Simon Birks

**The Ostrich Race** Simon Birks,2012-10-02 Gordon Paige, retired author, now lives alone, seven years after the death of his beloved wife, Brenda. She was his life, and now all he has to fill the long days are the trials of his children and 'The Ostrich Race', a competition that's been running in Brenda's family for well over a hundred years. But this year the Race is going to be different. This year, along with the regular players, there's another, anonymous participant, who seems to know an awful lot about the workings of the Race. Intrigued by this new entrant, Gordon sets out to track down their identity, little realising how much he will discover and just how much his life will change, as secret after secret is unearthed about a past, and a family, he thought he knew so well... 'The Ostrich Race' is a story about love and family; about the things that break us apart, and the things that bring us back together.

Ima & the Great Texas Ostrich Race Margaret Olivia McManis,2002 In 1892 on a Texas ranch, ten-year-old Ima Hogg rides her pet ostrich in a race against her brothers who are on horsback. Includes facts about the real Ima, daughter of Texas Governor James Stephen Hogg.

*Ostriches* Caroline Arnold,2000-01-08 Describes the physical characteristics, behavior, and life cycle of the ostrich.

Chickaboo the Runaway Ostrich Heidi Shamsuddin, Chickaboo the Ostrich lives in a lovely garden. She plays with the turkeys and sleeps with Siger, the Husky dog. But when Chickaboo grows bigger, the garden is no longer big enough for her. One day, she goes for an adventure on the main highway of Kuala Lumpur! On 16 June 2016, drivers on the Kuala Lumpur Federal Highway were surprised to see an ostrich running along the road. A video was uploaded onto the internet and overnight, Chickaboo the ostrich became a star. This book was inspired by the events of that day. Amused by the story, Lim Lay Koon drew a picture of the runaway ostrich and shared it on facebook. At the same time, Heidi Shamsuddin had started writing a story based on the ostrich. And Oyez!Books is proud to publish Chickaboo the Runaway Ostrich for all children to enjoy and for posterity!

*The Ostrich and Other Lost Things* Beth Hautala,2018-02-20 In this beautifully written novel, the bonds and challenges of caring for a sibling with autism are bravely explored, along with the pain and power that comes from self-discovery. Eleven-year-old Olivia Grant has a knack for finding lost things. She can find lost rings, pets, and even her elderly neighbor's misplaced glasses. There's only one thing Olivia has never been able to find--her

brother Jacob's toy ostrich. It wasn't until the day Jacob lost his ostrich that Olivia noticed how different he was: Jacob is autistic, and though she's his little sister, Olivia often feels like the older of the pair, his caretaker. And with her parents so heavily focused on maintaining status quo for Jacob, it's Olivia who has stagnated in his shadow--unable to explore new opportunities, or to be her own person. In fact, apart from being Jacob's sister, Olivia's not really sure who she is. So when summer break begins, and the local community theater announces auditions for an all children's production of her favorite show, Peter Pan, Olivia jumps at the chance to claim something for herself. But what begins as a promising opportunity and a wonderful escape quickly becomes pure chaos. The visiting zoo with an odd assortment of animals--including an ostrich that causes even more trouble than Jacob's missing toy--only make matters worse, as Olivia's summer is shaping up to be just as consumed by Jacob's needs as the rest of her life has been. In time, and with the help of some unlikely alliances, Olivia must learn what it means to be separate from her brother and still love him, how to love herself in spite of her own flaws, and that not all lost things are meant to be found. Praise for *The Ostrich and Other Lost Things*: The Ostrich and Other Lost Things is a delicate, warm, textured novel that explores the wonder, pain, envy, and intimacy of sibling relationships. Written with a huge dose of compassion and vulnerability, there is so much to love about the world Olivia and her brother Jacob inhabit. I lost myself in this wonderful world, and I know that Olivia herself wouldn't be able to find me.--Corey Ann Haydu, author of *The Someday Suitcase* and *Rules for Stealing Stars* Beth Hautala weaves a powerful tale about the challenges of having a sibling with autism. Olivia steals our heart as she tries to find what is lost and make her family whole again. *The Ostrich and Other Lost Things* is full of memorable characters, riveting moments, and surprising turns that add up to a very heartwarming and magical read. I loved it!--Dana Middleton, author of *The Infinity Year of Avalon* James A brave beautiful story. I loved this book.--Paul Acampora, author of *I Kill the Mockingbird* Hautala offers an emotionally adept story about love and understanding.--School Library Journal This is hands down the best book with an autistic character that I have ever read. I would recommend this title for those who enjoy books like *Wonder* (Knopf, 2012), *Out of My Mind* (Atheneum, 2010), and *The Running Dream* (Knopf, 2011). It has a wonderful plot that readers will love and teaches a lot about dealing with individuals who are diagnosed with autism. This is a must read!--School Library Connection A heartfelt story of sibling relationships, self-discovery, and unconditional love.--Voice of Youth Advocates While readers with neurodiverse siblings are the obvious audience for this, the anxieties Olivia expresses and her attempts to control outcomes will resonate with a much broader spectrum of tweens.—Bulletin of the Center for Children's Books

## Ostrich Run Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ostrich Run has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ostrich Run has opened up a world of possibilities. Downloading Ostrich Run provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ostrich Run has democratized

knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ostrich Run. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ostrich Run. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content.

When downloading Ostrich Run, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ostrich Run has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
