Open Blind Eyes Rachel Timothy, 2020-11-24 Open Blind Eyes brings you face to face with the reality of sex trafficking in America through the true story viewpoint of a girl from a small town. Rachel was only nine years old when she was first approached by a perpetrator who was known to her as a teacher and coach. She goes into detail of the process of being groomed and how the evil of what was happening to her in the dark remained unseen by everyone around her. She describes how she coped for so many years by blocking out the memories only to have them resurface when she was an adult with a family of her own. Rachel had no idea that when she would pursue justice it would end up putting her right back in the world of trafficking. It wasn't until her church family saw the signs and believed what she was saying that she was able to start the process of finding freedom. Rachel shows her faith and love of God during the highs and lows of her journey and she prays for each person who reads her story. That their eyes will be opened and their actions will lead us toward ending sex trafficking in our world.

Faith Is Not Blind Bruce C. Hafen, Marie K. Hafen, 2018-11-26

Open My Eyes, Lord Bevin Summey, 2012-11-27 "Jesus! Have mercy on me!" The blind beggar cried out these words to Jesus over two thousand years ago. And what did Jesus do? He healed the beggar's blindness! We may not all be physically blind, but we all are born spiritually blind. God does not want us to be in this state, and he offers to us a solution: grace, mercy, and salvation that will open our eyes to the truth of the world and ourselves. We cannot be healed from our "blindness" without the loving touch of Jesus. He longs to put His hand on our "eyes" and say, "Your faith has made you well." He cannot do this, though, unless you are willing to surrender to Him. As the beautiful song, "Amazing Grace" says, "I once was lost, but now I'm found. Was blind, but now I see." Are you willing to cry out, "Jesus! Have mercy on me"?

Open the Eyes of the Blind Tabitha Sheppard, 2018-08-11 Are you ready to stop blaming people and expose the real culprit causing the havoc in your life? 2 Corinthians 10:4 states, The weapons of our warfare are not carnal but mighty through God to the pulling down of strongholds. In order to succeed in this world, we must fight battles in the spirit and not the flesh. Things are never the way they look in the flesh, there is always a hidden agenda; and in order to expose that agenda and gain victory, we must expose the enemy! Open the Eyes of the Blind does exactly what the title says, it exposes Satan for the liar and manipulator that he is! The real life testimony of Tabitha Sheppard, Open the Eyes of the Blind recounts how God delivered her from a cycle of disappointment, defeat, sadness, hurt and bad relationships, and how He can do the same for you.

Blind Landings Erik M. Conway, 2006-11-04 When darkness falls, storms rage, fog settles, or lights fail, pilots are forced to make instrument landings, relying on technology and training to guide them through typically the most dangerous part of any flight. In this original study, Erik M. Conway recounts one of the most important stories in aviation history: the evolution of aircraft landing aids that make landing safe and routine in almost all weather conditions. Discussing technologies such as the Loth leader-cable system, the American National Bureau of Standards system, and, its descendants, the Instrument Landing System, the MIT-Army-Sperry Gyroscope microwave blind landing system, and the MIT Radiation Lab's radar-based Ground Controlled Approach system, Conway interweaves technological change, training innovation, and pilots' experiences to examine the evolution of blind landing technologies. He shows how systems originally intended to produce routine, all-weather blind landings gradually developed into routine instrument-guided approaches. Even so, after two decades of development and experience, pilots still did not want to place the most critical phase of flight, the landing, entirely in technology's invisible hand. By the end of World War II, the very concept of landing blind therefore had disappeared from the trade literature, a victim of

human limitations.

The Gospel According to John, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Overcoming Spiritual Blindness James P. Gills, 2005 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation. Such lack of recognition and appreciation for the Creator is spiritual blindness. Yet, the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look. Author Dr. James Gills, a world-renowned ophthalmologist with a deep love of the Bible, writes about spiritual blindness with stunning clarity and relevance. This book illustrates a powerful biblical theme, often repeated throughout the Scriptures: the analogy between the physical and the spiritual realms regarding blindness and sight. From Isaiah's vision of a day when God's Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light, and from the power of Satan to God. *Overcoming Spiritual Blindness* emphasizes the power and work of the Holy Spirit. What the surgeon does for cataracts that hinder sight in the physical eye, the Holy Spirit does for the cataracts of the heart. *Overcoming Spiritual Blindness* exposes obstructions to spiritual sight that cloud the lens of the soul. Such cataracts include pride, misguided concepts of money, preoccupation with work, distorted views of sex, and a critical spirit. The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness. The list of spiritual cataracts is vast and painfully relevant, highlighting the need for spiritual surgery to those who do not realize they are blind.
