The Miraculous Language of the Qur'an: Evidence of Divine Origin Bassam

Saeh,2015-01-12 This study illustrates why the language of the Qur'an is miraculous, unique, and evidence of divine authority. The author compares the language of the Qur'an with the language of pre-Islamic poetry, the Prophet's words (hadith), and the language of the Arabs both past and present, to demonstrate that although the Qur'an was revealed in Arabic it was at the same time an Arabic which was entirely new. Original and early Muslim audiences viewed this as miraculous and responded to the Qur'an's words, sounds, rhythms, etc. in a manner consistent with a deeper appreciation of its beauty and majesty which modern ears, trained by familiarity, and despite being surrounded by all manner of dictionaries and studies, are at a loss to capture. The author attempts to remove this veil and present the Qur'an to readers as if hearing it for the first time, to bring to life some of this wonder. In doing so he guides readers to appreciate the beauty of the Qur'an, to become more immersed in it, and to have a clearer understanding of its structure and flow. Devoting special attention to Surah Al Muddaththir, to underpin his analysis, Saeh thus brings the Revelation to life, to demonstrate that each surah has distinct features and characteristics that make it stand out uniquely within the design and sweep of the whole.

God in the Qur'an Jack Miles,2018-11-13 Who is Allah? What does He ask of those who submit to His teachings? Pulitzer Prize-winner Jack Miles gives us a deeply probing, revelatory portrait of the world's second largest, fastest-growing and perhaps most tragically misunderstood religion. In doing so, Miles illuminates what is unique about Allah, His teachings, and His resolutely merciful temperament, and he thereby reveals that which is false, distorted, or simply absent from the popular conception of the heart of Islam. So, too, does Miles uncover the spiritual and scriptural continuity of the Islamic tradition with those of Judaism and Christianity, and the deep affinities among the three by setting passages from the Hebrew Bible, the New Testament, and the Qur'an side by side. In the spirit of his two previous books, *God and Christ*, and with his characteristic sensitivity, perspicacity and prodigious command of the subject, Miles calls for us all to read another's scriptures with the same understanding and accommodating eye that we turn upon our own.

Abrogation in the Qur'an and Islamic Law Louay Fatoohi, 2012-11-12 This book examines in detail the concept of abrogation in the Qur'an, which has played a major role in the development of Islamic law and has implications for understanding the history and integrity of the Qur'anic text. The term has gained popularity in recent years, as Muslim groups and individuals claim that many passages about tolerance in the Qur'an have been abrogated by others that call on Muslims to fight their enemies. Author Louay Fatoohi argues that this could not have been derived from the Qur'an, and that its implications contradict Qur'anic principles. He also reveals conceptual flaws in the principle of abrogation as well as serious problems with the way it was applied by different scholars. *Abrogation in the Qur'an and Islamic Law* traces the development of the concept from its most basic form to the complex and multi-faceted doctrine it has become. The book shows what specific problems the three modes of abrogation were introduced to solve, and how this concept has shaped Islamic law. The book also critiques the role of abrogation in rationalizing the view that not all of the Qur'anic revelation has survived in the mushaf, or the written record of the Qur'an. This role makes understanding abrogation an essential prerequisite for studying the history of the Qur'anic text.

Essential Islam Diane Morgan, 2009-11-12 An introductory guide to the important elements of the world's largest religion, including the Quran, the Pillars of Faith, and the life of Muhammad, as well as Islamic history, customs and rituals, and contributions to world culture. *Essential Islam: A Comprehensive Guide to Belief and Practice* is the ideal beginner's resource on the core elements of a faith that, like Christianity and Judaism, offers a guide to holy living and a path to salvation—one that like other world faiths has inspired peace and war, tolerance and brutality, enlightenment and abysmal ignorance. *Essential Islam* offers an insightful, objective look at Islam from its inception to the present day, including a discussion of Islamic beliefs about God, history, warfare, marriage, the afterlife, and the relationship between Islam and other faiths. It is a rich source for dispelling misconceptions—for example, only 10 percent of Muslims are Arabic, and only a quarter of those reside in the Middle East—and for understanding tensions between groups within and outside Islam. More importantly, it gives readers a portrait of Islam not as a religion of extremists, but as a dynamic living faith practiced by people of all kinds in virtually every corner of the world.

