envisioned going. One may say that his life was perfect --or so he thought. Let There Be Light Mark Leonard, 2015-05-28 *Let There Be Light* accompanies Bill Abrams on a time-traveling journey through history. Harnessing the energy of the sun's ultraviolet light, his Light Assimilator enables him to travel on a voyage to discover the truth. His adventure takes him to the moments in time in which he discovers how the Ice Age fits into the Bible, the fate of the dinosaurs, the reasons why people lived to be hundreds of years old prior to the flood, and how, in fact, the flood itself could cover the whole earth. Mark Leonard, a veteran presenter at numerous youth conferences and church camps, weaves together the Bible's truth with this tale of a time-traveling explorer. He tells how, after several test runs, Bill decides to make a journey back to first-century Palestine to see the temple in Jerusalem. Taking off, Bill made three loops around the area and with the ship angled in a southerly direction towards the equator; the landing gear and the wings began retracting. In the blink of an eye, the craft disappeared into nothingness. And so his adventures begin. Written for young adults, *Let There Be Light* will appeal to adult readers as well. If you enjoy stories that mix together adventure, engaging characters, and the discovery of deep scientific truths, then *Let There Be Light* will offer you a chance to go on an adventure that will change your view of the world and its history.

Justice for Lorraine Conrad Cohen, 2014-03 Conrad Cohen had just finished a shift as New York City Police officer Nov. 25, 1972, when he walked into a bar and saw her Lorraine. She was on vacation from Richmond, Virginia, where she lived and worked. Less than two years later, the two were married, and for the next thirty-eight years, their love for each other never wavered. They saw the world together, enjoying fifteen glorious cruises. Even after Lorraine had a colon operation and a stroke, they still made the most out of life's daily adventures. They were hopeful her health would improve, but she was diagnosed with dementia with psychosis in 2005. The diagnosis didn't have to be a death sentence, but it would set in motion a series of events that would leave Conrad equating the word doctor with killer. He learned that when a loved one enters a hospital, it's the doctors' turf, and they do what they want. Lorraine died December 31, 2009, after she was given medication that the Food and Drug Administration had warned could kill elderly people with dementia. She didn't need to die, but there can still be justice for Lorraine.

Cottage Lake Soliloquy John E. Shephard Jr.,2010-08-10 Cottage Lake Soliloquy is a guide to spiritual enlightenment in the form of a novel. It is primarily a tale of transformation about a year in the lives of two people, husband and wife, as they confront personal and professional challenges with their children on a lake in the woods in the small town of Forestville. The narrative unfolds through alternating chapters on each protagonist while weaving their stories together. Jay, a psychotherapist, and Bea, the head of a Student-Exchange company, encounter Leroy, part psychic part teacher, who guides them on a journey of self-realization through a series of dialogues by using their problems as opportunities for growth. Elements of the story include intense and insightful therapy sessions, lush and lyrical descriptions of nature, travel to foreign lands, alcohol and drug use, romance, intrigue, deception and betrayal. A handbook to awakening, the saga intertwines poetry, songs, quotations, essays and stream of consciousness thought in a unique and engrossing style of epic proportions while leading the reader towards his or her own spiritual awareness.

A Time-Traveler's Highland Love Tamara Gill,2023-05-15 To Conquer a Scot Time-traveling isn't what Abigail Cross had in mind for her Scottish vacation, nor was a potential marriage to the Laird Aedan Macleod. The fact that the obnoxious, yet hot, and definitely sexy Highlander sees the world very differently than she does, is beside the point. Aedan

Macleod knows what he wants in a wife, and Abigail certainly doesn't meet his Highland standard, even though he must rein in his desire because beautiful, opinionated Abigail would never suit as a laird's wife. Tempers flare yet passion is undeniable, as Abby navigates her way in seventeenth-century Scotland. When two rival clans threaten the maddening twenty-first-century minx who's captured Laird Aedan's heart, the mighty Highlander is willing to sacrifice everything to keep Abigail safe. To Save a Savage Scot Kenzie Jacobs is fascinated by a portrait of the roguish Highlander, Black Ben, which hangs in her ancestral home. There's a mystery surrounding his death, and Kenzie longs to solve it by traveling through time to 17th century Scotland—and perhaps meet the gorgeous laird who haunts her dreams. Black Ben, Laird of Ross, suited his dark name more than ever since his wife died in childbirth. He has vowed never to marry again. But Kenzie is an intoxicating elixir and even more potent than whiskey. As confusing and crazy as she may seem, he can't get her out of his system. But there's no way they can ever work, as she does not fit into his plans. Fate has brought them together, and Ben can't stop Kenzie from returning to her time, though he would do anything—except marry her—to keep her with him. Kenzie has a life to get back to but leaving her favorite, though infuriating, Highlander behind, might be the toughest thing she'll ever have to do. To Win a Highland Scot Fate brought them together—or was it something else entirely? The Fae took everything Scottish warrior Boyd Macleod had. Cursed and alone, he existed for a hundred years but never truly lived. Not until she arrived. The Sassenach is quick-witted, outspoken, and entirely too beautiful for his peace of mind. She stirs in him a hunger he hasn't felt in...he can't even remember how long. Now, that hunger won't be quenched by anything short of possessing

her—mind, body, and soul—forever. Maya Harris has no idea what kind of strange magic threw her into the past. All she knows for sure is that she doesn't belong here. She can't afford to let herself get too attached to Boyd. The powerful, sensual Highlander is not for her. But the longer she spends with him, the harder it becomes to remember why she shouldn't give in to his heated seduction... A river of time flows between them. Will love be enough to bridge it? Or will Boyd and Maya remain star-crossed forever?

Giving You the Love of a Lifetime Tongge, Also known as The Hardest Thing to Do Is to Say I Love You I have a secret hidden deep down in my heart: I have loved Dixon Gregg for nine whole years. When I was young, I followed behind him. When I grew up, I finally became his wife. But he never once loved me. He did not even show me an ounce of pity. I tempted him into dating me using a divorce and Shaw Corporations as my bargaining chips, but he remained unmoved. He would never remember that nervous little girl who followed behind him cautiously. It was not until after we divorced that I realized that this so-called love had been one-sided...

Two be You John Moore, Edge of your seat. Compelling dialogue. Moving connections. One evening in the very near future a young man sees a report on the evening news that changes his life forever. Soon into his journey he finds travel almost impossible due to the visiting ship. Caught in unfamiliar surrounds far from home he must overcome the chaos now building worldwide. Not sure if he can make it or even survive Matt needs to rely on his wits alone as he tries to reach his goal. New
