doesn’t give you special access, I don’t know what does.” About astrology: “What it boils down to is that each person has his or her own ways of coping with trauma and grief, with the pain of life, and astrology was one of mine. Don’t criticize me, I wanted to say, until you have stood in my place. This helped me. Nobody was hurt by it—except, possibly, me.” About Don Regan: “His very first day on the job, Don said that he saw himself as the ‘chief operating officer’ of the country. But he was hired to be chief of staff. . . . Although I believed for a long time that Donald Regan was in the wrong job, my ‘power’ in getting him to leave has been greatly exaggerated. Believe me, if I really were the dragon lady that he described in his book, he would have been out the door many

months earlier.”

My World Margaret Wise Brown, 2001-09-04 Your world. My world. I can swing right over the world. Now you can revisit the world of the beloved little bunny and his family in this perfect companion to everyone's favorite bedtime story. Together, gentle illustrations of everyday objects along with poetic words capture the excitement of a young child exploring new boundaries, as the bunny greets all the familiar things in this new world. From one of the most accomplished and popular author and illustrator collaborations of all time, this is a classic picture book in which good morning is as reassuring and enchanting as goodnight.

A Roving Commission Winston Churchill, 1939

The Stars My Destination Alfred Bester, 2010 One of the very best must-read SF novels of all time.

Delve into the emotional tapestry woven by in Experience **My Wikipedia** .
