Poor Jacky William Stafford,2016-03-11 When bestselling author Paul Beecroft returns to his home town to give a talk, he stirs up memories of his youth, when three of his contemporaries went missing in mysterious and violent circumstances. Beecroft's presence also disturbs a supernatural presence as he sets out to discover the story of a sad little boy from 200 years in the past. This spooky tale has horror and humour in equal measure as Paul uncovers the secrets of Dedley Hall

Jupiter Lights Constance Fenimore Woolson, “IT’S extraordinary navigation, certainly,” said Miss Bruce. “Oh, mem, if you please, isn’t it better than the hother?” answered Meadows, respectfully. Meadows was Miss Bruce’s maid; one could have told that she was English (even if one had not heard her speak) from her fresh, rosy complexion, her smooth hair put plainly and primly back from her forehead, her stiff-backed figure with its elbows out, and her large, thick-soled boots. “I don’t mind being ‘umped-up on the bank, miss, if you please,” she went on in her sweet voice, dropping her h’s (and adding them, too) in unexpected places. “It’s those great waves we ‘ad last week, mem, if you please, that seemed so horful.” “I am sorry you will have to see them again so soon,” Miss Bruce answered, kindly. For Meadows was to return to England immediately; she was accompanying the American lady for the journey only. Miss Bruce was not rich; in her own land she did not intend to give herself the luxury of a lady’s-maid—an indulgence more unusual in the great Republic (at least the northern half of it) than fine clothes, finer houses, or the finest diamonds. The little steamboat which carried these travellers was aground in a green plain, a grassy, reedy prairie, which extended unbroken as far as the eye could reach on all sides save one; here there was, at some distance, a bank or shore of dark land, dark in comparison with the green. Beyond this shore—and one could easily see over it—stretched the sea, “the real sea,” as Miss Bruce called it, “and not all this grass!” It was this remark of hers which had drawn out the protest of poor Meadows. Miss Bruce had crossed from England to New York; she had then journeyed southward, also by sea, to Savannah, and from that leafy town, as fair as is its name, she had continued her voyage in this little boat, the Altamaha, by what was called the Inland Route, a queer, amusing passage, winding in and out among the sounds and bays, the lagoons and marsh channels of the coast, the ocean almost always in sight on the left side, visible over the low islands which constantly succeeded each other, and which formed the barrier that kept out the “real sea,” that ravaging, ramping, rolling, disturbing surface upon whose terrific inequalities the Inland Route relied for its own patronage. There were no inequalities here, certainly, unless one counted as such the sensation which Meadows had described as “being ‘umped up.” The channel was very narrow, and as it wound with apparent aimlessness hither and thither in the salt-marsh, it made every now and then such a short turn, doubling upon itself, that the steamer, small as she was, could only pass it by running ashore, and then allowing her bows to be hauled round ignominiously by the crew in a row-boat; while thus ashore, one side half out of water, her passengers, sitting on that side, had the sensation which the English girl had pictured.

When Our Jack Went to War Sandy McKay,2013-04-05 A powerful and moving YA story about two brothers, one of whom goes off to fight in World War One. It’s 1917 and Jack enlists. And although 13-year-old Tom is envious of his elder brother, he soon changes his mind as the reality of war becomes more apparent. We follow Jack’s story through his letters home and through the eyes of his younger brother. Tom writes about life at home in New Zealand: living with Mum and their young sister, Amy, learning to hunt with his uncle, getting a puppy and learning to knit...for the war effort. Jack writes of his first-hand experience in Trentham, the troop ship, Britain, France, the Battle of Messines and finally, Passchendaele. Sadly the story ends with Jack being killed at Passchendaele along with hundreds of other Kiwis. (Of the 180 soldiers in the 2nd Otago Division, 148 lost their lives in one day in New Zealand’s worst ever military disaster.) When Our Jack Went to War is a fictional account of a real life tragedy, based on the author’s research into the death of her own great uncle, who died in 1917. The NZ Post Award-winning Sandy Mckay ably conveys how war affects everyone – it’s a superb meditation on war and its devastating effect on soldiers and their families.
