Beating the NBA: Tales from a Frugal Fan Motez Bishara,2013-06-08 Is there anyone who's been to an NBA game lately that hasn't felt ripped-off? Gripping about the cost of tickets has become as routine as the opening tip-off. And it's no wonder; while America confronts a continuously bumpy economy, the Lakers, Knicks, and even the woeful Hornets peddle seats at hundreds - sometimes even thousands - of dollars, pricing out the majority of their fans. But just outside their glistening arenas, on the city pavements and internet classifieds, lurks a dirty little secret: Good tickets can be had for pennies on the dollar...if you know how to play the system. For one frugal fan, that's when the adventure begins. With years of professional experience as a value-conscious investor and years of semi-professional experience as a sports-obsessed haggler, Motez Bishara sets off on a madcap thirty-one game, cross continental quest to buy the best NBA tickets at the lowest possible prices. From Miami to Portland, hilarious anecdotes and insightful interviews combine to uncover the rapidly evolving ticketing industry. By maximizing those trends, Beating the NBA empowers fans to achieve the most elusive victory in all of sports: bagging a great deal.

Meet Kevin Garnett Ethan Edwards,2008-08-01 Discusses the life, career, and accomplishments of basketball player Kevin Garnett.

Basketball Season Ticket Thomas Neumann,2018-09-01 With fans around the world, basketball is becoming the next global game. Take a front-row seat to everything that makes the NBA great in Basketball Season Ticket: The Ultimate Fan Guide.

Ticket to the NBA Finals Martin Gitlin,2023 Who has won the NBA Finals? Who were the most valuable players? Written as high interest with struggling readers in mind, this series includes considerate vocabulary, engaging content and fascinating facts, clear text and formatting, and compelling photos. Educational sidebars include extra fun facts and information about each game. Includes table of contents, glossary, index, and author biography.

Michael Jordan David L. Porter,2007-07-30 With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth, no athlete has made a greater impact on American society-or in the world-than Michael Jordan. Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography. He is among the best-known and wealthiest athletes in the history of organized sports. With the possible exceptions of boxer Muhammad Ali and baseball player Babe Ruth, no athlete has made a greater impact on American society-or in the world-than Michael Jordan. Follow the life of one of the most recognizable athletes and living brands inside this engaging and balanced biography. When basketball stars Larry Bird and Magic Johnson retired in the early 1990s, Michael almost single-handedly propelled the NBA to stratospheric levels of success and international visibility. As a player for the Chicago Bulls, he generated instant crowd thrills with his record-setting drives and dunks, selling countless books, newspapers, videotapes, NBA game tickets, and hours of television time. The NBA promoted Michael, basing its popularity on his image as the greatest showman in sports history. Yet his sports hero status extends beyond NBA records. Michael changed the game by becoming the most effectively marketed athlete of his generation. Nike and many other companies rode-and continue to ride-on the coattails of Air Jordan's legend. Author David Porter highlights Jordan's on and off the court accomplishments and examines his relationship with Chicago Bulls' coaches, his commercial endorsements, and his current role as part-owner of the Charlotte Bobcats. A chronology, photos, career stats, and a bibliography of print and electronic resources round out this biography of one of the most influential athletes of the twentieth century.

Black Planet David Shields,2012-06-27 The National Basketball Association is a place where, without ever acknowledging it, white fans and black players enact and quietly explode virtually every racial issue and tension in the culture at large. In Black Planet, David Shields explores how, in a predominantly black sport, white fans--including especially himself--think about and talk about black heroes, black scapegoats, black bodies. During the 1994-95 NBA season, Shields went to the Seattle SuperSonics' home games; watched their away games on TV; listened to interviews and call-in shows; talked, or tried to talk, to players, coaches, and agents; attended charity events; corresponded with members of the Sonics newsgroup on the Web. He kept a journal and over the next few years transformed that journal into this book, which is focused sharply on white spectators' relationship to black athletes, in particular Shields' own identification with Gary Payton, the team's language-besotted point-guard. Through the apparently simple vehicle of a daily diary running from November 5, 1994 to May 5, 1995, and ranging from a dispute between two fans over the sale of a ticket to the national media frenzy surrounding Charles Barkley's jest That's why I hate white people, David Shields confronts the nature of racism (including his own)--the otherness in ourselves that we project onto strangers. He takes us via sports passion deep into the American racial divide. From the Hardcover edition.

