

Political Quotes

Lewis D. Eigen,Jonathan Paul Siegel

Quote Junkie Hagopian Institute, 2008-06-22 Some of the greatest political quotes in the history of the world, featuring around 600 great quotes. A great book for political, and history junkies. This edition offers quotes from some of the greatest men and women in the history of the world, from all corners of the world. Enjoy!

The Little Book of Political Quotations Graham Parker, 2020-02-12 Political quotes say a lot about the views of the politicians and the state development vector. Political Sayings reflect the current issues of the country and give hope for future changes. In this book we have compiled the top political quotes and sayings from famous Politicians, leaders, business men and freedom fighters, hope you get some inspiration from the quotes. Sample Quotes I'm not a politician or a scholar or political historian. I'm just a photographer who's trying to capture a spirit. It's not an intellectual process; it's an intuitive process.

Platon Everything is political. I will never be a politician or even think political. Me just deal with life and nature. That is the greatest thing to me. Bob Marley Everybody is a political person, whether you say something or you are silent. A political attitude is not whether you go to parliament; it's how you deal with your life, with your surroundings. Paulo Coelho My greatest political asset, which professional politicians fear, is my mouth, out of which come all kinds of things one shouldn't always discuss for reasons of political expediency. Shirley Chisholm As a black woman, my politics and political affiliation are bound up with and flow from participation in my people's struggle for liberation, and with the fight of oppressed people all over the world against American imperialism. Angela Davis I hate all politics. I don't like either political party. One should not belong to them - one should be an individual, standing in the middle. Anyone

that belongs to a party stops thinking. Ray
 BradburyCollecting more taxes than is absolutely necessary
 is legalized robbery. Calvin CoolidgeDon't write so that you
 can be understood; write so that you can't be
 misunderstood. William H. TaftEfforts and courage are not
 enough without purpose and direction. John F. KennedyFor
 this is what America is all about: It is the uncrossed desert
 and the unclimbed ridge. It is the star that is not reached
 and the harvest that is sleeping in the unplowed ground.
 Lyndon B. JohnsonHave you not learned that not stocks or
 bonds or stately houses, or products of the mill or field are
 our country? It is a spiritual thought that is in our minds.
 Benjamin Harrison

The Book of Political Quotes Jonathon Green,1982

*The Political Bible of Humorous Quotations from
 American Politics* Rich Rubino,2014-10-09 This book is jam-
 packed with over a thousand unusual political quotes. This
 book is not a traditional book of flat, static quotations listing
 one quote directly after another, but is truly three-
 dimensional, including the quotation, a brief explanation of
 the context in which each quote was spoken, and a related
 picture to boot.

Bernie Sanders: In His Own Words Chamois

Holschuh,2015-09-29 Here is a collection of the most salient
 hard-hitting, no-nonsense quotes that have made Bernie
 Sanders the beloved leader of our revolution. The longest-
 serving independent in US congressional history, Sanders
 currently serves as US senator from Vermont and is in the
 race for the Democratic Party's nomination for president.
 Hundreds of thousands of people across the country are
 flocking to Sanders's events to hear his wisdom on political
 corruption, distribution of wealth, international relations,
 immigration, health-care reform, climate change, education,
 and equality. Now fans and critics alike can hear what

Bernie has to say just by picking up this book. Known for his firm opinions on the economy, health care, and the environment, Bernie Sanders is a self-declared democratic socialist. He has called for free state college and university tuition, spoken out against Wall Street practices, insisted on increasing the minimum wage, and demanded tax reform. He has proposed significant health-care reforms, championed causes for veterans and senior citizens, and urged the government to address climate change in a proactive manner. “A political revolution,” his campaign slogan, befits his assertion that the country is in need of an overhaul—economically, socially, and politically. As his grassroots campaign continues to explode, his social media presence flourishes and his events are attended in record-breaking numbers. Feel the Bern!

The Macmillan Dictionary of Political Quotations Lewis D. Eigen, Jonathan Paul Siegel, 1993 As the only book to gather in a single volume the world's best quotations by and about politicians and politics, this compendium combines wit, intelligence, and history on a subject that is alive and well in the minds and ears of the public. With contributors ranging from Aristotle to Dan Quayle, the 15,000 entries cover a full range of political subjects.

