**Brand Naming** Rob Meyerson,2021-12-14 You don't have a brand—whether it's for a company or a product—until you have a name. The name is one of the first, longest lasting, and most important decisions in defining the identity of a company, product, or service. But set against a tidal wave of trademark applications, mortifying mistranslations, and disappearing dot-com availability, you won't find a good name by dumping out Scrabble tiles. Brand Naming details best-practice methodologies, tactics, and advice from the world of professional naming. You'll learn: What makes a good (and bad) name The step-by-step process professional namers use How to generate hundreds of name ideas The secrets of whittling the list down to a finalist The most complete and detailed book about naming your brand, Brand Naming also includes insider anecdotes, tired trends, brand origin stories, and busted myths. Whether you need a great name for a new company or product or just want to learn the secrets of professional word nerds, put down the thesaurus—not to mention Scrabble—and pick up Brand Naming.

**Principles of Integrated Marketing Communications** Lawrence Ang,2021-02-23 Marketing in the digital age poses major challenges for traditional and established practices of communication. To help readers meet these challenges Principles of Integrated Marketing Communications: An Evidence-based Approach provides a comprehensive foundation to the principles and practices of integrated marketing communications (IMC). It examines a variety of traditional and digital channels used by professionals to create wide-reaching and effective campaigns that are adapted for the aims of their organisations. This edition has been thoroughly revised and each chapter includes: case studies of significant and award-winning campaigns from both Australian and international brands that illustrate the application of explored concepts; discussion and case study questions that enable readers to critically evaluate concepts and campaigns; a managerial application section that illustrates how concepts can be applied effectively in a real situation; a 'further thinking' section that expands knowledge of advanced concepts and challenges readers to think more broadly about IMC.

*Global and Multinational Advertising* Basil G. Englis,2013-11-19 Few applied disciplines are more sensitive to cross-cultural issues than marketing and consumer psychology. The chapters prepared for this volume reflect awareness of both similarities and differences within and across cultures. They include analyses of methodological issues, theoretical investigations of cultural and social values and their implications for marketing specialists, studies of gender- and sub-culture specific advertising, and investigations of advertising efforts in several different international markets. The scholars and advertising professionals who contributed these chapters will have much to say to consumer psychologists and marketing specialists alike.

*Brand Admiration* C. Whan Park,Deborah J. MacInnis,Andreas B. Eisingerich,2016-10-03 Brand Admiration uses deep research on consumer psychology, marketing, consumer engagement and communication to develop a powerful, integrated perspective and innovative approach to brand management. Using numerous real-world examples and backed by research from top notch academics, this book describes how companies can turn a product, service, corporate, person or place brand into one that customers love, trust and respect; in short, how to make a brand admired. The result? Greater brand loyalty, stronger brand advocacy, and higher brand equity. Admired brands grow more revenue in a more efficient way over a longer period of time and with more opportunities for growth. The real power of Brand Admiration is that it provides concrete, actionable guidance on how brand managers can make customers (and employees) admire a brand. Admired brands don't just do the job; they offer exactly what customers need (enabling benefits), in way that's pleasing, fun, interesting, and emotionally involving (enticing benefits), while making people feel good about themselves (enriching benefits). Providing these benefits, called 3 Es, is foundational to building , strengthening and leveraging brand admiration. In addition, the authors articulate a common-sense and action based measure of brand equity, and they develop dashboard metrics to diagnose if there are any 'canaries in the coal mine', and if so, what to do next. In short, Brand Admiration provides a coherent, cohesive approach to helping the brand stand the test of time. A well-designed, well-managed brand becomes a part of the public consciousness, and ultimately, a part of the culture. This trajectory is the fruit of decisions made from an integrated strategic standpoint. This book shows you how to shift the process for your brand, with practical guidance and an analytical approach.

Do More Good Bill McKendry,2022-01-25 In Do More Good, Bill McKendry provides incredible insights and tips from his over thirty-five years of helping nonprofit organizations expand their reach and become more effective in their communication, and he provides a blueprint for expanding your brand's impact. Giving nonprofit leaders the tools and decision-making power to move their organization from good to growth so they can DO MORE GOOD. If you're passionate about doing good work for a cause—what birthed that desire in you? Somewhere, somehow, you were stirred by your experiences to do good things in this world. You also decided that you didn't just want to make a living and survive—you wanted to make a difference. That's why communicating effectively and maximizing your organization's potential are so critical. Raising funds and public awareness are challenging enough for any nonprofit leader, but communicating well is really the fuel that will advance and grow your mission. Author and entrepreneur Bill McKendry is one of the leading authorities on nonprofit branding and marketing. In Do More Good, he provides incredible insights and tips from his over thirty-five years of helping nonprofit organizations expand their reach and become more effective in their communication. Do More Good contains the blueprint you need to magnify your brand's impact. With Bill's helpful advice and unique perspectives, you and your team will be inspired and equipped to do even more good.

