*The 12 Week Year* Brian P. Moran,Michael Lennington,2013-05-15 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your year to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.

Make Art Every Day Katie Vernon,2017-12-26 Visualize your creative goals with To Do: Make Art Every Day life planner, then make them a reality. This 52-week calendar and sticker set, written and beautifully illustrated by artist Katie Vernon, guides aspiring artists as they learn about, plan for, engage in, and nurture their creative practice. Your art journey opens with guidance on basic hand lettering and writing techniques, mark-making in pencil, pen, and marker, working with color, and handling watercolor and acrylic paints. The weekly format makes it easy to start your creative year at any time. Each week offers 2 to 3 mini-exercises, and basic art techniques, like drawing a simple flower or painting a landscape in watercolor. Plus, this motivational planner includes 500 stickers to encourage you to Take Quiet Time, Make an Art Date, and Explore Something New--

**Do Less** Kate Northrup,2019-04-02 A practical and spiritual guide for working moms to learn how to have more by doing less. This is a book for working women and mothers who are ready to release the culturally inherited belief that their worth is equal to their productivity, and instead create a personal and professional life that's based

on presence, meaning, and joy. As opposed to focusing on fitting it all in, time management, and leaning in, as so many books geared at ambitious women do, this book embraces the notion that through doing less women can have--and be--more. The addiction to busyness and the obsession with always trying to do more leads women, especially working mothers, to feel like they're always failing their families, their careers, their spouses, and themselves. This book will give women the permission and tools to change the way they approach their lives and allow them to embrace living in tune with the cyclical nature of the feminine, cutting out the extraneous busyness from their lives so they have more satisfaction and joy, and letting themselves be more often instead of doing all the time. Do Less offers the reader a series of 14 experiments to try to see what would happen if she did less in one specific way. So, rather than approaching doing less as an entire life overhaul (which is overwhelming in and of itself), this book gives the reader bite-sized steps to try incorporating over 2 weeks!
