Based on the author's global speaking and consulting engagements, Relationship Economics reveals that success comes from investing in people for extraordinary returns. This revised and updated version explains the three major types of relationships—personal, functional, and strategic—and how to focus each to fuel enterprise growth. It introduces new concepts in relationship management, including the exchange of Relationship Currency, the accumulation of Reputation Capital, and the building of Professional Net Worth. David Nour is the definitive expert on strategic relationships. He has captured practical, pragmatic, and timely insights in Relationship Economics and has been a valuable resource to my sales transformation efforts. —RANDY SEIDL, Senior VP, Enterprise Servers, Storage and Networking, Americas, HP Although many understand the importance of relationships, the quantifiable and strategic values of relationships are often underemphasized. David Nour has done just that inRelationship Economics. —CRAIG LEMASTERS, President and CEO, Assurant Solutions If a man is judged by the company he keeps, David Nour's Relationship Economics provides a systematic approach to building value in that judgment.