Crashing the Borders Harvey Araton,2007-11-01 Unflinching, timely, and authoritative, Crashing the Borders is the beginning of a much-needed conversation about sport and American culture. For those who care about both, this book will be the must-read work of the season. The game of basketball has gone global and is now the world's fastest-growing sport. Talented players from Europe, Asia, South America, and Africa are literally crashing the borders as the level of their game now often equals that of the American pros, who no longer are sure winners in international competition and who must compete with foreign players for coveted spots on NBA rosters. Yet that refreshing world outlook stands in stark contrast to the game's troubled image here at home. The concept of team play in the NBA has declined as the league's marketers and television promoters have placed a premium on hyping individual stars instead of teams, and the players have come to see that big-buck contracts and endorsements come to those who selfishly demand the spotlight for themselves. In this taut, simmering book, Harvey Araton points his finger at the greed and exploitation that has weakened the American game and opens a discussion on the volatile, undiscussed subject that lies at the heart of basketball's crisis: race. It begins, he argues, at the college level, where, too often, undereducated, inner-city talents are expected to perform for the benefit of affluent white crowds and to fill the coffers of their respective schools in what Araton calls a kind of "modern-day minstrel show." Harvey Araton knows the players well enough to see beyond the stereotypes, and by combining passion and knowledge he calls on the NBA to heal itself and, with a hopeful sense of the possible, he points the way to a better future.

The Franchise: LeBron James and the Remaking of the Cleveland Cavaliers Terry Pluto,Brian Windhorst,2007-12-06 Not your typical sports biography . . . Take[s] the reader behind the scenes in the Cavaliers' front office, revealing how championship contenders are built -- Library Journal Two award-winning sports journalists give an in-depth look at how a team and a city were rebuilt around superstar LeBron James. When the Cleveland Cavaliers drew

the top pick in the 2003 NBA draft, an entire city buzzed with excitement. After all, how often does a LeBron James come along? Especially for Cleveland, a midmarket Rust Belt city without a sports championship in forty years. Especially for the Cavaliers, a long-struggling team that had never reached the NBA finals. Soon, everyone had something riding on LeBron—billionaire team owner Dan Gilbert looking for a return on his investment . . . teammates eager for a championship ring . . . the league in need of the next Michael Jordan to promote . . . the shoe company with its multimillion-dollar endorsement deal . . . even popcorn vendors in the stands of Quicken Loans Arena and servers waiting restaurant tables in a downtown that now booms every game night. Terry Pluto and Brian Windhorst tell the converging stories of a struggling franchise that had to get worse in order to get better and a highly touted teenage phenom, the local kid who became their future. This book will fascinate any basketball fan who wants the inside story of how LeBron James became the young superstar shouldering the weight of an entire NBA franchise. Chock full of facts and analysis.

Sports web encyclopaedia C. Ashok, 2005

The NBA Story Rich Mintzer, Eric Mintzer, 2020-05-26 What can you learn from the most successful companies in the world? The NBA Story will help you understand and adopt the competitive strategies, workplace culture, and daily business practices that enabled the exciting basketball league to become the powerhouse it is today. Today's NBA is filled with larger-than-life figures, like LeBron James, James Harden and Stephen Curry, who effortlessly dominate the courts. But it wasn't always so glamorous. The multi-billion-dollar league has grown from humble roots into a sports powerhouse that is loved around the world due to savvy digital marketing and a global focus. Thanks to the popularity of individual players and team rivalries, the NBA has survived league mergers and financial crisis. Teams have earned the respect of millions of loyal fans who are dedicated to the success of each and every organization within the league. Through the story of the NBA, you'll learn: How to keep a dream alive when it seems like no one wants to see it come true. How a company can find their way out of a financial crisis. How presentation is the secret sauce to the success of any show. And how a company can build a loyal fanbase who will do anything to keep them on top.

