📖 **Day of the Dawg** Hanford Dixon, Randy Nyerger, 2012-10 The popular and outspoken NFL cornerback offers an inside look at the turbulent, exciting, and frustrating Cleveland Browns seasons of the 1980s. Dixon, a three-time Pro Bowler and co-inventor of the Dawg Pound, recalls both roller-coaster on-field action and a culture of drug use that permeated the NFL and led to the tragic death of a teammate.

📖 **The Asterisk** Vern Nicholson, 2018-08-20 The NFL's affirmative action to protect less athletic and immobile quarterbacks over decades has resulted in a ripple effect of change to every defensive position on the field. Dominant athletes have had to conform to greater subjective on-field enforcement or face massive fines. The Asterisk uses comparison analysis, player statistics, and first-hand sources to give compelling insight on the more than two decades' worth of cheating and rule manipulation that precipitated a spillover of success for the New England Patriots in today's NFL. The Asterisk is a fact-based analysis that highlights the unscrupulous factors elevating the Patriots to so-called G.O.A.T. status: - The manipulation of rules to protect less athletic quarterbacks in the NFL for decades - Massive cheating by the Patriots over the better part of a decade and the eventual cover-up - Rules that are biased against more mobile quarterbacks who are endangered on the field The author takes you on a riveting journey on the history of the NFL and gives the reader stunning truths about the nefarious factors that has propelled the Patriots to dominance in the league.

📖 **Sports Sponsorship** John A. Fortunato, 2013-08-03 This book focuses on how the sponsorship of sports works: the costs, the goals, evaluation and selection of the property a sponsor chooses, how to activate a sponsorship, how to create a brand association, public relations and brand image possibilities. Anything is possible in a sponsorship, it is simply what the sponsor and the property can agree to during their negotiations. There is, for example, the opportunity for product category exclusivity—no competing brand at a particular location. With the audience being harder to reach because of technology, sponsorship continues to be a viable way to obtain brand exposure and better connect a brand with a consumer. With global sponsorship spending totaling more than \$51 billion, it is clear that many companies see this as an important promotional communication strategy. Instructors considering this book for use in a course may request an examination copy here.
