On a Personal Note - a Guide to Writing Notes with Style

Angela Ensminger, Keely Chace, 2005 In a thorough, friendly, and to the point style, authors Angela Ensminger and Keely Chace tell you all you need to know and include sample notes, idea starters, tips, tricks, inspiration, plus lists of useful words and phrases.

A Gentleman Pens a Note John Bridges, Bryan

Curtis, 2003-05-15 A gentleman knows the importance of effectively expressing, in three or four sentences, his thanks for a gift or for a job interview, conveying his sympathy, or saying he is sorry. *A Gentleman Pens a Note* takes away the fear and discomfort a man experiences when faced with the task of writing a note by giving instruction and example in the proven style of the other GentleManners books. *A Gentleman Pens a Note* contains examples of more than 40 different handwritten notes, as well as sentences to avoid. It also includes aphorisms and sidebars on subjects such as stationery, pens, and pre-printed notes. A gentleman does not expect a response when he has sent a thank-you note (or even a thank-you gift). A gentleman knows that words such as Thank You, Congratulations, or With sympathy, will mean a great deal more written in his own hand than when gold-embossed by a printer.

The Bear Andrew Krivak, 2020-02-11 From National Book

Award in Fiction finalist Andrew Krivak comes a gorgeous fable of Earth's last two human inhabitants, and a girl's journey home In an Edenic future, a girl and her father live close to the land in the shadow of a lone mountain. They possess a few remnants of civilization: some books, a pane of glass, a set of flint and steel, a comb. The father teaches the girl how to fish and hunt, the secrets of the seasons and the stars. He is preparing her for an adulthood in harmony with nature, for they are the last of humankind. But when the girl finds herself alone in an unknown landscape, it is a

bear that will lead her back home through a vast wilderness that offers the greatest lessons of all, if she can only learn to listen. A cautionary tale of human fragility, of love and loss, *The Bear* is a stunning tribute to the beauty of nature's dominion. Andrew Krivak is the author of two previous novels: *The Signal Flame*, a Chautauqua Prize finalist, and *The Sojourn*, a National Book Award finalist and winner of both the Chautauqua Prize and Dayton Literary Peace Prize. He lives with his wife and three children in Somerville, Massachusetts, and Jaffrey, New Hampshire, in the shadow of Mount Monadnock, which inspired much of the landscape in *The Bear*.

TouchPoints Douglas Conant, Mette Norgaard, 2011-04-12 A fresh, effective, and enduring way to lead—starting with your next interaction Most leaders feel the inevitable interruptions in their jam-packed days are troublesome. But in *TouchPoints*, Conant and Norgaard argue that these—and every point of contact with other people—are overlooked opportunities for leaders to increase their impact and promote their organization's strategy and values. Through previously untold stories from Conant's tenure as CEO of Campbell Soup Company and Norgaard's vast consulting experience, the authors show that a leader's impact and legacy are built through hundreds, even thousands, of interactive moments in time. The good news is that anyone can develop TouchPoint mastery by focusing on three essential components: head, heart, and hands. *TouchPoints* speaks to the theory and craft of leadership, promoting a balanced presence of rational, authentic, active, and wise leadership practices. Leadership mastery in the smallest and otherwise ordinary moments can transform aimless activity in individuals and entropy in organizations into focused energy—one magical moment at a time.

History on a Personal Note Binnie Kirshenbaum, 2009-01-09 From New York City to the former East Germany, from rural Virginia to affluent suburbia, the characters in these short stories

grapple with love, loss, greed, perversion, and other awful truths as they try to transcend their limitations with occasional humor and dignity. In *History on a Personal Note*, Lorraine, a Southerner, wonders if her German paramour will find the inspiration to leave his wife amidst the destruction of the Berlin Wall. In *Viewing Stacy from Above*, a pregnant woman descends into a pit of despair as she contemplates the constraints of motherhood. In *Money Honey*, a young adulteress who ditches her husband is reprimanded by an extended family of elders whose morals are even more dubious than her own. Contemplative, allegorical, and witty, *History on a Personal Note* takes us into a world laced with black humor and makes us laugh -- until it hurts.

(Elizabeth Kolbert, author of *The Sixth Extinction*). “Hope Jahren is the voice that science has been waiting for.” —Nature Hope Jahren is an award-winning scientist, a brilliant writer, a passionate teacher, and one of the seven billion people with whom we share this earth. She explains the current and projected consequences of global warming—from superstorms to rising sea levels—and the actions that we all can take to fight back. At once an explainer on the mechanisms of global change and a lively, personal narrative given to us in Jahren’s inimitable voice, *The Story of More* is “a superb account of the deadly struggle between humanity and what may prove the only life-bearing planet within ten light years (E. How to Take Smart Notes Sönke Ahrens, 2022-03-11 This is the second, revised and expanded edition. The first edition was published under the slightly longer title *How to Take Smart Notes*.

