

Private Eye Abenteuerbundle

Bran Nicol

Olivia Adams, *Private Eye* Robert Hood,2002-06

The Private Eye Bran Nicol,2013-07-15 From Philip Marlowe and Sam Spade to Jake Gittes, private eyes have made for some of the most memorable characters in cinema. We often view these detectives as lone wolves who confront and try to make sense of a violent and chaotic modern world. Bran Nicol challenges this stereotype in *The Private Eye* and offers a fresh take on this iconic character and the film noir genre. Nicol traces the history of private eye movies from the influential film noirs of the 1940s to 1970s neonoir cinema, whose slow and brilliant decline gave way to the fading of detectives into movie mythology today. Analyzing a number of classic films—including *The Maltese Falcon*, *The Big Sleep*, *Chinatown*, and *The Long Goodbye*—he reveals that while these movies are ostensibly thrillers, they are actually occupied by issues of work and love. The private eye is not a romantic hero, Nicol argues, but a figure who investigates the concealments of others at the expense of his own private life. Combining a lucid introduction to an underexplored tradition in movie history with a new approach to the detective in film, this book casts new light on the private worlds of the private eye.

Private Eye Surveillance Skills David Holzer,2005-01-01

Learn how to be a private detective with this pack. Inside readers will find all the information needed to learn the surveillance skills of a private eye.

The American Private Eye David Geherin,1985

Secrets of a Private Eye Irwin Blye,Ardy Friedberg,1987

Private Eye Henry Kuttner,2022-06-13 The problem of getting away with murder is an old one. But with the Eye to watch your every move for fifty years back, it was a new and apparently insolvable one! But there was, actually, an infinitely tougher problem...

The Eyes Have it Robert J. Randisi,1988 BLE. First UK edition. Collection of mystery stories featuring private

investigators.

Interrelated short stories, featuring Peter Pansy, Private Eye

Spygirl Amy Gray, 2004-06-01 Chick lit meets crime fiction in this volume - except Spygirl isn't an invention. Amy Gray recounts her time with a small detective agency in Manhattan while prowling the clubs of New York for a mate, providing a portrait of life under the skin of the Big Apple.

Behind the Private Eye Chris Cooper, 2005 This book is part true-crime novel, and part textbook. It was written specifically about surveillance, as conducted by private investigators. It's virtually an industry bible, and contains an incredible volume of highly detailed how-to techniques, for virtually every area of surveillance. It covers how to get information out of people under pretext, how to follow people on foot or by car. What to expect and even how to think as a PI, in order to get great results. The book covers everything including: Training courses and licensing Job preparation Conduct of surveillance operations Special techniques used by professionals Following on foot, car, bus, train, taxi Working in specialist areas (buildings, apartments, shopping centres etc) While an invaluable resource for any potential recruit to the PI industry, this book is also an excellent resource for experienced PI's as well. It lists a large number of web references and other details for information sources that can be used to track down elusive offenders. With almost 544 pages, this incredible encyclopaedic resource covers all the basic techniques, as well as some you have never thought of. How can a female PI urinate on a long vehicle stakeout? What web resource can be used to determine the likely gender of an obscure ethnic name which was listed in client intelligence? How do I identify someone? What role does human psychology play in surveillance operations? How can I find out if they are working? 10 pages explaining why and how things are seen, 10 issues to consider when parking a surveillance vehicle, 30 issues to consider in

selecting a suitable surveillance vehicle, 9 methods to assist identification of an unknown unit number in a large block, . . .and much more Not only does this comprehensive training resource cover techniques, it is illustrated with a large number of real cases which Chris has conducted. These stories are an incredible insight to the PI world, and are both entertaining and fascinating. Each story details real-life implementation of techniques described in the book.

The Private Eye Cleve Franklin Adams,1942

Private Eyes Sam Brown,Gini Graham Scott,2013-05-02 This book is based on interviews with eight top investigators with different specialties, describing how they became private eyes and solve their cases. It's a behind the scenes look at investigating murder and mayhem, using high-tech listening or spying devices, tailing someone, going undercover, conducting interrogations, using public records, and working with police and government agencies.

Private Eye - Basic Roleplaying-system Ulrike Pelchen,2013

Private Eye Secret Spy Ian D Withers,2021-04-06 IAN Withers rewrote the book on what it means to be a Private Investigator. He traversed the world recovering abducted children, gathered intelligence for left and right-wing regimes and was jailed over a British prime minister's bad bet. Across sixty years he chased down fraudsters, bugged leaders of international coups and cracked open assassination plots. He tracked the IRA's Hyde Park bomber with a bluffed phone call, located Jeremy Thorpe's illicit lover and put his life on the line to return snatched tug-of-love kids to desperate parents. Now, for the first time, Britain's most controversial agent-for-hire lifts the lid on an intense life in the

darkest of shadows. Gripping, illuminating and unflinching, Private Eye, Secret Spy is the thrilling true story of a steely English gentleman's rise to the top of his game. Ian Withers has walked the walk... a frank, honest and brave confession. Gary Murray, author of Enemies of the State.
