You Beneath Your Skin Damyanti Biswas, 2024-01-23 "Crime fiction with a difference. . . . A novel full of layers and depth, focusing on class and corruption in India with compassion and complexity." —Sanjida Kay, author of *My Mother's Secret* The acclaimed author of the Blue Mumbai Thrillers, including *The Blue Bar* and *The Blue Monsoon*, burst onto the crime fiction scene with this debut novel, which has been optioned by Endemol Shine India for a multi-part drama series. *You Beneath Your Skin* captures New Delhi in all its cosmopolitan complexity—from its streets to its mansions, its petty thieves to its high-ranking officials—as a serial killer stalks its most vulnerable women. Anjali Morgan is the mother of an autistic teenage son. In her professional life, she's a busy psychiatrist. In her private life, she's been having a secret affair with Jatin Bhatt, the married, ambitious special commissioner of crime for the Delhi police. Closer Than Your Skin Susan D. Hill, 2011-10-19 If you crave the real experience of God's presence in your daily life... If you sense there's more to Christianity than service, study, and superficial spirituality... If you're ready to go beyond knowing about God to truly knowing Him... Here's where life with God begins. Is God really like a father who cares about the details of our everyday lives? Then why does He often seem so far away, distant in the moments when we could most use a personal touch from Him? So many of us have lived in that unspoken longing. In these incredible stories, you'll see how one person found that God is not always content to wait for us to discover Him amid the clutter of life. Instead, when we simply hold out our hands, He illuminates our ordinary world and gives us new eyes to see. Closer Than Your Skin traces the journey of an ordinary Christian who longed to move beyond the trappings of faith to genuine life with God. Her story reveals how to overcome the obstacles that most often block such intimate connection. Through this remarkable account, you'll gain tangible insight into what a daily, vibrant companionship with the Creator really feels like once you wake up to the eternal reality all around you. Interactive study guide included.

Pimp in Distress Pimp in Distress, 2016-08-11 Pimp in Distress By Pimp in Distress This book is about a man who was born in Mississippi on a farm. As a hood kid he had no childhood, no teaching, no schooling, no mom, no father. He was kicked out of school in third grade. Yet he had a gift he did not know of - he was born to be a pimp. This book is for all people to know how you can miss your calling of what you are here for. To do your gift you have to be who you are. The author wrote this book to help kids stop killing each other - that is not cool. Kids should not try to be a pimp. They will not make it. Go to school and be all you can be. Stay focused.

Pimp Iceberg Slim, 2011-05-10 "[In Pimp], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special The Bird Revelation Pimp sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, Pimp would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.

"Pimp: Reflection of My Life" Noble Dee, 2013-02-01 In our society today,

although used out their original contexts, the words Pimp and Pimpin have been embraced whole-heartedly by todays hip hop generation and frequently used in slang to describe a motif of a newly set standard of flamboyant living. However, in his debut release, Donald Ray Lavan (AKA Noble Dee) provides the true definition of both words, separating the real and the facts from the faade and the fiction of todays controversial terminology. Best of all, he describes in very minute details, what the Game (Pimpin) was like for him in his era the 1960s to Y2K (The New Millienium). In this tell all non-fiction: Noble Dee illustrates, in a very blaxploitation mannerhis personal existence in the game. Not only does he exploit his successes, he also exposes the very grim details of the life; both in tones whereas you the reader bask in his glory, and share his pains; the pain of possibly regret in the life that he cherished for almost four calendar decades. Wholeheartedly, Noble Dee expresses how his own glorification of the game, indirectly allured his first born daughter into a position to be manipulated and exploited by pimps, just as he had manipulated and exploited so many daughters throughout his 35 years plus career. Not since Robert Beck revealed to the masses the vivid street Realities of a Pimps Life in his book Pimp: The Story of My Life By Iceberg Slim has the entrenching truth behind the lifestyle-termed pimpin been exposed to this degree. Thus, the primary title Pimp:Reflections of My Life. www.JumpInterstateN.biz
