Urban Regeneration in Australia Kristian

Ruming,2018-02-20 Drawing together leading urban academics, this book provides the first detailed and cohesive exploration of contemporary urban regeneration in Australian cities. It explores the multiple aspects and processes of regeneration, including planning policy (strategic and regulatory), development financing, sustainability, remediation and transport. The book puts forward a unique and innovative 'scaled' analysis of urban regeneration, which positions urban regeneration as more than just large-scale redevelopment projects. It examines the processes of urban change which occur outside inner suburbs, which contribute to regenerating the city as a whole. The book moves beyond the planning and economic considerations of the regeneration process to describe the social and cultural aspects of regeneration. In doing so, it focuses on the management of higher-density environments, culture as a trigger for regeneration, and community opposition to the regeneration process. Urban Regeneration in Australia would benefit academics, students and professionals of urban geography and planning, as well as those with a particular interest in Australian urbanism.

Who's who in Advertising ,1931

Body Lengths Leisel Jones, Felicity McLean, 2015-09-23 From the moment I am born, I am like no-one else around me. I am a fish out of water. Even in the pool. Leisel Jones is rightly regarded as one of the greatest breaststrokes ever. At just fifteen, she won two silver medals at the Sydney Olympic Games in 2000; she went on to win gold at Athens and Beijing, and at London 2012 became the first Australian swimmer to compete at four Olympics. For the first time, Leisel candidly describes what it's like to be thrust into the limelight so young. She reveals the constant pressure she was under - from coaches, from the media and from herself - to be perfect. Despite the highs of her swimming stardom, she suffered depression, and at one time planned to take her own life. In London, criticised in the media for her weight, and appalled by the bullying and dysfunction in the Australian swim team, Leisel nevertheless handled herself with great composure. She has emerged with maturity and good humour, having finally learnt how to be herself and live with confidence. *Body Lengths* is the inspiring story of an Australian sporting hero, told with humour, optimism and style.

The Social Diary Ros Reines, 2015-02-01 When Savannah Stephens returns to her hometown Sydney after a stint as a music journalist in London, she is thrown into the burgeoning world of society parties and the excesses of the eighties social scene. Savannah's first job back on home soil is as the editor of the newly created Social Diary. Her days are spent battling old fashioned newspaper colleagues, who frown upon the so-called 'women's pages' and tut when her stories make front page splashes. By night she is awash in a sea of expensive champagne at the biggest and best parties the city has to offer. It is there that she collides with the unbelievable characters and larger-than-life personalities who are fast becoming legendary for their jaw-dropping antics. Will Savannah manage to prove her critics wrong or will she be distracted by a very handsome yet mysterious man? Funny and satirical, *The Social Diary* reads at times like an extended version of Ros Reines' real-life gossip column feature *Guess Who Don't Sue*, and is written by someone who has been through it all and lived to tell the tale.

Ronan's Echo Joanne van Os, 2014-04-01 Did we have any relatives die in the First World War? Forensic Anthropologist Kat Kelso's innocent question begins the unravelling of a hundred years

of family history, lies and secrets. In 1916 twin brothers Denny and Connor Ronan are eager to get to the war before it's all over; Bridie O'Malley, their childhood friend and the woman they both love, watches them leave, understanding too late that war is about more than heroes and handsome boys in uniform. Nearly a century on from the disastrous battle of Fromelles, Kat Kelso, Bridie's great granddaughter, is on site in France identifying the recovered bodies of lost Australian soldiers. The discovery of her own relative amongst the dead men brings Kat, her mother Fiona and great-aunt Hattie, far more questions than answers. The wounds of love and war have devastating consequences that ripple across time.

Whifty Whiff Paul Marryatt, 2018-06 Written and illustrated by Paul Marryatt, Whifty Whiff is the first book in a multi-part series chronicling adventures of Whifty Whiff - an adorable but mischievous creature with a penchant for stealing toys and wreaking havoc. The book is about a young girl called Lucy who doesn't clean up her toys. As a result, the cheeky Whifty decides to play with, and steal, Lucy's toys, leaving behind his trademark 'pong'. Once he hears Lucy crying however, Whifty is filled with remorse and magically returns her toys. Lucy is once more joyful and has learned an important lesson to always tidy up after herself.

