Sale of Goods in New Zealand Nicholas Wood, 2018-05-30

This work follows the scope of the sale of goods legislation and provides in-depth commentary and analysis of non-consumer sales between New Zealand businesses. It starts with an introduction, history and discussion of the scope of the legislation before moving into the mechanics of formation of the contract, and passing of property and risk. There are chapters specific to buyer's duties, seller's duties, buyer's remedies and seller's remedies, then the final chapter is an extensive discussion of international sale of goods involving New Zealand businesses. As an added feature there are comparative tables mapping sections of the repealed legislation to the new Act and vice versa. The value of the goods bought and sold each year in New Zealand that are potentially subject to the sale of goods legislation is enormous. *Sale of Goods in New Zealand* is a must-have purchase for commercial practitioners, academics and barristers and will ensure that you have the answers to even the most complicated challenges.

A Concise and Practical View of Conveyancing in New Zealand
Thomas Frederic Martin, 1901

Powers of Attorney in Australia and New Zealand Berna Collier, Shannon Lindsay, 1992 From a review in the Australian Law Journal: This book is a delightful surprise, for within its bare title the authors have covered the law concerning powers of attorney on both sides of the Tasman. The text is written in a clear and lucid fashion. It is well laid out, and provides in convenient form the texts of the relevant legislation applying throughout Australia and in New Zealand. It provides an accurate summary of the law as applying at the end of 1992. The index is unusually comprehensive, and the coverage of this area of law is thoroughly professional. It should prove to be a most useful text for practitioners in areas of company law, probate, and family law who will appreciate the specimen forms and clauses offered. It is so wide in its potential utility that (given its sensible price) it should be on every solicitor's bookshelf.

The New Zealand Journal of Agriculture , 1957

New Zealand Land Law , 2017 The third edition of New Zealand Land Law is a comprehensive treatment of all the major topics in this area of law. Written by a team of expert authors, the text provides both practical guidance and critical analysis of all the major topics in this area of law. It also discusses the key developments to the law that have occurred since the publication

of the 2nd edition in 2009 and provides up to date commentary on the land transfer and unit titles regimes. It also explores important changes that have occurred in relation to discrete areas of land law such as caveats, mortgages, sale of land and leases. For these reasons the book continues to be an invaluable reference work for conveyancers, legal executives, judges, students.--Publisher's description.

Selling a New Zealand Business with "no Regrets" Bruce McGechan,2021 Selling a business isn't a transaction. It is the start of the next stage of you and your spouse's life. It is the wealth that will help you achieve a successful retirement. And yet 4 out of 5 businesses do not sell. Of those that do sell, 75% of business owners profoundly regret their exit 12 months later. The business sale process is broken. Not just in New Zealand but around the world. In the US, a new process has been developed called exit planning. This process maximises the business value, and financially and personally prepares the business owner and family for retirement. This book applies this Exit Planning Institute

process to NZ business. It has two parts: 1) Exit Planning that prepares the business for sale; and 2) The business sale process. It also explains Valuation and the other Exit Options including Management Buyout, Family Transfer, Private Equity and Recapitalisation. It is the book every business owner should read before they exit their business.--Publisher description.

Gangland Jared Savage,2020-12-01 New Zealand's underworld of organised crime and deadly gangs 'The best true-crime book of the year by a long stretch.' - Steve Braunias, Newsroom 'A series of rip-snorting yarns about gangs, drugs, fancy cars, wads of cash, violence, and guns - Aotearoa New Zealand style.' - Simon Bridges New Zealand is now one of the most lucrative illicit drug markets in the world. Organised crime is about making money. It's a business. But over the past 20 years, the dealers have graduated from motorcycle gangs to Asian crime syndicates and now the most dangerous drug lords in the world - the Mexican cartels. In *Gangland*, award-winning investigative reporter Jared Savage shines a light into New Zealand's rising underworld of organised crime and violent gangs. The brutal execution of a husband-and-wife; the undercover cop who infiltrated a casino VIP lounge; the midnight fishing trip which led to the country's biggest cocaine bust; the gangster who shot his best friend in a motorcycle shop: these stories go behind the headlines and open the door to an invisible world - a world where millions of dollars are made, life is cheap, and allegiances change like the flick of a switch.
