The Reluctant Queen Sarah Beth Durst,2017-07-04 Filled with political intrigue, violent magic, and malevolent spirits, the mesmerizing second book in Sarah Beth Durst's Queens of Renthia epic fantasy trilogy that started with the award-winning *The Queen of Blood*. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . And those spirits want to kill you. It's the first lesson that every Renthian learns. Not long ago, Daleina used her strength and skill to survive those spirits and assume the royal throne. Since then, the new queen has kept the peace and protected the humans of her land. But now for all her power, she is hiding a terrible secret: she is dying. And if she leaves the world before a new heir is ready, the spirits that inhabit her beloved realm will run wild, destroying her cities and slaughtering her people. Naelin is one such person, and she couldn't be further removed from the Queen—and she wouldn't have it any other way. Her world is her two children, her husband, and the remote village tucked deep in the forest that is her home, and that's all she needs. But when Ven, the Queens champion, passes through the village, Naelin's ambitious husband proudly tells him of his wife's ability to control spirits—magic that Naelin fervently denies. She knows that if the truth of her abilities is known, it will bring only death and separation from those she loves. But Ven has a single task: to find the best possible candidate to protect the people of Aratay. He did it once when he discovered Daleina, and he's certain he's done it again. Yet for all his appeals to duty, Naelin is a mother, and she knows her duty is to her children first and foremost. Only as the Queen's power begins to wane and the spirits become emboldened—even as ominous rumors trickle down from the north—does she realize that the best way to keep her son and daughter safe is to risk everything. Sarah Beth Durst established a place of dark wonder in *The Queen of Blood*, and now the stakes are even higher as the threat to the Queen and her people grows both from within and beyond the borders of Aratay in this riveting second novel of the Queens of Renthia series.

Hidden History of Queens Richard Panchyk,2019-09-30 True stories and vintage photos of this bustling New York City borough, covering everything from crime and corruption to a beloved Christmas poem. Queens has a history filled with fascinating firsts, cool characters and ramshackle ruins. From the nation's first modern highway to the first-ever transatlantic flight, the borough has long been at the forefront of modern transportation. Poet Clement Clarke Moore was inspired by childhood memories of Elmhurst when he wrote the poem "Twas the Night before Christmas." The infamous William "Boss" Tweed once fled jail to a secret hideout in a Bayside hotel. The remains of the old Creedmoor Hospital complex in Queens Village are haunting, as are the eerie remnants of Fort Tilden in the Rockaways. In this fascinating book, Richard Panchyk reveals glimpses of the hidden history of Queens.

The Neighborhoods of Queens Claudia Gryvatz Copquin,2007-01-01 This up-to-date, intimate portrait of the 99 neighborhoods of Queens is a wonderful tribute to the borough's past history and present diversity. Detailing the history, people, and cultural activities of each neighborhood, the book is generously illustrated with more than 200 photographs, both contemporary and historical, and over 50 new maps that chart the precise neighborhood boundaries. With two airports (La Guardia and JFK), Shea Stadium, and Aqueduct Racetrack, Queens is a destination for millions of travelers and visitors each year. But those who live in the borough's neighborhoods know that it offers much more: parks, bridges, colleges and universities, museums, shops, restaurants, and other institutions and sites that testify to its more than 350-year history. From Astoria to Woodside, with points in between, Queens, the most diverse county in the country, offers a cornucopia of cultures, sights, tastes, and sounds. With input from residents, historians, demographers, politicians, borough officials, shopkeepers, and many others, The Neighborhoods of Queens captures the unique character of each neighborhood. The book features practical tips (subway and bus routes, libraries, fire departments, hospitals), quirky and unusual neighborhood facts, and information on famous residents. For anyone who lives in Queens, visits its neighborhoods, or remembers it from earlier times, this book is an unsurpassed treasure.

Power of a Queen Elizabeth Brown,2022-04-20 So much has happened since Ayla entered our lives almost a year ago as our coven's new high priestess. Queens, once thought to be at worst myth and at best extinct, are alive and real. Ayla was the last of her kind until Olivia changed on the battlefield, and I shifted for the first time while fighting a new foe.I'd lived my life content as a normal witch. Now, I'm not only a new breed of Queen, but I'm also a Sin Eater--a species just as rare as Queens. And for the first time...I'm struggling. While I know that my friends have my back, i can't seem to push away the darkness that threatens to consume my very soul.Connor, dire wolf shifter and a member of the now obsolete Council, won't let me face this darkness alone. Since claiming each other in a very public fashion, he hasn't given me an ounce of breathing room. Not that I want it. But I'm not sure if he's actually helping.We've also made a deal with an arcdemon. Knowing that we need Malick to help us face what's coming doesn't sit well with any of us, but what choice do we have? We're up against the original seven sins, beings so powerful all of the gods and goddesses couldn't destroy them. We're supposed to stop them from breaking out of Hell, but it feels as though we're playing catch up.When the bad guys don't play fair, is it okay if the good guys play just as dirty?

The Queens' English is a comprehensive guide to modern gay slang, queer theory terms, and playful colloquialisms that define and celebrate LGBTQIA+ culture. This modern dictionary provides an in-depth look at queer language, from terms influenced by celebrated lesbian poet Sappho and from New York's underground queer ball culture in the 1980s to today's celebration of RuPaul's Drag Race. The glossary of terms is supported by full-color illustrations and photography throughout, as well as real-life usage examples for those who don't quite know how to use “kiki,” “polysexual,” or “transmasculine” in a sentence. A series of educational lessons highlight key people and events that shaped queer language; readers will learn the linguistic importance of pronouns, gender identity, Stonewall, the Harlem Renaissance, and more. For every queen in your life—the men, women, gender non-conforming femmes, butches, daddies,

and zaddies—The Queens' English is at once an education and a celebration of queer history, identity, and the limitless imagination of the LGBTQIA+ community.

Walk with me as I journey through the steps and strategies of how to find our lost youth and raise them to their true identity—Kings and Queens.
