Gale, Cengage Learning

Entangled Bank James Sherry, 2016 Poetry. ENTANGLED BANK opens with a set of five line poems dedicated to the 'beauty' of various poets, a nuanced and generous version of Joseph Kaplan's infamous KILL LIST, and concludes with a wrenchingly honest prose piece on Sherry's correspondence with the late poet Stacy Doris on the limits of empathy. Between these gestures towards a troubled yet significant human connection, Sherry places poems in a variety of styles, as if styles were species in an ecosystem, a veritable 'entangled bank.' Often he writes with scathing wit on the degradation of the environment and the fraudulence of the financial system. One line admonishes, 'Wake up, this is about you.' And it is. You're going to want it. -- Rae Armantrout Taking his theme from Darwin's 'entangled bank, ' James Sherry pries open present life on the planet to reveal a tangled flow of vegetation, money, politics, beauty, selves, distributed networks, fish, nation states, death and friendship. 'Couching nature as bundles and linkages, ' he does not side-step the perils of hybridity but dives in head first: 'Tamales of Sparta rolled global.' A dazzling display of formal invention leads up to an intimate, brutally candid chronicle of friendship and illness that is as clear-headed as it is passionate. And how can you not love a poem called 'Memoir' that begins, 'Dawn again / Fuck!' -- Kit Robinson

The Banks of Wye: A Poem Robert Bloomfield, 2019-12-19 This book is a narrative poem written by Robert Bloomfield. He was an English laboring-class poet, whose work is appreciated in the context of other self-educated writers, such as Stephen Duck, Mary Collier and John Clare.

A Few Words Angela Banks, 2012-10-08 Experience poetry as a way of life. Sometimes brief and often metaphorical, these poems are significant. Words that say what they really mean inspire hope, eliminates barriers commonly created by social differences, celebrates love, and embraces the pain that naturally comes with everyday living. This candid collection of poems will make you recall the beauty of thoughts that only poetry can provide.

Blue Beat Syncopation Stanley Banks, 2002 In his title poem Stan Banks makes reference to Langston Hughes. I like that. Hughes would be one hundred years old this year. Blue Beat Syncopation could be a tribute to him. It's obvious one will find a little Langston DNA in this book. This is not a crime but a link. Banks writes like someone just back from the Crossroads. Did he sell his soul to give us a collection of poems this good? This book is filled with survival music. The poems are like something Jacob Lawrence or Romare Bearden might have painted. Banks is a poet who has his face in the right window. I know many writers who have moved from the neighborhood and still try to call themselves blues people. If the year was 1926 Countee Cullen would be shaking his head about this collection too. Why is Banks so black and blue? The poems in Blue Beat Syncopation were written during the last twenty-five years. Banks has seen it all. Here is his montage of a people still not giving up on a dream. -- E. Ethelbert Miller, Foreword.

A Sublime Poem on Banking Arthur Parker, 1838

Just Here, Just Now R. H. W. Dillard, 1994-10-01 From the epigraph that opens this collection to the last lines of the final poem, Just Here, Just Now is a sustained meditation on the presence of spirit in the world of daily change and variety—the just here, just now. R. H. W. Dillard asserts that “time is precious,” not only because it is fleeting but because its particulars are precious in their holiness. Dillard’s concern is with the presence of the universal in the particular, or as he puts it in “Loading a Shoebox,” with “this day, / Another day like every day / Like no other.” Just Here, Just Now is as varied in its approaches to the spirit as it is in its poetic forms and subjects (which include serial murderers and the fall of the Soviet empire as well as personal memories of family, the death of a mother, and long letters to close friends). The collection moves from dark visions of love and loss in the first pages to meditations inspired by artists ranging from Henri Rousseau, Edgar Allan Poe, and Alfred Hitchcock to Thelonius Monk and Ornette Coleman. Many poems in the book’s later pages deal directly with issues of meaning and belief, resolving the problems of the earlier poems through discoveries of love’s presence even in loss and the mutable moment. As “Winter Letter to Bluefield” concludes: “It is true we lose the things we hold dearest / But equally true that because we hold them dear / We find ourselves which we otherwise had lost, / Find ourselves whole—just now, just here.”

Love Poem to Tofu & Other Poems Mong-Lan, 2007 In this highly unusual chapbook, memorable poetry and beautiful calligraphic art are married to exquisite tastes. One immediately identifies with Mong-Lan's poems, while with her calligraphic art, one wishes to linger. And, the tastes remain, even after the pages are closed. Whether Mong-Lan is singing of her love to food or writing of Southeast Asia (particularly Vietnam and Thailand), her poetry is quick-witted, humorous, vibrant, intoxicating and worldly. One sips the words slowly, imbibes to smell, not only to taste; then to devour wholeheartedly of what the soul sings.

Eighteen Hundred and Twenty: a Poem. Part First Alexander Hill Everett, 1821

Love Poem for a Bank Robber Jane Teller,1981

Poems Iain Banks,Ken MacLeod,2016-01-07 Iain Banks is celebrated as a novelist and science fiction writer. It is less well known that his first published work was the poem '041', in New Writing Scotland in 1983. Like the poems that appeared within his novels, this was selected from the many he had written between 1973 and 1981. Banks took his poetry seriously and worked on it assiduously, but showed it mostly to friends. He first thought of publishing his poetry late in 2012, though insisted it be a joint collection with his life-long friend Ken MacLeod. The two writers were working on this project when Banks learned of his terminal diagnosis, and continued thereafter. He made his final revisions just days before his death. Readers of Iain Banks' novels will find in the poems a further affirmation of the humane, sceptical and clear-eyed sensibility that informed all his work, shot through as ever with a dry wit that continues to disturb and delight. Ken MacLeod edited and introduces this collection.
