**Jeff Keshen, Nicole J. M. St-Onge, Nicole St-Onge**

**Ottawa** Jim Ridings, 2011 Ottawa is a city rich in history going back to the 1820s. It was the site of the first Lincoln-Douglas debate, and even a famous Civil War general was from Ottawa. The city has an enormous heritage in its churches, schools, and neighborhoods and has created impressive strength in its business and industry over the years. Ottawa also has contributed more than its share of service in the defense of the nation. The I&M Canal, Reddick Mansion, the appellate court, the LaSalle County Courthouse, the Tent Colony, the nearby shipyard and glass factories, the rivers, and the area state parks all have been important and unique parts that comprise Ottawa.

**Masses on Radar** David O'Meara, 2021-09-21 WINNER OF THE ARCHIBALD LAMPMAN AWARD 2022 WINNER OF THE OTTAWA BOOK AWARD 2022 Words like radio waves, bouncing off the spectres of mortality, middle age, and the mundane. Arriving at middle age was a decisive experience for David O'Meara, standing equidistant to the past and future with its accompanying doubts and anticipations, inviting re-evaluation of past goals, confronting personal loss, and the death of his father and friends. These are the masses on radar, indistinct but detectable existential presences encroaching, and in the center of the radar is the lyric 'I' sweeping its adjacent experience. Poems like *I Carry a Mouse to the Park Beside the Highway*, *I Keep One Eye Open and One Eye Closed*, and *I Sleep as the Volcano Ash Falls like Snow*," usher the reader through thematic corridors of memory, fracture, and recovery. Embracing uncertainty and incorporating seasonal forecasts, humour, trivia, satire, politics, the environment, loss, and the mundane, these poems are a detection system signaling a paradox of meanings.' **Masses on Radar** exhibits a stunning mastery of poetic craft. O'Meara has the talent and technique to turn almost anything into riveting poetry, but these poems do not coast: they dig deep, bringing to vivid life a remarkable array of subjects, experiences, emotions, and interior worlds. These poems summon quotidian encounters, sometimes conferring them with unexpected beauty, sometimes breathing new and sudden problems into them. O'Meara's sparse language lifts the veil on our human failings, the limits of our vision, and in so doing satisfies. – Archibald Lampman Award Judges

**See What Flowers** Shannon Mullen, 2017-05-23 All that remains is a note: Gone to get pancakes. Her 30th birthday party's over, yet it's the happiest Emma Watters has ever been. Life couldn't be more perfect. She's an emergency room doctor and shares a home in Toronto with the love of her life, Adam Davison. The next morning, Adam is gone. Emma's shocked. At first, she decides that Adam's having an affair and scavenges through photos on Facebook, trying to identify the other woman. But as the days pass, Emma seeks out help from the Toronto Police and floods social media with pleas for assistance. Where's Adam? Has her life become an episode of *Breaking Bad*? Has she been dating Walter White all along? Wild, beautiful, and terrifying, **See What Flowers** is a thrilling depiction of love's attempts to survive in the face of undiagnosed mental illness. Set in the hectic, cosmopolitan cities of Toronto and Vancouver, as well as against the harsh, rugged landscape of the Canadian Arctic, it's a raw and compelling journey towards understanding, forgiveness, and, ultimately, escape.

**Secret Ottawa** Laura Byrne Paquet, 2000 Most visitors to Ottawa don't see much more than a Mountie on Parliament Hill, the most famous items in the national museums, and the biggest hotels. But those who live in Ottawa know there's more to the city-much more. **Secret Ottawa** reveals a side of the capital that most visitors-and many locals-never see. Find out where you can spot a blue heron at sunrise, eat Sri Lankan string hoppers, buy armo

**Ottawa** Jeff Keshen, Nicole St-Onge, 2001-05-02 **Ottawa - Making a Capital** is a collection of 24 never-before published essays in English and in French on the history of Ottawa. It brings together leading historians, archeologists and archivists whose work reveals the rich tapestry of the city. Pre-contact society, French Canadian voyageurs, the early civil service, the first labour organizers and Jewish peddlers are among the many fascinating topics covered. Readers will also learn about the origins of local street names, the Great Fire of 1900, Ottawa's multicultural past, the demise of its streetcar system, Ottawa's transformation during the Second World War and the significance of federal government architecture. This book is an indispensable collection for those interested in local history and the history of Canada's capital.

**Ottawa Rewind: A Book of Curios and Mysteries** Andrew King, 2020-08-28 Andrew King is described on his Twitter account as artist and cartoonist. It is a self-deprecating description for someone whose work can indeed be found in some of the finest art collections in the country, and from time to time, on the comics page of the Ottawa Citizen or the Kitchissippi Times. Andrew is also a detective, which doesn't get mentioned as often, a history sleuth who loves to solve old mysteries. Where exactly is the first house built in Ottawa? Was there really a nuclear reactor once at Tunney's Pasture? And what in the world happened to Ottawa's once famous tiki bar at the Talisman Inn? Andrew has been seeking answers to questions like these since launching the popular website Ottawa Rewind in 2013. In Ottawa Rewind, Andrew has set out to find the location of shipwrecks in the Ottawa River, the playboy bunnies that once worked the Riverside Hotel in Vanier and every last Freemason or Knights Templar symbol built into Canada's Parliament Buildings. Ottawa Rewind: A Book of Curios and Mysteries is as much a mystery as a history book. Whimsical and well researched, it is the creative work of a restless and curious mind. Also the book that will finally tell you where an underground tunnel can be found in Ottawa.