Crown Street Women's Hospital Judith Godden, 2017-01-03 Crown Street Women's Hospital was the largest women's hospital in NSW. Located in the heart of Surry Hills, it was a referral hospital for women throughout the State and a leading teaching centre for obstetricians and midwives. Affectionately known as 'Crown Street', an essential part of its role was caring for the poorest and most marginalised women in Sydney. Crown Street became internationally famous after

its success eliminating eclampsia, a major cause of maternal death. It was the centre of the thalidomide scandal and renowned for its care of newborn babies. From its first years, it sheltered homeless pregnant women; its later practices contributed to the grief of forced adoptions. It was where a stream of women went after botched illegal abortions. In its final years, its Birth Centre revolutionised birth practices in Australia. Among the many individual stories is that of May Yarrowick, who in 1907 became the first formally trained Aboriginal midwife, and that of Edna Shaw, Sydney's most popular matron. The announcement of Crown Street's closure resulted in public uproar and demonstrations in the streets. This comprehensive history reflects Sydney's rich past, and reveals why Crown Street's 90 years had such a powerful impact on so many.

Lesbian for a Year Brooke Hemphill, 2014-09-01
What happens when a young heterosexual woman wakes up one morning with a splitting hangover and a naked woman wrapped around her? She kisses goodbye to her unfulfilling and messy straight life in search of something more. And so begins Brooke Hemphill's year of dating women. From a lesbian reality show and wild Mardi Gras parties to an illicit affair and a broken heart, Brooke learns more than she bargained for about herself, her sexuality, and the nature of relationships and intimacy.

Bohemia Beach Justine Ettler, 2018-05-01
Catherine Bell, a famous concert pianist, is struggling to hold on to her career in a competitive international arena that spans the classical music capitals of the world. After a disastrous show in Copenhagen, Cathy is about to attempt her first concert performance without alcohol in Prague when her marriage implodes, her terminally ill, Czech-born mother goes missing from her London hospital, and a much needed highly

paid recording deal falls through. Cathy finds herself coping in the only way she knows how: grasping a glass of forbidden pre-performance champagne and flirting with Tomas, a stranger in a Prague nightclub. While her therapist Nelly advises her to abstain, Cathy's relationship with drink, and Tomas, draws her deep into a whirlpool of events as mysterious, tense and seductive as Prague itself. Justine Ettler's discipline in the writing is as controlled as Cathy is out of control - the novel brilliantly references classics such as *Wuthering Heights* - and as with Rachel in *The Girl on a Train* the reader is drawn into the protagonist's predicament with moving, palpable intensity. *Bohemia Beach* is an edge of your seat ride, a compelling story of addiction, passionate love and the power of art. It heralds the return of one of Australia's most distinctive authors. 'Ettler is back after twenty years and the wait has been worth it. This is a mesmerising story of art and addiction - the author at her provocative best.' Nikki Gemmell

Work Strife Balance Mia Freedman, 2017-04-26

Whenever women are honest about their struggles, they give other women a gift. Mia delivers. Elizabeth Gilbert This book is for every woman who's been told success is as simple as *Lean In*, *Say Yes*, *Live Your Best Life*, *Beat Your Fear*, *Follow Your Dream...* and then feel #soblessed. It's for guilty friends, bad mums, crap wives, imperfect feminists, rebellious daughters and any girl with a big mouth and at least one foot in it. It's for any woman who's ever asked: 'Am I the only one who isn't quite coping?' Here is Mia Freedman's low road to the top - a fearless, hilarious, inspiring and surprising collection of modern misadventures to read, relate to and rejoice in, then share with all the women in your life. MORE PRAISE FOR MIA FREEDMAN Funny, raw, fierce and - at heart - profoundly generous.

Annabel Crabb There are few writers in Australia who care as much about what makes women tick as Mia Freedman and who reveal so much of themselves. Leigh Sales Mia Freedman is one of the most inspirational, informative and accessible voices among contemporary Australian writers ... She is dedicated to improving the lives of other women. Hers is an important unique voice in our national conversation. Cate McGregor

Just Another Hurdle Jana Pittman, 2017 As if it wasn't enough to be two times World Champion and four times Commonwealth Champion in the sport of athletics, in 2014 at the Sochi Winter Olympics Jana Pittman swapped the track for the ice, joining the Australian Women's bobsleigh team to become the first woman to represent Australia in both a Summer and Winter Olympic Games. Jana should be a household name for her incredible sporting achievements, but during the course of her extraordinary career it was often her personal life which played out in the media with stories about her marriage, divorce, breast augmentation, re-marriage and break-up, alongside constant references to her 'feud' with fellow sprinter, Tamsyn Lewis. Now, for the first time Jana will tell her own story, so that Australians can get to know the extraordinarily intelligent, focused and accomplished athlete, writer, mother and soon to be doctor who lies behind the sensationalism of the media headlines.
