A Century of NFL Football Roger Gordon,2019-08-29 The birth of the National Football League can be traced to a meeting held in the showroom of a Canton, Ohio, car dealership in September, 1920. From these humble beginnings pro football has grown into a global phenomenon. Today, nearly a century later, fans flock to stadiums across the country, and worldwide television viewership numbers in the hundreds of millions. To celebrate the NFL's 100th season, Roger Gordon describes the evolution of pro football in trivia questions, answers, and anecdotes. Rather than merely posing questions and providing short answers, Gordon gives details behind each—stories that bring to life players, coaches, rivalries, and championships.

Tackle This Quiz Craig P,2023-01-03 The word football evokes strong feelings in every part of the world. Of course, in the USA, football is associated with the peak level of athleticism and power; football players are idolized from high school to college to the professional leagues. Such a powerful sporting cornerstone of pop culture naturally attracts its devotees, and these devotees remember the highlights of every game, and the main statistical achievements of every star of the football field. If this book had the equivalent of half-time, you would have to get through a thousand quiz questions to get there: you will be able to spend many days going through the trivia contests, and making your sports memory stronger and stronger.

I Love Football Craig P,2022-12-18 The NFL is one of the top three sports organizations in the world: it has pioneered distribution systems, revenue records, athlete pay records, and social justice. And at the bedrock of all of this enormous impact is one very simple fact: that football players are just built different. A great football player spends his entire childhood, and a large part of his prime working years, working single-mindedly towards his pursuit of fame and fortune through sports immortality. And this is done in spite of the high failure rate and potential injuries and bad luck that can derail a promising career in the blink of an eye. This book is a tribute to those great football players. If you are a true fan of the NFL, you will love it!

All-Time, All-Team Pro Football Quiz Jeff Marcus,2014-07-09 Combining off-the-wall trivia questions with hardcore stats and nickname puzzlers, the All-Time, All-Team Pro Football Quiz contains stumpers for even the most well-versed football fan. Whether you're a Cheesehead or a Broncomaniac, you'll find quizzes for every team in the league—from the teams you love to the teams you love to hate. Which former NFL player had a role in Mel Brooks' *Blazing Saddles*? True or False: Gerald Ford was the only U.S. president to play in the NFL? Who was the first black coach in NFL history? How many teams that won NFL championships are now defunct?

Super Football Challenge Dennis Purdy,2008 Football fans who think they know everything about the gridiron better watch out! These 600 fact-filled quizzes will separate the devoted diehard from the casual Super Bowl partier, and reveal who's got the brains for a winning trivia touchdown...and who just drops the ball. Nineteen entertaining categories cover such topics as college football, the NFL by the decade, notable quotables, amazing NFL performances, awards, and that big, season-ending February game. Can you name the witty coach who said: "They gave me a standing ovation"? Do you remember what year the New York Giants moved into Giants Stadium--or which player is the only two-time winner of the Heisman trophy? Everyone is bound to learn something cool!

Brains, Brawn, and Banter Craig P,2023-01-30 A large number of people have the mental image of all NFL players as boorish brutes who use force to overwhelm the sporting opposition. This is not true of any: even the most unskilled quarterback has great presence of mind, and is able to take split second decisions to affect the course of play to a critical extent. NFL football players operate at a level where the mind is as important as the body, and the body is in supreme physical shape. They spend months and years perfecting their ability to take in a strategy for a particular opposing team, and to seamlessly execute with no hesitation. There is a reason why top NFL stars are always in the top ten highest paid athletes in the world. This book celebrates the careers and major achievements of all these legends.

NFL (American Football) Matthew Harper,2014-07-23 Hi and a very warm welcome to NFL (American Football). A Fascinating Book Containing NFL Facts, Trivia, Images & Memory Recall Quiz: Suitable for Adults & Children. I'm one of those people who loves to hear about extraordinary facts or trivia about anything. They seem to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the WoW factor but for some reason my brain seems to store at least some of it for a later date. I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Amazon seems to work well, particularly with children. This edition includes a selection of those WoW facts combined with some pretty awesome pictures, if I say so myself! At the end there is a short True or False quiz to check memory recall and to help cement some of the information included in the book. Don't worry though, it's a bit of fun but at the same time, it helps to check your understanding. Please note that if you're an expert on this subject then you may not find anything new here. If however you enjoy hearing sensational and extraordinary trivia and you like looking at some great pictures then I think you'll love it. Matt.