Quotes for Conservatives Garry Apgar, 2020-03-24 This unique, up-to-date assemblage of quotes drawn from history's rich conservative heritage is the ideal gift and resource for students, speechmakers, politicians, and anyone interested in great ideas and abiding truths. The conservative tradition in America dates back to the nation's Founding. In a time when conservatives find themselves under constant attack by self-righteous liberals, *QUOTES FOR CONSERVATIVES* celebrates enduring expressions of proven principles and core values. *Quotes for Conservatives* includes quotations from eminent figures ranging from

George Washington and Edmund Burke to Ronald Reagan, Margaret Thatcher, and Rush Limbaugh. The book covers all the vital topics that concern conservatives: the deep state, immigration, taxes, capitalism, political correctness, religion, and much more. Garry Apgar has gathered all the wit, wisdom, and insight of these quotes into one classic collection illustrated with 22 lively line drawings. Quotes for Conservatives is the perfect present for any proud right-thinking, freedom-loving conservative in your life.

Political Quotations Jean F. Thomsett, 1994 Over 4000 quotations, whose sources range from Plato to contemporary politicians like H. Ross Perot and Bill Clinton, are gathered in this new collection. Each entry includes the date of the quotation and indicates whether it was taken from a speech or a written work. There are indexes by author and by keyword according to the entry number. The Macmillan Dictionary of Political Quotations (Macmillan, 1993) includes more quotations (11,000) and arranges entries by different subject categories, e.g., abortion, energy, gun control, and obscenity. However, it only indexes them by author and concept rather than by the useful keyword. It too ranges from the classics to contemporaries like Clinton and Perot, though different quotes are sometimes given for the same people. Therefore, both sources are recommended for a well-rounded political science collection. -Louise A. Treff, Univ. of Colorado at Denver Lib. -Library Journal.

Politics in 100 Quotes Bill Price, 2018

What Liberals Believe William Martin, 2012-09-01 In a political and media environment dominated by conservative interests, liberals need every opportunity to be heard, without distortion and in their own words. What Liberals Believe fulfills this need by bringing together the largest collection of progressive quotations ever published.

Compiled by William Martin from speeches, publications, books, blogs, and other sources, it offers wisdom and humor from the keenest progressive minds, both past and present, including Anna Quindlen, Frank Rich, Michael Moore, Oscar Wilde, Bill Clinton, Howard Dean, Rosa Parks, Barbara Ehrenreich, and John F. Kennedy. This one-of-a-kind book includes timely, insightful quotations covering hundreds of critical issues and even presents a chapter entitled Callous and Clueless Quotes from the Right to remind readers just how nasty and thuggish right-wing discourse has become. A perfect resource for writers, bloggers, researchers, activists, speechwriters, teachers, and students, *What Liberals Believe* will appeal to anyone who has grown weary of the extremism of the shameless right. With a new, updated section reflecting the 2012 presidential season, this book contains everything you need to contextualize incumbent Barack Obama with what other liberals, past and present, believe. *What Liberals Believe* is an excellent resource to have on hand during the upcoming election.

Oxford Dictionary of Political Quotations Antony Jay, 2006 This thought-provoking and fascinating collection has been newly enlarged and updated. From Machiavelli to Nelson Mandela, Antony Jay (author of the famous TV series *Yes Minister*) has chosen the words and ideas which have shaped the world we live in today. This new edition covers quotations generated by events such as the terrorist attacks of 11 September 2001, wars in Afghanistan and Iraq, upheavals in the European Union, the re-election of George W. Bush, and the British Labour government's historic third term. And of course the gaffes and the back-biting that form the everyday currency of political in-fighting are fully detailed too. Misquotations, Slogans, and other special categories are grouped together for easier access, and an extensive index helps you to trace that half-remembered

phrase.'I can only go one way. I've not got a reverse gear.'
Tony Blair'I met Saddam Hussein exactly the same number
of times as Donald Rumsfeld met him. The difference is that
Donald Rumsfeld met him to sell him guns' George
Galloway'That's Lazarus with a triple bypass.' John Howard,
when asked if he thought he could regain leadership of the
Australian Liberal party'If I want to talk to Europe who do I
call?' Henry Kissinger'The job of the Federal Reserve is to
take away the punch bowl just when the party is getting
good.' William McChesney Martin Jr.'We don't want the
smoking gun to be a mushroom cloud.' Condoleezza Rice'No
one is fit to be trusted with a secret who is not prepared, if
necessary, to tell an untruth to defend it.' Lord Salisbury

Political Wisdom Sanja Stevceva,2023-06-26 Political
wisdom is very important in the 21-st century. It gives
insight of how famous politicians, writers and thinkers
thought about the world, politics, people affairs and justice.
The world needs smart people and above all educated and
informed so they will never repeat the past events and
mistakes. This book is all about becoming wiser and full
with understanding that the path of a leader is not an easy
path. If you seek to find profound thoughts from famous
thinkers I strongly suggested this booklet. It is a wonderful
gift for any occasion and worth having it in your home,
libraries or offices so you will remind yourself of the
greatness of the American Nation.

