**Lands' End Business Attire for Women** Lands' End, Inc., 2004 In the list of life's big questions, "What should I wear?" can loom surprisingly large in a woman's mind. But for most of us today, "What should I wear to work?" looms even larger. When workplaces encompass everything from the thirtieth-floor boardroom to an open-plan loft to a desk in the corner of a studio, the question gets complicated indeed. Lands' End® Business Attire for Women will help you quickly and confidently assess your workplace and your style, so you'll always know exactly what to wear to work. One size does not fit all, of course, and this book is full of self-assessment quizzes, sample outfits to inspire and inform, and a broad spectrum of choices so you can always be confident that you are appropriately dressed. Based on the ABC model, Lands' End® Business Attire for Women divides workplace style into Almost a Suit ensembles, Best of Both Worlds blendings, and Clearly Casual combos. With the right image in mind and the right clothing in your closet—or on your shopping list—you can create a system of dressing that not only saves you time and money but also expresses your ambitions and your sense of style. From "Pants to Avoid" to business travel checklists and advice for recent college grads, Lands' End® Business Attire for Women will guide you toward a working wardrobe that is appropriate, flexible, and flattering. It's a practical, down-to-earth, and eminently sensible guide to dressing for work with a sense of style and fun, leaving you lots of time for life's bigger questions.

Lands' End Business Attire for Men Lands' End, Inc., 2004 "Can I wear this tie with this shirt?" Men have asked this question for years. But now there's a new twist: "Should I wear a tie—at all?" Traditional was easy. Today's business attire is not. Lands' End® Business Attire for Men can make

it easier once again, helping you quickly and confidently decide exactly what to wear to work. This book is full of workplace assessment tools to help you size up the situation at a glance and suit up or dress down as the case requires. A wealth of mix-and-match examples and outfits offer a broad spectrum of choices so you can always be confident that you are correctly dressed. Based on a simple ABC model, Lands' End® Business Attire for Men determines which workplaces are right for Almost a Suit outfits, times and places for Best of Both Worlds ensembles, and occasions when "Clearly Casual" wear is acceptable and even preferable. From "Pants to Avoid" to business travel checklists and advice for recent college grads, Lands' End® Business Attire for Men will guide you toward a working wardrobe that is appropriate, efficient, and adaptable. Practical and down-to-earth, this eminently sensible guide to dressing for work leaves you plenty of time for making the real business decisions—like what to have for lunch.

Meanwhile, there are all sorts of jobs and careers, and they necessitate appropriate dress for work, whether it's a law firm, a factory, or a university. I don't wear a suit and I'm not about to buy one; yet I do make an effort to dress in a professional manner. As a former fashion coordinator and retailer, and now a marketing educator, I can assure you that marketing yourself is just as important as having another business do this for you.
