Our Mayflower Ancestors and Their Descendants Jocelyn Hart Faux, 1994 Lydia Ann Beebe (1844-1922) was born in Evans, New York to William Albert Beebe (1813-1884) and Louisa Newton (1817-1886). She was a direct descendant of Elizabeth Tilley (1607-1687) and John Howland (1592-1673) who were members of the Mayflower Company. Lydia's family joined the LDS Church and eventually settled in Utah where Lydia was married in 1860 to William Jasper Howell (1842-1880) who was born in Yorkville, Tennessee. Shortly after their wedding they moved to Franklin, Idaho to help settle that region. They were the parents of twelve children. Their many descendants live in Idaho, Utah, California and other parts of the United States.

Introduction to Corrections Robert D. Hanser, 2016-01-04 The Second Edition of Introduction to Corrections provides students with a strong, comprehensive foundation in the field of corrections using modern research, theoretical origins, and practical application. Designed for introductory corrections courses, this text uniquely illustrates how the day-to-day practitioner conducts business in the field of corrections, in both the institutional and community settings. Experienced correctional practitioner, scholar, and author, Robert D. Hanser shows students how the corrections system actually works, from classification, to security, to treatment, to demonstrating how and why correctional practices are implemented.

Rage Bob Woodward, 2021-09-14 An account of the Trump presidency draws on interviews with firsthand sources, meeting notes, diaries, and confidential documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest.

Burcham, Householder, Green and Stewart, 1430 to 1995 Helen Burcham Green, 1995 Genealogy of Joseph Franklin Burcham and his wife Rosella Householder who lived in Washington.

Introduction to Criminal Justice Brian K. Payne, Willard M. Oliver, Nancy E. Marion, 2015-08-04
Introduction to Criminal Justice: A Balanced Approach provides students with engaging, comprehensive, and up-to-date coverage of all aspects of the criminal justice system. Esteemed authors Brian K. Payne, Willard M. Oliver, and Nancy E. Marion explore criminal justice from a student-centered perspective by presenting research-driven material in an accessible, clear, and succinct writing style. Two unique chapters on Perspectives on Crime and Criminal Justice Research and Crime Typologies provide students with the foundational knowledge that they need to be critical thinkers and active participants within their chosen field. Students are encouraged to imagine themselves in specific criminal justice situations and decide how they would respond to the situation with a balanced and effective solution. By exploring criminal justice from a balanced perspective with an issues-oriented approach, students will understand how decision-making is critical to the criminal justice process. In particular, students will come to appreciate how their own future careers will be shaped by the decisions they make.

A Field Guide to Fossils of Texas Charles Finsley, 1999-06 A Field Guide to Fossils of Texas is the only definitive guide that presents a collection of the state's most common fossils and also shows the most important, noteworthy, and unusual specimens.

Exploring Polar Frontiers [2 volumes] William James Mills, 2003-12-11 Covers the entire history of Arctic and Antarctic exploration, from the voyage of Pytheas ca. 325 B.C. to the present, in one convenient, comprehensive reference resource. Exploring Polar Frontiers: A Historical Encyclopedia is the only reference work that provides a comprehensive history of polar exploration from the ancient period through the present day. The author is a noted polar scholar and offers dramatic accounts of all major explorers and their expeditions, together with separate exploration histories for specific

islands, regions, and uncharted waters. He presents a wealth of fascinating information under a variety of subject entries including methods of transport, myths, achievements, and record-breaking activities. By approaching polar exploration biographically, geographically, and topically, Mills reveals a number of intriguing connections between the various explorers, their patrons and times, and the process of discovery in all areas of the polar regions. Furthermore, he provides the reader with a clear understanding of the intellectual climate as well as the dominant social, economic, and political forces surrounding each expedition. Readers will learn why the journeys were undertaken, not just where, when, and how.

Arkansas History for Young People (Teacher's Edition) Shay E. Hopper,T. Harri Baker,Jane Browning,2008-07-01 Once again, the State of Arkansas has adopted An Arkansas History for Young People as an official textbook for middle-level and/or junior-high-school Arkansas-history classes. This fourth edition incorporates new research done after extensive consultations with middle-level and junior-high teachers from across the state, curriculum coordinators, literacy coaches, university professors, and students themselves. It includes a multitude of new features and is now full color throughout. This edition has been completely redesigned and now features a modern format and new graphics suitable for many levels of student readers.

