Radical Focus Christina Wodtke, 2021-04-15 Radical Focus is a must-read for anyone who wants to accomplish out-sized results. Christina does a great job showing both the why and the how of OKRs. Avoid the all-too-common mistakes by reading this book first. - Teresa Torres, author Continuous Discovery Habits This book is useful, actionable, and actually fun to read! If you want to get your team aligned around real, measurable goals, Radical Focus will teach you how to do it quickly and clearly. - Laura Klein, Principal, Users Know The award-winning author of The Team That Managed Itself and Pencil Me In returns with a new and expanded edition of her landmark book on OKRs. If you've ever wanted to know how to use OKRs, or why yours might not be working, Radical Focus teaches you everything you need to achieve your goals. The author pulls from her experience with Silicon Valley's hottest companies to teach practical insights on OKRs in the form of a fable. When Hanna and Jack receive an ultimatum from the only investor in their struggling tea supply company, they must learn how to employ Objectives and Key Results (OKRs) with radical focus to get the right things done. Using Hanna and Jack's story, Wodtke walks readers through how to inspire a diverse team to work together in pursuit of a single, challenging goal, and how to stay motivated despite setbacks and failures. Radical Focus has been translated into six languages and sold more than 50,000 copies. Now, the second edition of her OKR manifesto proves that Wodtke's business strategies are essential in a world where focus seems to be a more and more unreachable goal. The updated version includes 22,000 words of all-new material designed to help OKR users in larger companies create, grade, and manage OKRs in ways that accelerate success and drive rapid

organizational learning. Ready to move your team in the right direction? Read this book together, and learn Wodtke's powerful system for attaining your most important goals with radical focus.

Radical Kindness Angela Santomero, 2019-03-05 The beloved creator of *Blues Clues* and *Daniel Tiger's Neighborhood* and protégé of Fred Rogers explores the importance of kindness and how it can change your life in this essential guide and tie-in to the PBS special, "The Power of Radical Kindness." Angela C. Santomero, the creator, executive producer, and head writer of many of today's most popular educational children's shows believes in the radical power of kindness, on her shows, and in her life. Inspired by her mentor Fred Rogers, beloved host of the classic, award-winning PBS show *Mister Rogers' Neighborhood*, Angela has dedicated her life to teaching others that when you treat yourself and others with warmth, empathy, and respect, life changing benefits follows. From the true meaning of self-care and the gift of vulnerability, to the importance of active listening or the magic of asking for help, *Radical Kindness* goes beyond The Golden Rule and entreaties to "be nice," contending that kindness is the key to recognizing others, and ourselves, as worthy of love and understanding. Much like gratitude, Angela contends we need a kindness practice. A practice in which we learn to see with our hearts and act from a place of compassion. As the Dalai Lama says, "Be kind whenever possible. It is always possible." Through practicing radical kindness—toward ourselves, with loved ones, and to the world at large—we can transform ourselves, our neighborhood, and our world for the better.

How to Raise Successful People Esther Wojcicki, 2019-05-07 The Godmother of Silicon Valley, legendary teacher, and mother of a Super Family shares

her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--Woj to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. *How to Raise Successful People* offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world.

Radical Acceptance Tara Brach, 2004-11-23 The life-changing guide to finding freedom from our self-doubt through the revolutionary practice of Radical Acceptance from the renowned meditation teacher, psychologist, and author—now revised and updated with a new introduction and an in-depth guide to the author's signature mindfulness techniques. "Radical Acceptance offers us an invitation to embrace ourselves with all our pain, fear, and anxieties, and to step lightly yet firmly on the path of understanding and compassion."—Thich Nhat Hanh "Believing that something is wrong with us is a deep and tenacious suffering," says Tara Brach at the start of this illuminating book. This suffering emerges in crippling self-

judgments and conflicts in our relationships, in addictions and perfectionism, in loneliness and overwork—all the forces that keep our lives constricted and unfulfilled. Radical Acceptance offers a path to freedom, including the day-to-day practical guidance developed over Dr. Brach's forty years of work with therapy clients and Buddhist students. Writing with great warmth and clarity, Tara Brach brings her teachings alive through personal stories and case histories, fresh interpretations of Buddhist tales, and guided meditations. Step by step, she shows us how we can stop being at war with ourselves and begin to live fully every precious moment of our lives.

A Condensation from the Book Success Quotes : a Paradigm Shift of Success S. Darling, 2019-01-31 What is success? Despite all the endless books, articles and debate about success, are you still wondering what success is? The Webster dictionary defines success as getting or achieving wealth, respect, or fame. If success is about gaining wealth, respect or fame, how much wealth do you need to be successful, how much respect or how much fame do you need to be successful? What if you decide to devote your life to serving mankind, making a positive impact on society, raising children of character or serving your country in humility? Does it mean you are less successful? No. Success is doing the best you can with what you have whatever you are in life. This book is compiled in quotes based on the concept that success can be cultivated. Every single one of us is capable of achieving our highest potential. Anders Ericsson The size of your success is measured by the strength of your desire, the size of your dream, and how you handle disappointment along the way - Robert Kiyosaki Change your perspective on success, learn what success really means, and what strategies you need to be successful from a selection of quotes. Solitary Albert Woodfox, 2019-03-12 “An uncommonly powerful memoir about four decades in confinement . . . A profound book about friendship [and] solitary confinement in the United States.” —New York Times Finalist for the Pulitzer Prize and the National Book Award Solitary is the unforgettable life story of a man who served more than four decades in solitary confinement—in a 6-foot by 9-foot cell, twenty-three hours a day, in Louisiana’s notorious Angola prison—all for a crime he did not commit. That Albert Woodfox survived at all was a feat of extraordinary endurance. That he emerged whole from his odyssey within America’s prison and judicial systems is a triumph of the human spirit. While behind bars in his early twenties, Albert was inspired to join the Black Panther Party because of its social commitment and code of living. He was serving a fifty-year sentence in Angola for armed robbery when, on April 17, 1972, a white guard was killed. Albert and