The Last Pass Gary M. Pomerantz, 2019-10-22 The New York Times bestseller Out of the greatest dynasty in American professional sports history, a Boston Celtics team led by Bill Russell and Bob Cousy, comes an intimate story of race, mortality, and regret About to turn ninety, Bob Cousy, the Hall of Fame Boston Celtics captain who led the team to its first six championships on an unparalleled run, has much to look back on in contentment. But he has one last piece of unfinished business. The last pass he hopes to throw is to close the circle with his great partner on those Celtic teams, fellow Hall of Famer Bill Russell. These teammates were basketball's Ruth and Gehrig, and Cousy, as everyone calls him, was famously ahead of his time as an NBA player in terms of race and civil rights. But as the decades passed, Cousy blamed himself for not having done enough, for not having understood the depth of prejudice Russell faced as an African-American star in a city with a fraught history regarding race. Cousy wishes he had defended Russell publicly, and that he had told him privately that he had his back. At this late hour, he confided to acclaimed historian Gary Pomerantz over the course of many interviews, he would like to make amends. At the heart of the story The Last Pass tells is the relationship between these two iconic athletes. The book is also in a way Bob Cousy's last testament on his complex and fascinating life. As a sports story alone it has few parallels: An poor kid whose immigrant French parents suffered a dysfunctional marriage, the young Cousy escaped to the New York City playgrounds, where he became an urban legend known as the Houdini of the Hardwood. The legend exploded nationally in 1950, his first year as a Celtic: he would be an all-star all 13 of his NBA seasons. But even as Cousy's on-court imagination and daring brought new attention to the pro game, the Celtics struggled until Coach Red Auerbach landed Russell in 1956. Cousy and Russ fit beautifully together on the court, and the Celtics dynasty was born. To Boston's white sportswriters it was Cousy's team, not Russell's, and as the civil rights movement took flight, and Russell became more publicly involved in it, there were some ugly repercussions in the community, more hurtful to Russell than Cousy feels he understood at the time. The Last Pass situates the Celtics dynasty against the full dramatic canvas of American life in the 50s and 60s. It is an enthralling portrait of the heart of this legendary team that throws open a window onto the wider world at a time of wrenching social change. Ultimately it is a book about the legacy of a life: what matters to us in the end, long after the arena lights have been turned off and we are alone with our memories. On August 22, 2019, Bob Cousy was awarded the Presidential Medal of Freedom

NBA Scrapbook Dan Peel, 2023-12-05 NBA Scrapbook is packed with rare photographs images and on the page facsimile memorabilia and provides an incredible insight into the history NBA and its legendary players and coaches. Featuring a wide variety of superb on the page rare memorabilia from the archives covering the NBA's hugely successful history including match tickets match programs cards and promotional material. Spanning the decades and covering all the NBA's most iconic eras, we uncover the fascinating stories and incredible accomplishments of the greatest basketball players of all time, from the game's first superstars, Wilt Chamberlain, Bill Russell and Jerry West, to the modern-day greats of the late Kobe Bryant, LeBron James and Kevin Garnett.

Full Court Greg Marecek, 2006 Full Court tells story of an often-forgotten but remarkable time in St. Louis sports history--the era of the NBA's St. Louis Hawks. Author Greg Maracek has woven together a compilation of interviews from the Hawks players to deliver a history of a former perennial power in the National Basketball Association. Between 1955 and 1968, pro basketball closely rivaled the attention--and at times outstripped the success--of the baseball's St. Louis Cardinals. A storied rivalry with the fabled Boston Celtics is credited by many as the single most important catalyst to the national growth of NBA interest. Names of Hawks' stars became legendary to basketball fans. Leading the way is Hall of Fame superstar Bob Pettit, the first player to score 20,000 points--and later 25,000--in a career. Other Hall of Fame Hawks include Cliff Hagan, Slater Martin, Len Wilkens, and Easy Ed Macauley. Pettit's 50-point performance in the 1958 championship game, NBA doubleheaders at Kiel Auditorium, owner Ben Kerner's sometimes wild and wacky postgame promotions, division and conference titles, sold-out crowds, Bill Russell, Wilt Chamberlain, Bob Cousy, and one incredible St. Louis World Championship season makes for riveting reading not only for fans of St. Louis sports but also for lovers of NBA lore. Greg Marecek has been in the sports business for 35 years, serving as a sportswriter and editor, sportscaster, national sports syndicate, and sports-radio owner. He is a member of the Missouri Sports Hall of Fame.

Sports Fans, Identity, and Socialization Exploring the Fandemonium Adam C. Earnhardt, Paul M. Haridakis, Barbara S. Hugenberg, 2012 Sports Fans, Identity, and Socialization is an eclectic collection of new studies from accomplished and emerging scholars in the fields of communication, business, geography, kinesiology, psychology,

and more, who employ a wide range of methodologies including quantitative, qu...

This Year Is Different Bob Sturm,2011-12-12 For 31 years, The Dallas Mavericks had seasons end in disappointment. Every year, they tried again to find the right combination, only to find another dead end. But in the 2010-11 season, the Mavericks finally found the right mix around their superstar, Dirk Nowitzki, and shocked the basketball world by winning their first NBA Championship. Through extensive interviews and covering the Mavericks as a passionate journalist, Sturm illuminates what exactly brought the Mavericks together as a team. THIS YEAR IS DIFFERENT covers all the important details of the Dallas Mavericks' 2011 championship season, including: The transformation of the Dallas Mavericks franchise from perennial loser to NBA powerhouse. Dirk Nowitzki's career-long battle to cement his dynasty with an NBA championship, including a bitter loss in the 2006 Finals to Dwyane Wade's Miami Heat. Tracing the ups and downs of the 2011 campaign, as the Mavs soared to the top of the standings, only to suffer critical injuries mid-season and a string of losses which threatened their playoff hopes. A game-by-game recap of the Mavericks' 2011 playoff run, as they battled through the quarter-, semi-, and Western Conference Finals for a chance to compete for the NBA championship. The epic story of the 2011 NBA Finals, as Nowitzki and the Mavs took on Miami's Big Three, in a rematch of Dallas' heartbreaking loss in the 2006 Finals, and how the Mavericks overcame all odds to win their first NBA Championship.