Bulletin of the Pan American Union Pan American Union,1937

Curry Lizzie Collingham, 2006-02-06 Curry serves up a delectable history of Indian cuisine, ranging from the imperial kitchen of the Mughal invader Babur to the smoky cookhouse of the British Raj. In this fascinating volume, the first authoritative history of Indian food, Lizzie Collingham reveals that almost every well-known Indian dish is the product of a long history of invasion and the fusion of different food traditions. We see how, with the arrival of Portuguese explorers and the Mughal horde, the cooking styles and ingredients of central Asia, Persia, and Europe came to the subcontinent, where over the next four centuries they mixed with traditional Indian food to produce the popular cuisine that we know today. Portuguese spice merchants, for example, introduced vinegar marinades and the British contributed their passion for roast meat. When these new ingredients were mixed with native spices such as cardamom and black pepper, they gave birth to such popular dishes as biryani, jalfrezi, and vindaloo. In fact, vindaloo is an adaptation of the Portuguese dish carne de vinho e alhos--the name vindaloo a garbled pronunciation of vinho e alhos--and even curry comes from the Portuguese pronunciation of an Indian word. Finally, Collingham describes how Indian food has spread around the world, from the curry houses of London to the railway stands of Tokyo, where karee raisu (curry rice) is a favorite Japanese comfort food. We even visit Madras Mahal, the first Kosher Indian restaurant, in Manhattan. Richly spiced with colorful anecdotes and curious historical facts, and attractively designed with 34 illustrations, 5 maps, and numerous recipes, Curry is vivid, entertaining, and delicious--a feast for food lovers everywhere.

Introduction to Criminology Frank E. Hagan, Leah E. Daigle, 2019-01-02 This is one of the best texts I have seen in a while...It makes the world of criminology less daunting and more relevant. —Allyson S. Maida, St. John's University Introduction to Criminology, Tenth Edition, is a comprehensive introduction to the study of criminology, focusing on the vital core areas of the field—theory, method, and criminal behavior. With more attention to crime typologies than most introductory texts, Hagan and Daigle investigate all forms of criminal activity, such as organized crime, white collar crime, political crime, and environmental crime. The methods of operation, the effects on society and policy decisions, and the connection between theory and criminal behavior are all explained in a clear, accessible manner. A Complete Teaching & Learning Package

Report DD. United States. Dams Branch, 1968

Tiger Susie Green, 2006-09-15 Contrary to popular belief, it is the tiger, not the lion, who is the true king of the jungle. A male tiger can grow to eleven feet in length and weigh more than 650 pounds. Sleek, powerful, and mysterious, the tiger is revered as a potent symbol of sexuality and ferocity in many cultures around the world. Yet the tiger's strength and beauty has also been its downfall—nearly every part of the tiger has a value to poachers, including the animal's hide, teeth, bones, and even sexual organs. With Tiger, author Susie Green explores the tiger's new status as both predator and prey. She also examines the tiger's rich cultural history, from its valued position in Taoist mythology and the Chinese Zodiac, to more recent interpretations of the tiger's prowess in the work of Salvador Dalí. Smart, readable, and lushly illustrated, Tiger will appeal to the wide audience that admires this wonderfully vital yet highly endangered species.

Empire and Art Renate Dohmen, 2018-07-01 The book examines the interactions between Britain

and India during the Raj in relation to issues of empire and visual culture. It explores the impact of the Anglo-Indian colonial encounter on the arts and aesthetic traditions of both cultures. Presenting a unique overview that ranges from painting, print-making and photography to architecture, exhibitions and Indian crafts, the book considers the art of urban elites and princely states alongside popular arts. The book highlights the key role of art in forging British colonial ideology. It offers accessible discussions of issues such as Orientalism and (post)colonialism and presents current approaches to questions of British art and empire. It is structured around visual examples which include early nineteenth-century British views of India, Indian negotiations of Western aesthetics represented by Company painting, Kalighat art, and the rise of Indian national art. It covers the display of Indian crafts both in India and at international exhibitions in Britain, as well as the place of India in the British Arts and Crafts movement. The role of the market and items of fashion such as the Kashmir shawl are also discussed, along with the role of photography in representing the colony and questions around national and imperial architecture. The book is aimed at students but will also be relevant to members of the general public with an interest in questions of art, visual culture and empire in relation to Britain and British India.

Annual Report of the Bureau of Mines Ontario. Bureau of Mines, 1909

Special Edition Using MAC OS X Brad Miser, 2003 From using the basic features of Mac OS X and its applications, working with multimedia, the Internet, and peripherals to administering mixed networks, this book provides readers with the information they need to become savvy on Mac OS X, version 10.2. Topic selection focuses on the practical rather than the theoretical. The information in the book is designed to be applicable in regular, daily use of the Mac to accomplish specific tasks with the theme of learn by doing. This updated edition of Special Edition Using Mac OS X reflects the major

update version 10.2 represents. Updated coverage includes new and revised interfaces, additional email security features, better Mac-to-Windows networking, Bluetooth-enabled mobile computing, new and revised applications (iPhoto, iDVD, iChat, iCal/iSync, QuickTime 6 in support of the new MPEG-4 format, Inkwell for handwriting recognition), plus so much more.
