Which Wine When Bert Blaize,Claire Strickett,2020-04-30 ‘A brilliantly simple guide to give anyone instant confidence choosing wine.’ Russell Norman Which Wine When offers brilliant wine matches to the food we eat every day. This is for anyone who knows their sourdough from their sliced white but still finds themselves standing in the wine aisle making panicked decisions about what to drink based on special offers, a vague memory or a nice-looking label. Now you’ll be able to look up dish or style of cooking and find three recommendations – and if the shop doesn’t have what you want, Bert and Claire give you the words to ask for the type of wine you’re looking for. From takeaways and snacks to Sunday lunches, home-cooked classics, cheese and desserts, these expert wine matches are fun, affordable and simple enough you can pop to a supermarket or local wine shop. Whether you’re ordering a curry, taking a bottle to a friend's, going out for dinner, or vegging out on the sofa with a bowl of pasta, Which Wine When will turn even the most down-to-earth meal into a magical combination of what’s on your plate and what’s in your glass. Don't wander the wine aisle without it.

How to Fake Your Way Through a Wine List Katherine Cole,2015-10-06 Wine amateurs think they can't sound savvy without memorizing an encyclopedia of facts about vintages, châteaux, and appellations. The Wine List Grant Reynolds,2023-11-07 A one-of-a-kind exploration of the relationship between culture, politics, history, and wine. Vintage refers to the year grapes are harvested, and that vintage holds meaning. You can look up the weather in any almanac, but some stories are known only to insiders—until now. In this wine book Grant Reynolds, award-winning sommelier, deciphers these signatures to reveal the impact of marketing and mentorship, technology and trends, and influencers old and new. Beginning in the late eighteenth century with a tale about Thomas Jefferson’s secret White House stash and spanning over a quarter of a millennium to social media’s effect on chenin blanc’s popularity, The Wine List explores both the chemistry and sociology that have made vintages taste a certain way, fetch a certain price, or go extinct altogether. Featuring sidebars on topics like the taste of climate change, mini timelines capturing significant historical moments, and collage-style illustration, these entries solidify the idea that every bottle is a product of a particular moment in time. A must-read for fans of wine books like Wine Folly or The World Atlas of Wine, The Wine List is a fresh new wine bible perfect for anyone looking for bar cart books or gifts for wine lovers.

Wine for Every Day and Every Occasion Dorothy J. Gaiter,John Brecher,2009-10-13 Choosing a bottle of wine should be fun, not frightening. After all, one of the most important elements of enjoying wine is not so much the vintage or the vineyard but the occasion on which it is enjoyed. In their new book, Wine for Every Day and Every Occasion, Dorothy J. Gaiter and John Brecher, authors of the popular weekly Tastings column in the Wall Street Journal, give you the kind of honest, accessible wine information that is hard to find. In Wine for Every Day and Every Occasion, Dottie and John, as they are known to their fans, answer the most frequently asked questions about what wine to drink on specific occasions. They cover all the bases: What wine should I put away for my newborn's twenty-first birthday? What wine is best with Thanksgiving turkey? They also suggest ways in which wine can make every day a little bit more of an occasion -- how to throw a wine tasting, how to start a wine-tasting group, even how to add wine to your tailgating party. And they share scores of tips from people like you. Chapters include lists of specific wines and provide readers with suggestions for choosing Champagne to ring in the New Year and for chilled whites (and even reds) to drink in the summer. There is no stodginess about vintages and there are no numbered ratings. Wine for Every Day and Every Occasion gives you simple, straightforward advice to help you choose the best wines for life's best moments. As Dottie and John say, The problem with most wine books is that they are about wine. Our book is about life. So raise your glass to Wine for Every Day and Every Occasion. And drink to life.

What she learns will change the way you drink wine—and, perhaps, the way you live—forever. “Think: Eat, Pray, Love meets Somm.” —theSkimm “As informative as it is, well, intoxicating.” —Fortune
