Norman L. Geisler,Jason Jimenez

Quizzing Dr. Mary Neal,2012-09-28 Quizzing is about encouraging, building up, evoking, provoking, challenging and renewing of the mind. Questions are good; if a question was never asked we might not be motivated to think. These evoking and thought-provoking questions will motivate one's thinking. In the back of the book, you will discover a wealth of information given by The Holy Ghost to enlighten the bookworm; those who hunger and thirst for more wisdom, knowledge, understanding and revelation.

Got Questions? S. Michael Houdmann,2014-04-24 Everyone has questions. Young children ask why? Teenagers ask why not? Adults sometimes lament what if? The God who created us and who loves us has given us the answers to life's most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on www.GotQuestions.org, the source for this book. Sadly, many individuals and ministries who offer advice are not biblically and theologically solid. That's why Got Questions? is crucially needed a resource that answers questions explicitly from a biblical perspective, with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, Got Questions? will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real-life issues who received solid, practical answers from the Bible. The articles in this volume are compiled from the more than 3,800 frequently-asked questions on our website, which are read over 7 million times each month. Some of the articles have been translated into 150 languages. Many books present teaching in a question-and-answer format, but few have delved into the questions that people are actually asking. Having received and answered more than 380,000 questions, Got Questions Ministries has a unique understanding of what questions are truly on people's minds.

That's in the Bible? Master Bible Quiz Barry L. Davis,2013-02-27 Get ready for a challenge! We have compiled 1,500 Questions and Answers on the Bible that are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series (1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological - perhaps some would find them easier if they were, for then they could air their theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired wisdom on which all theology is based - or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each.* Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. Once you know all 50 questions, move onto the next one.

100 Tough Questions about God and the Bible Stephen M. Miller,2014-04-15 Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let's be honest--the Bible can be hard to understand. It's full of weird laws, apparent inconsistencies, and tales of a God who often doesn't do what we expect. You may have asked about some of these things and been brushed off or given trite, unconvincing answers. But serious questions deserve thoughtful responses, especially when opinions of Bible experts clash. Stephen M. Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions. He does so with a touch of humor and no preaching, allowing you to draw your own conclusions. Questions include: · Would a loving God really put a good man like Job through horrible suffering just to test his loyalty? · If God knows everything, why did he test Abraham's faith by asking him to sacrifice his own son? · How could there be just one God, yet three? · Since Jesus told people to turn the other cheek, why aren't more Christians pacifists?
