Drawing Out Your Soul Deborah Koff-Chapin, 1996-06 Deborah Koff-Chapin, the creator of SoulCards, shares the simple but profound drawing process through which she developed her soul-stirring imagery. This beautiful little book gives all the information needed to begin explorations with Touch Drawing. Numerous drawings by Deborah and her students illustrate both the primal power and childlike playfulness that can be experienced through Touch Drawing. In Touch Drawing, the fingers take the place of pen or paintbrush. Through this direct drawing process, even the least confident of artists finds interior images coming alive on the page. The images are formed through the pressure of fingers on paper that has been placed over an inked board. The hands become organic extensions of the soul, moving freely in response to the sensations of the moment. Many drawings can be created in one session, each a stepping-stone to the next, guiding one deeper and deeper into the self. In a medium as immediate and transparent as Touch Drawing, previously

Portals of Presence Deborah Koff-Chapin, 2020-11 Enter a deeper relationship with yourself and the world through the universal language of the human face. The images in this deck were selected from 20 years of work created in the presence of ancient trees, mountains, standing stones, temples, cathedrals, and human wisdom carriers from many lineages. Each face radiates a unique presence. Think of them as allies, nature spirits, beloveds, or visitors from subtle realms. Gaze deeply and explore your relationship with these beings. Rather than offer written meanings, the guidebook supports you to cultivate your own experience of the cards. It offers ways to select them, lay them out, and enliven them through creative processes. It also includes a digital download of a guided meditation with original music. Use it to hold sacred space while you work with the cards. *Portals of Presence* can be combined with SoulCards 1&2, each deck bringing a new dimension to the other.
