Anthea Peppin

Let's Paint! Gabriel Alborozo, 2014-04 Warm, vibrant and amusing, this is a joyous picture-book exploration of the messy and marvellous world of art. It will give every child the courage and inspiration to express their creativity.

Jackson Pollock Splashed Paint And Wasn't Sorry. Fausto Gilberti, 2019-06-15 A clever, charmingly quirky portrayal of painter Jackson Pollock – and the first in a series of picture-book biographies of contemporary artists Jackson Pollock was unlike any other painter. Instead of sitting in front of an easel with brushes, he poured paint over canvases rolled-out across the floor, moving, splashing, and making the vivid liquid run with energy and rhythm. Pollock's story is told here with wit and eccentricity, perfectly paired with black-line illustrations – and splatters galore. Fausto Gilberti brings movement, life, and whimsy to the true life story of one of the most important contemporary artists of our time.

Pigskins to Paintbrushes Don Tate, 2021-08-17 From acclaimed author and illustrator Don Tate, the rousing story of Ernie Barnes, an African American pro football player and fine artist He realized how football and art were one and the same. Both required rhythm. Both required technique. Passing, pulling, breaking down the field—that was an art. Young Ernie Barnes wasn't like other boys his age. Bullied for being shy, overweight, and uninterested in sports like boys were “supposed” to be, he instead took refuge in his sketchbook, in vibrant colors, bold brushstrokes, and flowing lines. But growing up in a poor, Black neighborhood during the 1930s, opportunities to learn about art were rare, and art museums were off-limits because of segregation laws. Discouraged and tired of being teased, Ernie joined the school football team. Although reluctant at first, he would soon become a star. But art remained in Ernie's heart and followed him through high school, college, and into the NFL. Ernie saw art all around him: in the dynamic energy of the game, the precision of plays, and the nimble movement of his teammates. He poured his passion into his game and his craft, and became famous as both a professional athlete and as an artist whose paintings reflected his love of the sport and celebrated Black bodies as graceful and beautiful. He played for the Baltimore Colts (1959-60), Titans of New York (1960), San Diego Chargers (1960-62), and the Denver Broncos (1963-64). In 1965, Barnes signed with the Saskatchewan Roughriders in Canada, but fractured his right foot, which ended his professional football career. Soon after, he met New York Jets owner Sonny Werblin, who was impressed by Barnes and his art. In 1966, Barnes had a debut solo exhibition in New York City, sponsored by Werblin at the Grand Central Art Galleries; all the paintings were sold. Barnes became so well-known as an artist that one of his paintings was featured in the opening credits of the TV show *Good Times*, and he was commissioned to create official posters for the Los Angeles 1984 Summer Olympics. From award-winning author and illustrator Don Tate, *Pigskins to Paintbrushes* is the inspiring story of Ernie Barnes, who defined himself on his own terms and pushed the boundaries of “possible,” from the field to the canvas. The back matter includes Barnes's photograph and his official Topps trading card. Also included are an author's note, endnotes, a bibliography, and a list of websites where Barnes's work can be seen.

Blood Water Paint Joy McCullough, 2018-03-06 Haunting ... teems with raw emotion, and McCullough deftly captures the experience of learning to behave in a male-driven society and then breaking outside of it.—The New Yorker I will be haunted and empowered by Artemisia Gentileschi's story for the rest of my life.—Amanda Lovelace, bestselling author of the princess saves herself in this one A William C. Morris Debut Award Finalist 2018 National Book Award Longlist Her mother died when she was twelve, and suddenly Artemisia Gentileschi had a stark choice: a life as a nun in a convent or a life grinding pigment for her father's paint. She chose paint. By the time she was seventeen, Artemisia did more than grind pigment. She was one of Rome's most talented painters, even if no one knew her name. But Rome in 1610 was a city where men took what they wanted from women, and in the aftermath of rape Artemisia faced another terrible choice: a life of silence or a life of truth, no matter the cost. He will not consume my every thought. I am a painter. I will paint. Joy McCullough's bold novel in verse is a portrait of an artist as a young woman, filled with the soaring highs of creative inspiration and the devastating setbacks of a system built to break her. McCullough weaves Artemisia's heartbreaking story with the stories of the ancient heroines, Susanna and Judith, who become not only the subjects of two of Artemisia's most famous paintings but sources of strength as she battles to paint a woman's timeless truth in the face of unspeakable and all-too-familiar violence. I will show you what a woman can do. ★A captivating and impressive.—Booklist, starred review ★Belongs on every YA shelf.—SLJ, starred review ★Haunting.—Publishers Weekly, starred review ★Luminous.—Shelf Awareness, starred review

Watching Paint Dry John Burbidge, 2012 John Burbidge has aimed his brush, roller, and spray gun at everything from ritzy mansions to trashy trailers. He's gone underground to paint sewage-treatment plants and risked death to paint factory ceilings. He has no doubt inhaled enough noxious dust and paint fumes to shorten his life. But he's not dead yet. And the captivating characters he has encountered along the way have more than offset the toils of painting for a living. Ex-cons, addicts, drifting college grads, even a guy with a hole in his head—that's your typical paint crew, bonded only by the fact that they're caught in a job society thinks is for simpletons. In *Watching Paint Dry*, John Burbidge scrapes beneath the surface of painting's reputation for monotony while intimately portraying the men and women who craft the backdrop to our civilization. Informative, funny, and sometimes heartbreaking . . . this is a book you will want to recommend to everyone you know. --Sharon Barrett, Chicago Sun-Times book critic for 28 years

Beeper Paints Carole Lexa Schaefer, 2001 This story is about how Beeper makes his home by painting all its different parts out of stardust, and where he goes when he is done.

The Village Children, an Introduction to the Art of Painting Children and Their Stories Marie Dubois, 2009 The book is both a children's story book and a craft book and is in two parts. The story book section contains short and longer stories for young children to read printed in both English and French. The craft section is an introduction to painting for the aspiring young artists. Part One - includes full colour illustrations of plates originally painted by hand on porcelain/china and canvas by Marie Dubois. On the opposite page the author has written stories both in English and French based on the theme of each plate. The stories have been translated to French to familiarise young children to a foreign language, especially now learning a second language has been added to the school curriculum. Part Two - is an introduction to the art of painting. The book gives brief instructions as to the materials required, basic techniques and painting principles that beginners will need to create some fine artistic tableau, as well as definitions of various brush strokes for beginners to practice, so that they can achieve their own fine art work. The Book also includes line work for each plate design, which can be traced on to any painting material. It is hoped that the artwork contained in this volume will inspire other painters to produce similar pieces of work. The designs require a great deal of careful creative attention. All drawings and colours on the designs have a distinctive style particularly the characteristic figures, old fashion costumes and hats. The book is not only for children to read or parents to read to their children, but is also for painters, art teachers and others who

might be interested in creating this fine art and will have reason to feel proud of their own achievements.