another member of the Panthers were accused of the crime and immediately put in solitary confinement. Without a shred of evidence against them, their trial was a sham of justice. Decades passed before Albert was finally released in February 2016. Sustained by the solidarity of two fellow Panthers, Albert turned his anger into activism and resistance. The Angola 3, as they became known, resolved never to be broken by the corruption that effectively held them for decades as political prisoners. Solitary is a clarion call to reform the inhumanity of solitary confinement in the United States and around the world.

This Is What America Looks Like ILHAN. OMAR, 2020-05-28 Ilhan Omar's career is a collection of historic firsts: she is the first refugee, the first Somali-American and one of the first two Muslim women to serve

in the United States Congress. Against a xenophobic and divisive administration, she has risen to global fame as a powerful voice in the Democratic Party's new progressive chorus of congresswomen of colour. 'This Is What America Looks Like' is a tale of the aspirations, disappointments, successes and surprises in the life of an immigrant and Muslim in the US today. This is Omar's story told on her own terms: from a childhood in Mogadishu and four long years at a Kenyan refugee camp, to her arrival in America-- penniless and speaking only Somali--and her triumphant election to the US House of Representatives. In the face of merciless slander and constant attacks from opponents in both parties, Omar continues to speak up for her beliefs. Courageous, hopeful and defiant, her memoir is marked by her irrepressible spirit, even in the darkest of times.

Radical Compassion Tara Brach, 2020-12-29 One of the most beloved and trusted mindfulness teachers in America offers a lifeline for difficult times: the RAIN meditation, which awakens our courage and heart Tara Brach is an in-the-trenches teacher whose work counters today's ever-increasing onslaught of news, conflict, demands, and anxieties--stresses that leave us rushing around on autopilot and cut off from the presence and creativity that give our lives meaning. In this heartfelt and deeply practical book, she offers an antidote: an easy-to-learn four-step meditation that quickly loosens the grip of difficult emotions and limiting beliefs. Each step in the meditation practice (Recognize, Allow, Investigate, Nurture) is brought to life by memorable stories shared by Tara and her students as they deal with feelings of overwhelm, loss, and self-aversion, with painful relationships, and past trauma--and as they discover step-by-step the sources of love, forgiveness, compassion, and deep wisdom alive within all of us. Extreme Ownership Jocko Willink, Leif

Babin, 2017-11-21 An updated edition of the blockbuster bestselling leadership book that took America and the world by storm, two U.S. Navy SEAL officers who led the most highly decorated special operations unit of the Iraq War demonstrate how to apply powerful leadership principles from the battlefield to business and life. Sent to the most violent battlefield in Iraq, Jocko Willink and Leif Babin's SEAL task unit faced a seemingly impossible mission: help U.S. forces secure Ramadi, a city deemed "all but lost." In gripping firsthand accounts of heroism, tragic loss, and hard-won victories in SEAL Team Three's Task Unit Bruiser, they learned that leadership—at every level—is the most important factor in whether a team succeeds or fails. Willink and Babin returned home from deployment and instituted SEAL leadership training that helped forge the next generation of SEAL leaders. After departing the SEAL Teams, they launched Echelon Front, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, *Extreme Ownership* shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, *Extreme Ownership* revolutionizes business management and challenges leaders everywhere to fulfill their ultimate

purpose: lead and win.

Emergence Derek Rydall, 2015-01-06 In his bestselling book Emergence, Derek Rydall helps you throw aside the self-help books and recognize one simple, radical truth: the answer is already in you. The harder we try to change, the deeper in the hole we get. We find a new partner but have the same old fights. We strive for an ever-bigger paycheck but end up broke at a higher income bracket. This is what happens when the basic principle of life—the Law of Emergence—is disrupted, stopping you from knowing that you are the perfect you. Like an acorn is a perfect acorn that becomes a perfect oak tree, there is not a part of you from beginning to end that isn't exactly what you should be. The Law of Emergence provides the foundation to re-engage with this ancient principle. In this seven-stage framework, spiritual life coach Derek Rydall shows that we aren't lacking anything; everything we need to fulfill our full potential is already inside us. Backed by an ancient truth that has largely been lost, Rydall changes the conversation around how to achieve your potential by showing you how to activate the genius already in you and empower your purpose in life. If you are struggling to improve something about yourself—your health, your mindset, your relationships, then Emergence is the book and Derek is the teacher you have been waiting for.

I Know Why the Caged Bird Sings Maya

Angelou,2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.
