*Natural Beauty Tips* Rachael Reed,2017-03-10 To take care of anybody else you have to take care of yourself first. With busy schedules and hectic home life sometimes we forget to take time for ourselves and focus on the beauty that is us. We need to value and validate ourselves through self-care and self-love. Both that should be natural and can be done with natural products as well. We have to stop being martyrs and Superwomen and learn how to set healthy and helpful boundaries. We need to learn how to say no when people and things don't serve us. And say yes to putting that crown on taking care of ourselves for ourselves and for those important to us. We deserve it We are QUEENS!

**Natural Beauty Tips of the Ancients** Kalilia Elizabeth Bina,2013-11-23 Discover The Natural Beauty Tips Of The Ancients The classic beauties of antiquity didn't need fancy skin creams, Botox, or surgery, and neither do you. In the past the beauty of some women was so great that they literally echo through the ages. Cleopatra used her beauty and feminine wiles to seduce Julius Caesar and rule Egypt as its last pharaoh. Helen of Troy's beauty, according to legend, launched a thousand ships and started the Trojan War. Other classical beauties include Nefertiti, Phryne and Bathsheba. What unites all of these women across time and space is their legendary beauty. But how did they achieve it without the benefit of modern cosmetics and chemicals? The truth is that most beauty products of today are utterly unnecessary and are pushed upon an unsuspecting public by a rapacious pharmaceutical and cosmetic industry. Cleopatra didn't need Botox, and neither do you. The truth is that you likely already own everything you need to achieve the beauty of the ancients right now in your own kitchen. If you know their secrets it is possible to create home-based, natural, non-surgical and inexpensive beauty enhancers despite what the cosmetic industry may tell you.
