

Paramus New Jersey

Frances A. Johnson Westervelt

Paramus Thalia Goulis and Marc Jablonski,2015-02-02 Located in central Bergen County, the vibrant borough of Paramus has been home to many people and cultures. Today, this suburb of New York City is a nationally distinguished shopping destination, but less than a century ago, it was almost entirely farmland. The Sprout Brook, which still runs alongside Route 17, divided the area into two distinct farming regions, one of which was responsible for the town's reputation as the Celery Capital of the World. In 1922, Paramus branched off from Midland Township, transforming into its own prosperous community. An attraction at that time was the Bergen Pines Hospital, which initially put the town on the map. Other local attractions included the Arcola Amusement Park, eventually lost to a fire, as well as Paramus Lanes and the Paramus Skating Rink. In 1957, the Garden State Plaza opened, and by 1961, it had become one of the largest shopping malls in the country. Paramus showcases the rich community heritage of this Bergen County borough.

The Complete Illustrated Book of Development Definitions Harvey S. Moskowitz,Carl G. Lindbloom,David Listokin,Richard Preiss,Dwight Merriam,2017-07-05 The latest edition of The Illustrated Book of Development Definitions breaks new ground. It addresses traditional and new planning problems: natural and industrial disasters such as hurricanes and oil spills; new housing types and living accommodations; changes in urban design and practice like new urbanism; sustainability; pedestrian and bicycle friendly environments; and more. Joining Harvey S. Moskowitz and Carl G. Lindbloom, authors of the first three editions, are two prominent, nationally known planners: David Listokin and Richard Preiss. Attorney Dwight H. Merriam adds legal annotations to almost all 2,276 definitions. These citations from court decisions bridge the gap between land use theory and real world application, bringing a new dimension to this edition. More than 20,000 copies of previous editions were sold over four decades to professionals and government representatives, such as members of planning and zoning boards and municipal governing bodies. This first revision in ten years updates what is widely acknowledged as an essential, standard reference for planners.

Bamberger's: New Jersey's Greatest Store Michael J. Lisicky,2016 For almost one hundred years, generations of New Jersey customers flocked to Bamberger's. From its grand Newark flagship to numerous suburban locations, the store was hailed for its myriad quality merchandise and its dedicated staff. Its promotional events were the highlight of every season, from the Thanksgiving Parade to elaborate Christmas festivals featuring celebrities such as Bob Hope, Carol Channing and Jerry Lewis. Though the once mighty flagship closed in 1992, Bamberger's is still fondly remembered as a retail haven. With vintage photographs, interviews with store insiders and favorite recipes, nationally renowned department store historian and New Jersey native Michael J. Lisicky brings the story of New Jersey's Greatest Store back to life.

Two Truths and a Lie Ellen McGarrah,2022-08-16 EDGAR AWARD FINALIST • A private investigator revisits the case that has haunted her for decades and sets out on a deeply personal quest to sort truth from lies. CLUE AWARD FINALIST • “[A] haunting memoir, which also unfolds as a gripping true-crime narrative . . . This is a powerful, unsettling story, told with bracing honesty and skill.”—The Washington Post A New York Times Book Review Editors’ Choice • One of Marie Claire’s Ten Best True Crime Books of the Year Ellen McGarrah was a young journalist for The Miami Herald in 1990 when she witnessed the botched execution of convicted killer Jesse Tafero: flames and smoke and three jolts of the electric chair. When evidence later emerged casting doubt on Tafero’s guilt, McGarrah found herself haunted by his fiery death. Had she witnessed the execution of an innocent man? Decades later, McGarrah, now a successful private investigator, is still gripped by the mystery and infamy of the Tafero case, and decides she must investigate it herself. Her quest will take her around the world and deep into the harrowing heart of obsession, and as questions of guilt and innocence become more complex, McGarrah discovers she is not alone in her need for closure. For whenever a human life is taken by violence, the reckoning is long and difficult for all. A rare and vivid account of a private investigator’s real life and a classic true-crime tale, Two Truths and a Lie is ultimately a profound meditation on truth, grief, complicity, and justice.

New Jersey Noir Jonathan Safran Foer,Bradford Morrow,Bill Pronzini,Robert Pinsky,Edmund White,S. J. Rozan,2011-11-01 Discover the darker side of the Garden State with this anthology of gritty mystery stories. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each volume is compromised of all-new stories, each one set in a distinct location within the geographical area of the book. In New Jersey Noir, a star-studded cast of authors sifts through the hidden dirt of the Garden State. Featuring brand-new stories (and a few poems) by Joyce Carol Oates, Jonathan Safran Foer, Robert Pinsky, Edmund White &