Tales from the Cleveland Cavaliers Locker Room Roger Gordon,2021-03-30 Long before "The Decision," four MVP awards, and back-to-back NBA championships with the Miami Heat, LeBron James opened the 2003-04 season as an untested rookie with the Cleveland Cavaliers. In Tales from the Cleveland Cavaliers Locker Room: The Rookie Season of LeBron James, first published in 2004, readers will find anecdotes about this extraordinary rookie who grew up a stone's throw away in Akron. Fans will read about the rest of the Cavaliers, from celebrations on the day lottery luck shone upon the team and the anticipation of LeBron's debut to disappointments like the season-opening five-game losing streak and 6-19 start; from the excitement of a young team maturing under the guidance of head coach Paul Silas to the shrewd moves of general manager Jim Paxson. There were also the moments bordering on the absurd, like the near-riot on LeBron James Bobblehead Night. And there was the heartbreaking late-season injury to a key player that likely cost the Cavs a playoff berth. Through the eyes and ears of the media, coaches, players, fans, and more, this book is a must-read for any Cavs or NBA fan. It is a whimsical reflection on the rebirth of a forlorn franchise that was quite possibly a Ping-Pong ball away from relocating to another state. It is a look back at how a team led by a teenage kid with remarkable skills, awesome strength, and incredible poise went from being the laughingstock of the NBA to becoming a true playoff contender. In 2014, LeBron James decided to come home, where he remained through 2018, bringing the team its first-ever NBA championship and the city its first since the 1964 Browns. In this newly updated edition, Tales from the Cleveland Cavaliers Locker Room will make Cavs fans remember the joy of victory at the hands of King James.

The SAGE Handbook of Sports Economics Paul Downward,Bernd Frick,Brad R. Humphreys,Tim Pawlowski,Jane E. Ruseski,Brian P. Soebbing,2019-08-26 Sports economics is a well-established and dynamic area of study; a key component in the fields of sport management, sport science and sport studies, as well as in other areas of economics, finance and management. Covering amateur to professional sports, individual events and organised tournaments, this Handbook provides an authoritative contribution to the understanding of sport in the economy. The editors of The SAGE Handbook of Sports Economics have brought together a global team of respected scholars to create this benchmark collection of insights into sports economics. Each chapter includes a study of a specific context in which issues arise in sports economics, a critical presentation of its main theoretical contributions, an overview of current research findings, and an outline of enquiry for future research. PART I: The Nature and Value of the Sports System and Economy PART II: Amateur Sports Participation, Supply and Impact PART III: Professional Team Sports PART IV: Professional Sports Leagues PART V: Sports Events and their Impacts PART VI: Individual Sports PART VII: Future Research

The Rough Guide to California Rough Guides (Firm),2003 An illustrated guide that covers urban hotspots such as San Francisco and LA to the natural beauty of the Yosemite National Park and the Lake Tahoe area. Camping and hiking information in Sequoia, Death Valley and the other great National Parks is included as well as the highlights of the east - Las Vegas and the Grand Canyon. Hotel and restaurant details are given to suit all budgets together with the lowdown on the coolest (or, failing that, the most interesting) clubs and bars. Comprehensive contexts sections featuring the best books and movies on California, as well as extracts from two best-selling authors are also included.

The Sports Strategist Irving Rein,Ben Shields,Adam Grossman,2014 In The Sports Strategist: Developing Leaders for a High-Performance Industry, authors Irving Rein, Ben Shields, and Adam Grossman demonstrate that relying too much on winning is a losing long-term strategy for dealing with these challenges. Instead, they argue that sports organizations must focus on identifying and maximizing key factors that, unlike winning, can be controlled and shaped. By building a more well-rounded business, sports strategists will position themselves and their organizations for sustainable success in the industry. -- Inside Cover

Unveiling the Magic of Words: A Overview of "Nba Tickets"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "Nba Tickets," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.

Nba Tickets Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nba Tickets PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows

anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nba Tickets PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nba Tickets free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nba Tickets Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nba Tickets is one of the best book in our library for free trial. We provide copy of Nba Tickets in digital format, so the resources that you find are

reliable. There are also many Ebooks of related with Nba Tickets. Where to download Nba Tickets online for free? Are you looking for Nba Tickets PDF? This is definitely going to save you time and cash in something you should think about.