Handbook of Research on Interdisciplinary Reflections of Contemporary Experiential Marketing Practices Akel, Gökhan,2022-06-24 Technology has brought many innovations and changes in experiential design and experiential products and services. The digital transformations brought about by technology have led to problem-solving, creative functioning, and unique improvements along with experiences. Human-digital experience interaction prevails in many areas of modern society, and in order to evaluate this interaction, a more balanced understanding of digital and experience processes is required. The Handbook of Research on Interdisciplinary Reflections of Contemporary Experiential Marketing Practices discusses innovative research on experiential marketing and evaluates the interdisciplinary reflections of practices from different perspectives. The book also explores how the concept of experience is

developed, managed, and marketed according to current consumer needs and motivations. Covering critical topics such as experience economy and tourism experience management, this reference work is ideal for managers, marketers, hospitality professionals, academicians, practitioners, scholars, researchers, instructors, and students.

**Music Marketing for the DIY Musician** Bobby Borg,2014-08-01 (Music Pro Guide Books & DVDs). There has never been a greater need for practical DIY marketing advice from a musician who has been there and succeeded than now at a time when new technologies make it more possible than ever for musicians to attract attention independently and leverage their own careers, and record industry professionals look exclusively for developed artists who are already successful. Written by a professional musician for other musicians, Music Marketing for the DIY Musician is a proactive, practical, step-by-step guide to producing a fully integrated, customized, low-budget plan of attack for artists marketing their own music. In a conversational tone, it reveals a systematic business approach employing the same tools and techniques used by innovative top companies, while always encouraging musicians to stay true to their artistic integrity. It's the perfect blend of left-brain and right-brain marketing. This book is the culmination of the author's 25 years in the trenches as a musician and entrepreneur, and over a decade in academic and practical research involving thousands of independent artists and marketing experts from around the world. The goal is to help musical artists take control of their own destiny, save money and time, and eventually draw the full attention of top music industry professionals. It's ultimately about making music that matters and music that gets heard!

*Design Matters: Logos 01* Capsule,2007-06-01 The nuts and bolts of effective logo design. The design bar is at an all time high for those brave enough to participate in the industry. Today's designers must be clear on all the steps necessary to create work that stands out in an increasingly competitive marketplace. Unfortunately, most design books only focus on type, color, and layout issues. The Design Matters series takes a more in-depth approach, allowing designers to learn not only how to create work that is aesthetically appealing, but that is also strategy-driven and smart. This book focuses on creating logos, while others in the series dissect brochures, packaging, publications, and letterhead systems. Each book offers all the essential information needed to execute strong designs in concert with beautiful and well-crafted examples, so readers can successfully hit the mark every time.

**Start-up and Entrepreneurial Communication** Alexander Godulla,Linjuan Rita Men,2024-06-21 This book delves into the dynamic field of start-up and entrepreneurial communication, addressing a significant research gap. Start-up and entrepreneurial communication is a critical practice for organizations in their early stages of development. Characterized by their innovative and growth-oriented nature, these organizations often find themselves in a constant state of re-evaluation and reinvention. As such, the competencies within these organizations frequently struggle to match the real-time changes. Addressing this gap, this book provides scientifically sound answers to defining and systematizing start-up and entrepreneurial communication. It delves into central areas of discourse, exploring the intricate balance between a start-up's brand, identity, and strategic communication, as well as the crucial role of internal communication. Additionally, the book offers insights into the highly innovative realm of crowdfunding, complementing its comprehensive exploration of start-up communication. This volume will be a key resource for scholars, students and practitioners in the emerging field of entrepreneurial and start-up communication. It was originally published as a special issue of the International Journal of Strategic Communication.

**Real Leaders Don't Follow** Steve Tobak,2015-10-19 Leaders Lead. Followers Follow. You Can't Do Both. Acknowledging the great irony that most of today's inspiring entrepreneurs are following the crowd instead of doing what innovative leaders like Richard Branson, Mark Zuckerberg, and Elon Musk did to become successful, Silicon Valley management consultant Steve Tobak delivers some truth: Nobody ever made it big by doing what everyone else is doing. Drawing upon decades of personal experience with hundreds of accomplished entrepreneurs, CEOs, and venture capitalists, Tobak provides a unique perspective on today's technology revolution, exposes popular myths that masquerade as common wisdom and shows you what it takes to become a successful entrepreneur and an exceptional business leaders in today's highly competitive world.

**Getting Clients and Keeping Clients for Your Service Business** M. D. Weems,2007-04 Many books are written on how to attract more business for retail stores or new products, but this is the only book written for the small business service provider. Whether you are an attorney, doctor, accountant, consultant, personal trainer, insurance agent, Web or computer consultant, graphic designer, dentist, landscape or pool caretaker, professional cleaner, wedding planner, tree trimmer, caterer, or pet sitter, this book is for you.
