The Culture Map (INTL ED) Erin Meyer,2016-01-05 An international business expert helps you understand and navigate cultural differences in this insightful and practical guide, perfect for both your work and personal life. It's no surprise that when they try and talk to each other, chaos breaks out. In *The Culture Map*, INSEAD professor Erin Meyer is your guide through this subtle, sometimes treacherous terrain in which people from starkly different backgrounds are expected to work harmoniously together. She provides a field-tested model for decoding how cultural differences impact international business, and combines a smart analytical framework with practical, actionable advice.
