

Nouvelles Des Canadiens De Montral

LL Leslie

Une théologie du Canadien de Montréal Olivier Bauer,2011-05-10T00:00:00-04:00 Qui n'a pas entendu décrire le club de hockey des Canadiens de Montréal comme étant « la sainte flanelle »? Qu'y a-t-il donc sous toutes ces appellations religieuses qui décrivent les sportifs comme des « dieux du stade » et pour lesquels les fans vouent un véritable culte? C'est à cet exercice que se livre Oliver Bauer dans cet ouvrage en quatre parties. Dans la première, il précise ce qui lui permet d'affirmer que le Canadien est une religion; suivent, en guise d'interlude, deux récits iconoclastes: un « Évangile selon Bob » et une « Liste des 13 figures religieuses du Canadien ». Dans la troisième partie, il ose une critique théologique de la religion du Canadien. Enfin il présente une critique de cette religion et s'intéresse aux mécanismes qui en font une occasion de rencontrer Dieu et un instrument pour diffuser une foi, tout comme ceux dont se servent quelques institutions religieuses.

Montreal Pharmaceutical Journal ,1902

The Montreal Canadiens Nicolas Moreau,Audrey Laurin-Lamothe,2015-09-15 One of the most famous and certainly most successful professional hockey teams of all time, the Montreal Canadiens are practically a national institution in Quebec society. More than any other team, the Habs play an important role in the identity, economy, and culture of their home town and province. The essays in The Montreal Canadiens: Rethinking a Legend offer a panoramic view of this influence. What were the connections between the Maurice Richard Riot of 1955 and Quebec's Quiet Revolution? Can we say that loyalty to the team constitutes a religion for its fans? How is corporatization affecting how Quebecers connect with their beloved team? Featuring a wide range of writing on Le Grand Club and its social significance, the book offers a fresh and fascinating perspective on one of Canada's greatest sports teams.

Un défenseur de la Nouvelle France : François Picquet, le Canadien (1708-1781) André Chagny,1913-01-01T00:00:00Z Cet ouvrage est une réédition numérique d'un livre paru au XXe siècle, désormais indisponible dans son format d'origine.

French-speaking Women Film Directors Janis L. Pallister,1997 This guide offers listings of some 300 Francophone women from around the world & their work. Wherever possible, entries include dates, brief biographies, descriptions & brief critical analyses.

Le Québec et les francophones de la Nouvelle-Angleterre Dean R. Louder,Université Laval. Chaire pour le développement de la recherche sur la culture d'expression française en Amérique du Nord,1991 Bilan des recherches récentes et en cours de part et d'autre de la frontière canado-américaine, suivi de sept témoignages.

Habitants and Merchants in Seventeenth-Century Montreal Louise Dechêne,1993-01-11 Dechêne's work, when first published, constituted a major milestone in the development of methodology and use of sources. Her systematic examination of difficult and massive documentary collections blazed a number of new trails for other researchers. Her judicious blending of numerical data and qualitative findings makes this book one of the rare examples of new history that avoids the extremes of statistical abstraction and anecdotal antiquarianism. Habitants and Merchants in Seventeenth-Century Montreal won the Governor-General's Award and the Garneau Medal from the Canadian Historical Association when it first appeared in French.

Quebec-Ontario Relations Louis Côté,Alexandre Brassard,Jean-François Savard,2013 Ontario-Quebec relations have flourished in recent years. Environmental and economic agreements have proliferated (infrastructure, trade, investment, labour mobility) and a total of three joint provincial - cabinet meetings were held between 2008, 2009, and 2010. These closer ties provide a good opportunity to reflect on the provinces' shared destiny. Our objective in this book is to contribute to the body of knowledge on -Ontario-Quebec relations and spark renewed interest among researchers on this topic.Our methodology combines historical and comparative approaches. The first part focuses specifically on the origin and current state of relations between the two provinces. It offers a big picture view of interprovincial relations from a number of perspectives (political, economic, social, and public policy). The second part compares key public policy issues in the provinces in a wide range of fields. The analyses provided illustrate the similarities and differences between Ontario and Quebec, and provide a better understanding of the issues and policies that affect Ontario-Quebec relations.