The Quran and the Life of Excellence Sultan Abdulhameed, 2010 The Quran teaches that God does not change people's condition unless they change their inner selves. The change has to occur inside us first, in our beliefs and attitudes, only then can it be seen on the outside. It also teaches how we can change our inner selves and thus improve our circumstances. This book brings together a number of verses from the Quran that teach methods of personal change. Each verse is accompanied by advice on how to use its wisdom in daily life. The principles of personal growth taught in the Quran are simple but they are amazingly powerful, and they can be used by anyone who wishes to transform his or her life from mediocre existence to fulfillment and achievement. A sentence in the Quran is called an aya, or a sign. It is a sign pointing to a deep truth that we need to focus on, decipher and learn to use in our lives. The essays in this book were used to teach the Quran at weekly meetings of Muslim Reform Movement in Brookville, New York, www.mrmo.org. Each provides personal tools on how to apply the aya's wisdom to uplift one's life.

Nugget of Wisdom from the Quran Life lesson and teaching of the Holy Quran for a peaceful and happy life Rajender Kumar,2022-12-27 Do you want to have a more intimate and meaningful relationship with your Creator? If so, read on. Are you interested in learning more about Islam's genuine Message and Wisdom? More than a book, the material I give here for your consideration is a compilation of words intended to bring good news, to educate, and maybe even to warn you against something. It is a piece of work motivated by what I hope will be a sound and strong Message. In this guide, I aim to encourage my audience to think freely, widen their perspectives, and contemplate and seek their truth. This scripture warns individuals to never mindlessly accept any religion without first pondering on the faith in question and deducing its actual meaning from the evidence presented. Beyond all forms of belief and emotion, one must utilize their intellect to seek the truth at the heart of all religions. As a severe seeker of truth, this guide is intended to draw and empower individuals who question, reflect, and consider their own life's purpose and challenge their future and direction. Islam, for example, is a religion that is often misunderstood and misrepresented by the general public. To create an opinion about Islam, one must first evaluate their existing knowledge of this religion to determine its thoroughness and truthfulness before forming that view. This book aims to bring positivity, happiness, and good health to the reader by following the teaching of Islam and the holy book Quran. The author wants to uncover the hidden wisdom from the most sacred book that ever existed, the Holy Quran. Humanity has been given a Divine Book that will guide them to a better life both in this world and the next. The Holy Quran is a one-of-a-kind book that has the power to alter one's thoughts, feelings, and actions. Islam and the Holy Quran transform people from the inside out, transforming them into better people. The mission is to assist people in discovering the Wisdom, Inspiration, and Beauty that may be found in Islam and the Holy Quran. Inadequate education about Allah's words, Wisdom, and Advice leads to the development of a negative attitude toward Allah (God). People who hear about Islam from News channels or the Internet assume that God is a harsh, stern, cruel, and demanding deity who demands that His creation submit entirely to Him while also demanding that they respect, worship, and obey Him completely. In reality, God is All-Loving and All-Merciful in all that he does. Islam is much more than a set of rules and regulations; it is a way of life and religion in its own right. In this work, the author hopes to assist readers in realizing that Islam is a religion of wisdom, love, and mercy for all and that it is the true religion of God. Overall, the goal of this Message is to open up a fresh new level of thought that will allow one to recognize the ultimate significance of their being in this universe; to assist one in understanding their divine relationship with the Creator. The Islamic faith is helpful only to those who are sincere in their pursuit of guidance. It is harmful to those who are not sincere and honest in their spiritual quests, reject divine guidance and spiritual truth, and are not serious and honest in their spiritual pursuits.