Michael Carroll, Richard Burgin, Pulitzer Prize–winner Paul Muldoon, Sheila Kohler, C.K. Williams, Gerald Stern, Lou Manfredo, S.A. Solomon, Bradford Morrow, Jonathan Santlofer, Jeffrey Ford, S.J. Rozan, Barry N. Malzberg & Bill Pronzini, Hirsh Sawhney, and Robert Arellano. Praise for New Jersey Noir “Oates’s introduction to Akashic’s noir volume dedicated to the Garden State, with its evocative definition of the genre, is alone worth the price of the book . . . Highlights include Lou Manfredo’s “Soul Anatomy,” in which a politically connected rookie cop is involved in a fatal shooting in Camden; S.J. Rozan’s “New Day Newark,” in which an elderly woman takes a stand against two drug-dealing gangs; and Jonathan Santlofer’s “Lola,” in which a struggling Hoboken artist finds his muse . . . Poems by C.K. Williams, Paul Muldoon, and others—plus photos by Gerald Slota—enhance this distinguished entry.” —Publishers Weekly “It was inevitable that this fine noir series would reach New Jersey. It took longer than some readers might have wanted, but, oh boy, was it worth the wait . . . More than most of the entries in the series, this volume is about mood and atmosphere more than it is about plot and character . . . It should go without saying that regular readers of the noir series will seek this one out, but beyond that, the book also serves as a very good introduction to what is a popular but often misunderstood term and style of writing.” —Booklist, Starred Review “A lovingly collected assortment of tales and poems that range from the disturbing to the darkly humorous.” —Shelf Awareness

The Acid Watcher Diet Jonathan Aviv, MD, FACS,2017-01-24 Dr. Aviv guides readers through healthy dietary choices with targeted recipes, helping them balance their bodies and minds for optimal health and break acid-generating habits for good. Do you suffer from abdominal bloating; a chronic, nagging cough or sore throat; postnasal drip; a feeling of a lump in the back of your throat; allergies; or shortness of breath? If so, odds are that you are experiencing acid reflux without recognizing its silent symptoms, which can lead to serious long-term health problems, including esophageal cancer. In *The Acid Watcher Diet*, Dr. Jonathan Aviv, a leading authority on the diagnosis and treatment of acid reflux disease, helps readers identify those often misunderstood symptoms while providing a proven solution for reducing whole-body acid damage quickly and easily. His 28-day program is part of a two-phase eating plan, with a healthy balance of both macronutrients (proteins, carbs, and fats) and micronutrients (vitamins, minerals, antioxidants), that works to immediately neutralize acid and relieve the inflammation at the root of acid reflux.

Coach K Ian O'Connor,2022-02-22 The definitive biography of college basketball’s all-time winningest coach, Mike Krzyzewski Mike Krzyzewski, known worldwide as “Coach K,” is a five-time national champion at Duke, the NCAA’s all-time leader in victories with nearly 1,200, and the first man to lead Team USA to three Olympic basketball gold medals. Through unprecedented access to Krzyzewski’s best friends, closest advisers, fiercest adversaries, and generations of his players and assistants, three-time New York Times bestselling author Ian O’Connor takes you behind the Blue Devil curtain with a penetrating examination of the great, but flawed leader as he closes out his iconic career. Krzyzewski built a staggering basketball empire that has endured for more than four decades, placing him among the all-time titans of American sport, and yet there has never been a defining portrait of the coach and his program. Until now. O’Connor uses scores of interviews with those who know Krzyzewski best to deliver previously untold stories about the relationships that define the venerable Coach K, including the one with his volcanic mentor, Bob Knight, that died a premature death. Krzyzewski was always driven by an inner rage fueled by his tough Chicago upbringing, and by the blue-collar Polish-American parents who raised him to fight for a better life. As the retiring Coach K makes his final stand, vying for one more ring during the 2021-2022 season before saying goodbye at age 75, O’Connor shows you sides of the man and his methods that will surprise even the most dedicated Duke fan.

All Who Go Do Not Return Shulem Deen,2015-03-24 A moving and revealing exploration of ultra-Orthodox Judaism and one man's loss of faith Shulem Deen was raised to believe that questions are dangerous. As a member of the Skverers, one of the most insular Hasidic sects in the US, he knows little about the outside world—only that it is to be shunned. His marriage at eighteen is arranged and several children soon follow. Deen's first transgression—turning on the radio—is small, but his curiosity leads him to the library, and later the Internet. Soon he begins a feverish inquiry into the tenets of his religious beliefs, until, several years later, his faith unravels entirely. Now a heretic, he fears being discovered and ostracized from the only world he knows. His relationship with his family at stake, he is forced into a life of deception, and begins a long struggle to hold on to those he loves most: his five children. In *All Who Go Do Not Return*, Deen bravely traces his harrowing loss of faith, while offering an illuminating look at a highly secretive world.

The Architecture of Bergen County, New Jersey T. Robins Brown,Schuyler Warmflash,2000 The Architecture of Bergen County, New Jersey presents an accessible overview of the county's architectural heritage and its historic structures. The volume explores the styles, trends, and events that influenced the design and setting of the region's buildings. More than 150 photos document Bergen County's architectural treasures, generating awareness and appreciation for these structures and their history. The Architecture of Bergen County, New Jersey demonstrates the close association between architectural development at the national and local levels, and shows how social, technological, and political changes occurring within the county have been reflected in the building types and styles of the area.
