**Kalimba Meditation. 20 Healing Mantras** Helen Winter, Veda Gupta, 2021-04-15 The kalimba came from Africa, but it is perfectly suitable for any kind of ethnic music. The kalimba has a rather meditative quality since each sound can be observed separately. Mindful observation of playing each note can even induce a trance state in the listener. Although mantras are not typically played on the kalimba, you can have a unique spiritual experience nonetheless. If you love yoga, meditation or are interested in Indian culture, playing mantras will evoke a deep resonance in your heart. Here are 20 Indian mantras adapted for 10 and 17 key kalimbas. All songs are in easily readable diatonic arrangements with number notation. Our aim is to make playing as simple as possible. Even if you don't have any musical background, you will begin to play very fast. We added a QR code to all songs. You can follow the link and listen to the rhythm and the melody before beginning to play. Contents Adi Mantra of Kundalini Yoga Devi Devi Devi Yagan Mohini Gauri Gauri Gange

**Music and Mantras** Girish,2016-10-04 “Singing is as human as breathing, and this book tells us why.” —Mark Guarino, contributing music writer, The Guardian Celebrated yogi-musician Girish opens new possibilities for transforming your life through song, combining the ancient art of singing mantra with twenty-first century neuroscience research. For as long as he can remember, Girish has created rhythm to accompany life. His first experience of music as sacred art came in college, playing with jazz bands. “During improvisational sessions,” he recalls, “there were these unexplainable moments of synchronicity and intuition that felt like magic.” This led Girish to an unexpected journey—a seeming detour to live as a monk in an ashram for five years that inadvertently nourished his musical artistry. Here, he studied Sanskrit as a means to understand the deeper meanings of ancient chants, which sparked a life-changing event that led him back to music—and to combine music with Sanskrit chants. Now he shares what he’s learned to help people of all ages, backgrounds, and traditions to transform body, brain, and life through mantra and music. With Music and Mantras, Girish has created an interactive toolkit—including more than ninety minutes of companion audio material—for personal transformation through singing, sharing his own experience as a musician, yogi, and former Hindu monk. Weaving simple, elegant mantras from ancient traditions with neuroscience, Girish shows us how to achieve greater peace of mind, clarity, calm, focus, and even improved health and wealth through the yogic art of chanting—an

ideal practice for singing our way to happiness, health, and prosperity.

*35 Healing Mantras for Melodica* Helen Winter, Veda Gupta, 2021-05-25 The melodica is a perfect instrument for playing mantric melodies. If you don't have a traditional Indian harmonium (or pump organ), the melodica is the most suitable instrument: light, portable, most versatile among small instruments, reliable, and easy to learn. The melodica includes 34-38 keys which make it possible to play rather complex music. The Melodica is a free-reed instrument whose original sound is closer to a harmonica or an accordion, but mostly to an Indian harmonium. The harmonium arrived in India during the mid-19th century, but it is an important instrument in many genres in India, mostly the spiritual. Mantras use the energy of sacred sound to bring benefit to the human body and psyche. Their main purpose is to harmonize the energy of our heart, mind, and body. The creation of this balance of energy has been used for centuries to access and open the human heart and mind, and connect them to physical and spiritual powers. Here you will find the most famous and powerful mantras, mostly in Sanskrit, from different traditions: Hindu, Buddhist, or Sikh. Most mantras have been simplified for beginners, and letter names

have been added under the musical notes to make it possible for you to confidently begin playing. If you love yoga, meditation, or interested in Indian culture, playing mantras will evoke a deep resonance in your heart. Mantras can be accompanied by any chromatic instrument, and our easy-to-play sheet music with audio track links will support you in your musical experience, whether it be music playing, individual yoga, or meditation. We are certain that this practice will help you to work through your negative emotions.