*100 Quotes On: Before They Were Elected: Presidential
Quotes* David Romanski,2012-03-12 ABOUT THE BOOK
When the United States were founded, the Presidency was a
unique public office amongst a world of autocratic
governments. It was designed by the framers of the

Constitution to act as a populist check against the potential excesses of the legislative and judicial branches, a post that even a common man could hold. The philosophical ruminations of America's first presidents clearly reflect their aristocratic backgrounds and a sense of self-awareness in the annals of history. With Andrew Jackson, we see the caricature emerge of the fighting president, a man who will vigorously defend the people from entrenched elites. Moving into the twentieth century, we can observe the commercialization of our soon-to-be Commanders in Chief, and how their rhetoric shifted to meet the demands of running what had become a world superpower. The following quotes are a humble attempt to demonstrate the evolution of Americas presidents, into the leaders of today, as well as the institution of the Presidency itself.

MEET THE AUTHOR David Romanski is a writer and filmmaker who's been living in Los Angeles for six months. He earned a BFA in screenwriting from NYU's Tisch School of the Arts, and is currently writing his first novel, *Goatse*, due out this spring.

EXCERPT FROM THE BOOK James Madison was one of the more involved framers of the U.S. Constitution. Much of American legal thinking is derived from *The Federalist Papers*, a series of argumentative pamphlets co-written by Madison which argue, among other things, for a strong federal government. At the same time, Madison drafted the Bill of Rights as a Congressman and championed its passage into law. He was elected President in 1808 and served two terms. The man who is possessed of wealth, who lolls on his sofa or rolls in his carriage, cannot judge the wants or feelings of the day-laborer. The government we mean to erect is intended to last for ages. The landed interest, at present, is prevalent; but in process of time, when we approximate to the states and kingdoms of Europe when the number of landholders shall be comparatively

small, through the various means of trade and manufactures, will not the landed interest be overbalanced in future elections, and unless wisely provided against, what will become of your government? In England, at this day, if elections were open to all classes of people, the property of landed proprietors would be insecure. An agrarian law would soon take place. If these observations be just, our government ought to secure the permanent interests of the country against innovation. Landholders ought to have a share in the government, to support these invaluable interests, and to balance and check the other. They ought to be so constituted as to protect the minority of the opulent against the majority. The senate, therefore, ought to be this body; and to answer these purposes, they ought to have permanency and stability. - James Madison, in a speech to the Federal Convention, 1787. (Notes of the 1787 Federal Convention) Buy a copy to keep reading! CHAPTER OUTLINE Before They Were Elected: 100 Presidential Quotes + Introduction + George Washington (1789-1797) + John Adams (1797-1801) + Thomas Jefferson (1801-1809) + ...and much more

449 Stupid Things Democrats Have Said Ted Rueter, 2004-03 Just in time for election season, political science professor and admitted political junkie Ted Rueter has compiled 449 stupid quotes, from Democrats and Republicans, drawn from a wide variety of sources, with full citations. Subjects include equality, mass transportation, aging, and hookers.

The Big Book of American Political Quotations Kevin G. Barkes, 2016-10-22 Response to that relative who sends you emails in all caps. Over 2,400 quotations, aphorisms, and observations about politics, democracy, government, liberals, conservatives, Democrats, Republicans, Libertarians, patriotism, Congress, the Presidency, America

and Americans.

The Little Black Book of Political Wisdom Sanford L. Jacobs, 2014-11-04 Politics. It's a word that carries a great deal of weight, and there have been many words spoken about it ever since human beings decided it might be a good idea to come down from the trees and form some kind of government. *The Little Black Book of Political Wisdom* is an engaging collection of the wisest, funniest, and most

insightful words ever said about the world of politics. Gathered here are hundreds of quotations from statesmen and stateswomen, philosophers, foreign leaders, journalists, and other politically astute observers from ancient times to present day. Here are some examples: "Politics, as a practice, whatever its professions, has always been the systematic organization of hatreds." —Henry Adams "I have learned that one of the most important rules of politics is poise—which means looking like an owl after behaving like a jackass." —Ronald Reagan "Politics are almost as exciting as war, and quite as dangerous. In war you can be killed once, but in politics many times." —Sir Winston Churchill "We hang the petty thieves and appoint the great ones to public office." —Aesop "Giving money and power to government is like giving whiskey and car keys to teenage boys." —P. J. O'Rourke
