Girl in Snow Danya Kukafka,2017-08-01 “A perfectly paced and tautly plotted thriller...and an incredibly accomplished debut” (Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* and *Into the Water*), about a beloved high schooler found murdered in her sleepy Colorado suburb and the secret lives of three people connected to her. How can you love someone who’s done something horribly, horribly wrong? When a beloved high schooler named Lucinda Hayes is found murdered, no one in her community is untouched—not the boy who loved her too much; not the girl who wanted her perfect life; not the officer assigned to investigate her murder. In the aftermath of the tragedy, these three indelible characters—Cameron, Jade, and Russ—must each confront their darkest secrets in an effort to find solace, the truth, or both. In crystalline prose, Danya Kukafka offers a brilliant exploration of identity and of the razor-sharp line between love and obsession, between watching and seeing, between truth and memory. “A sensational debut—great characters, mysteries within mysteries, and page-turning pace. Highly recommended” (Lee Child, #1 New York Times bestselling author of the Jack Reacher novels). Hailed as “Gillian Flynn of 2017” (Yahoo! Style), compulsively readable and powerfully moving, *Girl in Snow* is “engagingly told... its endearing characters’ struggles linger in memory after this affecting work is done” (The Wall Street Journal).

Pickleball Is Life Erin McHugh,2022-11-01 The ultimate keepsake for every pickleball fan—from a dink shot to the kitchen, everything a pickleballer needs to know in this fully illustrated guide to the world’s greatest recreational sport, packed with lots of joy, good humor, and even a little bit of wisdom. Pickleball is the fastest growing sport in America. Easy to learn, but impossible to master, it’s no wonder that nearly 5 million people nationwide have picked up their paddles and taken to the court. But people aren’t just dabbling in this up-and-coming activity, they are obsessed; some hit the court as many as five, six, even seven times a week. As *Vanity Fair* put it, pickleball has “won over everyone, from Leonardo DiCaprio to your grandparents.” *Pickleball Is Life* is the first book of its kind celebrating the weird and wonderful world of pickleball. It will take readers on a journey from the sport’s quirky origins to its modern-day cult following. Along the way, visual info graphs and illustrations will share even more pickleball knowledge, including etiquette tips, a DIY court, obscure rules, and pointers for (good-natured) trash talk. Also included are interviews with members of the three founding families from Bainbridge Island who are still very much involved in the sport and its growth. People of all ages, athletic abilities, and backgrounds have fallen in love with pickleball. Sure, it’s a good workout, but it’s also a cheerful way to interact with others—something folks crave now more than ever. So, whether they’re uninitiated or obsessed, this book will help readers find even more to love about the world’s greatest sport.

In a Pickle Cindy Dorminy,2020-06-09 After years of crying in her sweet tea, Regina finally has her life in order. She has a great job, wonderful friends, and a successful fiancé. But when the town council decides to do something special for this year’s Pickle Festival, life gets a little briny. As a former Pickle Queen, Regina has a chance to win fifty thousand dollars if she participates in a three-day photo scavenger hunt, but she must compete with her former Pickle King, Clint. He’s the guy who ripped her heart out when he left to play professional baseball and never looked back. Clint Sorrow is as famous for starting bar fights as he is for stealing bases. Years ago, he vowed to never step foot back in Smithville, but when he finds out there’s a chance his baseball contract may not be renewed, he jumps at the opportunity to show his team he’s not a liability. As a bonus, he’ll get to spend time with Regina, the girl he left... and never stopped loving. When Clint gets wind of Regina’s engagement, he decides he must stop it before she does something they’ll both regret. But Clint has a secret that will not only destroy her plans but may cause him to be benched for life.

In a Pickle Jerry Apps,2008-05-13 The year is 1955. Andy Meyer, a young farmer, manages the pickle factory in Link Lake, a rural town where the farms are small, the conversation is meandering, and the feeling is distinctly Midwestern. Workers sort, weigh, and dump cucumbers into huge vats where the pickles cure, providing a livelihood to local farmers. But the H. H. Harlow Pickle Company has appeared in town, using heavy-handed tactics to force family farmers to either farm the Harlow way or lose their biggest customer—and, possibly, their land. Andy, himself the owner of a half-acre pickle patch, works part-time for the Harlow Company, a conflict that places him between the family farm and the big corporation. As he sees how Harlow begins to change the rural community and the lives of its people, Andy must make personal, ethical, and life-changing decisions. My Life in Recipes Joan Nathan,2024-04-09 A new cookbook from the best-selling and award-winning author that uses recipes to look back at her life and family history—and at her personal journey discovering Jewish cuisine from around the world There is no greater authority on Jewish cooking than Joan Nathan. —Michael Solomonov, James Beard award-winning chef and author of Zahav Before hummus was available in every grocery store—before shakshuka was a dish on every brunch menu—Joan Nathan taught home cooks how and why they should make these now-beloved staples themselves. Here, in her most personal book yet, the beloved authority on global Jewish cuisine uses recipes looks back at her own family’s history— their arrival in America from Germany; her childhood in postwar New York and Rhode Island; her years in Paris, New York, Israel, and Washington, DC. Nathan shares her story—of marriage, motherhood, and a career as a food writer; of a life well-lived and centered around meals—and she punctuates it with all the foods she has come to love. With over 100 recipes from roast chicken to rugelach, from matzoh ball soup to challah and brisket, here are updated versions of her favorites. But here too are new favorites: Salmon with Preserved Lemon and Za’atar; Fragrant Spiced Chicken with Rice, Eggplant, Peppers, and Zucchini; Mahammar (a Syrian pepper, pomegranate and walnut dip); Moroccan Chicken with Almonds, Cinnamon and Couscous; Joan’s version of the perfect Black and White Cookies. This is a treasury of recipes and stories—and an invitation to a seat at Nathan's table.
