**I'll Drink to That** Betty Halbreich,2014-09-04 Betty Halbreich is a true original. Now in her eighties, she has spent nearly forty years at the luxury store Bergdorf Goodman, working with socialites, stars and ordinary women. She has led many to appreciate their real selves through clothes, frank advice and her unique brand of wisdom; she is trusted by the most discriminating persons - including Hollywood's top stylists - to tell them what looks best. But her own transformation from cosseted girl to fearless truth-teller is the greatest makeover of all. Born into a successful Chicago family, aged twenty Betty married dashing Sonny Halbreich and came to Manhattan, where the couple threw themselves into a whirlwind of long hours, cocktails and Park Avenue parties, living the high life in 1950s New York. However, the marriage began to fray and after two decades came undone completely. Bereft, Betty attempted suicide. As she embarked on the frightening process of reclaiming herself, she was offered a lifeline: a job at Bergdorf Goodman. For Betty, with her innate sense of style and craftsmanship, it was a perfect fit. Hardworking, elegant, and gifted with sparkling wit and razor-sharp powers of observation, in her amazing life story as in her style guidance Betty Halbreich is never afraid to tell it straight.

Everything Is Cinema Richard Brody,2008-05-13 When Jean-Luc Godard, exemplary director of the French New Wave, wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Among the greatest cinematic innovations, Godard's films shift fluidly from fiction to documentary, from criticism to art. Similarly, his persona projects shifting images - cultural hero, impassioned loner, shrewd businessman. Hailed by filmmakers as a - if not the - key influence, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In Everything is Cinema, critic Richard Brody has amassed hundreds of interviews with friends, family, and collaborators to demystify the elusive director and paint the fullest picture yet of his life and work. Paying as much attention to Godard's revolutionary technical inventions as to the political and emotional forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless* and *Contempt*, to the grand vision of his later years. He vividly depicts Godard's wealthy, conservative family, his fluid and often disturbing politics, his tumultuous dealings with fellow filmmakers, and his troubled relations with women.--Jacket.