How Ottawa Spends, 2010-2011 G. Bruce Doern, Christopher Stoney, 2010 Continuing the excellent standards and traditions of timely scholarship, the 2010-2011 edition of How Ottawa Spends critically examines national politics, priorities, and policies with emphasis on federal economic and social spending. Given the political and budgetary challenges posed by the recession, this year's instalment pays close attention to the growing fiscal deficit. Informed authors from across Canada examine recession-related policy fields, including the Canadian Banking system, new industrial policy pressures such as the automotive industry bailout, policies in science, technology, and innovation, and suggestions about how to resist the United States' buy America trade policies. The essays in this volume also consider Canada's national, regional, and political divisiveness, the impact of the dynamic Obama Administration on Canadian domestic affairs, and governance during a time of minority government.

**How Ottawa Spends, 1990-1991** Katherine A.H. Graham, 1990-05-15 This is the eleventh edition of How Ottawa Spends. Like previous editions, it focusses on particular departments and policy initiatives of the federal government. This year's edition also deals with some of the internal management issues that have emerged as important in the government's quest for efficiency and productivity. Beyond evaluating past actions, the book is intended to offer informed comment on prospects for the future in the areas it explores. This is the second edition since the re-election of a Conservative majority government in November 1988. We now have an opportunity to assess the direction of the second Tory agenda. It seems important to start this assessment by asking some very basic questions: Is there a discernible government agenda? To what extent can we see similarities and differences in the direction of Conservative initiatives when we compare their first and second terms? What accounts for any similarities and differences that emerge? What are the implications of the direction of government initiatives? These questions are given broad treatment in the book's first chapter, which focusses largely on the February 1990 Budget and the federal Estimates for the 1990-91 fiscal year. That analysis is intended to set the stage for the more specific discussions of the federal agenda which follow.

A Theatre Near You Alain Miguelez, 2004 Alain Miguelez has always been a movie buff; with rare investigative skills, he brings to light the whole story of every motion picture theatre that ever existed in the area of the nation's capital on both sides of the Ottawa River. Writing about these historic buildings and everything in them and everyone involved--from the moguls and ushers to the patrons and their communities--is a labour of love for Miguelez. You will meet the architects of these buildings and discover all the reasons why they built them as they did. Miguelez celebrates glittering opening nights in the movie palaces, along with the disasters that sometimes bring them down. You will share the enthusiasm and excitement of entrepreneurs who build dreams that fade with the changing times, and you will see the important roles played by TV and suburbia in the story of cinema in the nation's capital, as they do across the nation.--

*Ottawa and Empire* Tyler Shipley, 2018-04-04 In June 2009, the democratically elected president of

Honduras was kidnapped and whisked out of the country while the military and business elite consolidated a coup d'état. To the surprise of many, Canada implicitly supported the coup and assisted the coup leaders in consolidating their control over the country. Since the coup, Canada has increased its presence in Honduras, even while the country has been plunged into a human rights catastrophe, highlighted by the assassination of prominent Indigenous activist Berta Cáceres in 2016. Drawing from the Honduran experience, *Ottawa and Empire* makes it clear that Canada has emerged as an imperial power in the 21st century.

**Beyond Question Period** Roy Cullen, 2011-05-25 In *Beyond Question Period* you travel with a Canadian Member of Parliament and discover how challenging, yet exhilarating, the work of an MP can be. Running for election, debating and voting on bills, committee work, constituency work, representing Canada internationally, and speaking at a variety of events - this is just the beginning. How the role of an MP changes in a minority, or a majority government, or in opposition is described with living examples. The cut and thrust of politics in the raw is described for all to see.

**Lost from the Ottawa** Pun Plamondon, 2006-06 The story of a Native boy born in a mental hospital 1945, and adopted into a white world. Details his epic journey around the world, through drugs and prison and being the FBI's most-wanted fugitive as he searched for family and tribe.

**Rockin' On The Rideau** Jim Hurcomb, 2021-01-22 The music world exploded into Technicolor on February 9, 1964, when the Beatles appeared on the Ed Sullivan Show and ignited the music phenomenon dubbed "The British Invasion". In the weeks and months to come, hundreds, perhaps thousands, of Ottawa teenagers put away their hockey sticks and picked up guitars, starting up bands in basements and garages, with visions of screaming girls and stardom dancing in their heads. For some, that dream came true, in packed High School Gymnasiums, Church basements, bowling alleys and every other venue they could find. Groups were working three or four nights a week on both sides of the Ottawa River. The Esquires, The Staccatos, The Townsman, Don Norman and the Other Four and many others cut records that were as good as anything coming out of Britain or the States. DJ's Gord Atkinson, Nelson Davis and Al Pussycat Pascal make them stars by playing their records. Sandy Gardiner followed their exploits in his weekly teen column in the *Ottawa Journal*, and we checked out the weekly *Swing Set* to get the lowdown on the newest groups. From the day Elvis Presley came to town in 1957, to the release of The Five Man Electrical Band's mega-hit "Signs", we relive those memories with the bands, the clubs, the concerts and the colorful cast of characters who made it happen. Pull back the curtain on the magic of Ottawa's Golden Age of Rock and Roll",

**Mr. Smith Goes to Ottawa** David C. Docherty, 2011-11-01 In *Mr Smith Goes to Ottawa*, the author compares the 34th (1988-93) and the 35th (1993-97) Parliaments. The former, the second consecutive Conservative-led majority government, could not appear more different from the Liberal one which followed. Over two-thirds of its members were rookies. More significantly, over one-third represented two new political parties - the Bloc Quebecois and the Reform party. Yet, for all this change, Docherty shows that the new agendas of the 35th Parliament have not translated into changes in the legislative behaviour or socialization of new members. Unlike Jimmy Stewart in Washington, the majority of the men and women who go to Ottawa end up accepting a limited policy role.