One Simple Technique to Boost Writing, Learning and Thinking - for Students, Academics and Nonfiction Book Writers. The key to good and efficient writing lies in the intelligent organisation of ideas and notes. This book helps students, academics and other knowledge workers to get more done, write intelligent texts and learn for the long run. It teaches you how to take smart notes and ensure they bring you and your projects forward. The Take Smart Notes principle is based on established psychological insight and draws from a tried and tested note-taking technique: the Zettelkasten. This is the first comprehensive guide and description of this system in English, and not only does it explain how it works, but also why. It suits students and academics in the social sciences and humanities, nonfiction writers and others who are in the business of reading, thinking and writing. Instead of wasting your time searching for your notes, quotes or references, you can focus on what really counts: thinking, understanding and developing new ideas in writing. Dr. Sönke Ahrens is a writer and researcher in the field of education and social science. He is the author of the award-winning book "Experiment and Exploration: Forms of World Disclosure" (Springer). Since its first publication, How to Take Smart Notes has sold more than 100,000 copies and has been translated into seven languages.

Lay It Down Bill Tell, 2015 There's Good News for the Weary Call it burnout, a spiritual breakdown, or a personal crisis, the toll of Bill Tell's decades of successful ministry finally caught up with him. Incapacitated and depressed, he found that the road to recovery began at the cross. To his delight, healing opened new freedoms as he embraced the gospel in new ways. Lay It Down: Living in the Freedom of the Gospel is a bold declaration of the overwhelming grace of God. More than merely saving us in our sin, by grace God delivers us from it, making us new creations and treating us accordingly--no matter what. For a generation of Christians who have learned a gospel of performance and striving, Lay It Down offers the good news of the grace that is already ours in Christ.

Searching ... Carol Schaefer, 2014-03-19 How do we find ourselves again after the soul-shattering experience of surrendering a child to adoption? What does our journey toward healing mean for our families and loved ones, for society and most of all for our children and their adoptive family? Searching ..., Carol Schaefer's sequel to her acclaimed memoir, *The Other Mother: A Woman's Love for the Child She Gave Up for Adoption*, not only takes the reader through the complex challenges of integrating her son and his adoptive family with her own over the

twenty-seven years since their reunion, she also draws on extensive research as well as the stories of others to offer guidance and hope for creating enriching relationships after reunion. Woven within the narrative is Schaefer's remarkable creative journey from overcoming her fears of publicly telling her story, through the book's writing and publication, to the experience of the NBC movie version airing before an audience of 25 million viewers - thirty years after she was hidden away in a home for unwed mothers to conceal her "disgraceful" secret. Carol Schaefer is a gifted and eloquent writer. *Searching ...* is one person's story, but it gives us a lens with which to see the complexity and challenges that adoption brings to everyone that it touches. This book should be required for all who live and work in the world of adoption. Dr. Joyce Maguire Pavao, Lecturer in Psychiatry, Harvard Medical School and Founder and Director of Riverside After Adoption Consulting and Training "Carol Schaefer's new book is wonderfully written and genuinely important. It is certainly about adoption, but it is much more than that; it transcends one person's journey to provide insights into the human experience." Adam Pertman, Author of *Adoption Nation* and President of the Donaldson Adoption Institute *Searching ...* is an exciting new book, and the title is appropriate on many levels. The author gives wonderful insight into the expectations and misunderstandings that derail reunions. Not only do we need to keep searching for ways to make reunions gratifying for everyone concerned, but we would also do well to follow Carol's example of finding meaning in what we do. I highly recommend this book to everyone in the adoption community and beyond. Nancy Verrier, MFT, Author of *The Primal Wound* and *Coming Home to Self*

In the Middle of the Mess Sheila Walsh, 2017-11-07 How do you turn your struggles into strengths? Beloved Bible teacher Sheila Walsh teaches readers how the daily spiritual practices of confession, meditation on God's Word, and prayer result in fresh

freedom in Christ. In her long-awaited book, Sheila Walsh equips women with a practical method for connecting with God's strength in the midst of struggle. From daily frustrations that can feel like overwhelming obstacles to hard challenges that turn into rock-bottom crises, women will find the means to equip themselves for standing strong with God. Using the spiritual applications of confession, prayer, and meditation on Scripture to form a daily connection to Jesus, women will learn how to experience new joy as a child of God who is fully known, fully loved, and fully accepted. In *In the Middle of the Mess*, Walsh reveals the hardened defenses that kept her from allowing God into her deepest hurts and shares how entering into a safe place with God and practicing this daily connection with him have saved her from the devil's prowling attacks. Though we will never be completely "fixed" on earth, we are continually held by Jesus, whatever our circumstances. Sheila Walsh acts as our guardian in *In the Middle of the Mess* as she shows us we're not alone in our struggles, guides us through a courageous journey of self-discovery, and reminds us where to find hope, comfort, and strength in tough times.
