**The Multivalence of an Epic** Parul Pandya Dhar,2023-10-06 This volume examines The Rāmāyaṇa traditions of South India and Southeast Asia. Bringing together 19 well-known scholars in Rāmāyaṇa studies from Cambodia, Canada, France, India, Indonesia, Malaysia, Singapore, Thailand, UK, and USA, this thought-provoking and elegantly illustrated volume engages with the inherent plurality, diversity, and adaptability of the Rāmāyaṇa in changing socio-political, religious, and cultural contexts. The journey and localization of the Rāmāyaṇa is explored in its manifold expressions – from classical to folk, from temples and palaces to theatres and by-lanes in cities and villages, and from ancient to modern times. Regional Rāmāyaṇas from different parts of South India and Southeast Asia are placed in deliberate juxtaposition to enable a historically informed discussion of their connected pasts across land and seas. The three parts of this volume, organized as visual, literary, and performance cultures, discuss the sculpted, painted, inscribed, written, recited, and performed Rāmāyaṇas. A related emphasis is on the way boundaries of medium and genre have been crossed in the visual, literary, and performed representations of the Rāmāyaṇa. Print edition not for sale in South Asia (India, Sri Lanka, Nepal, Bangladesh, Pakistan and Bhutan)

**Throne Wars** Pravin Shekar,2021-01-29 WAR, HISTORY and MARKETING STRATEGIES!THRONE WARS is a fictionalized presentation inspired by the lives of the Chola and Pandya kings, who ruled vast parts of Southern India many centuries ago. The history of India is replete with colourful stories involving ambitious rulers, wily court strategists, brave commanders and guerilla warfare, all of which make for compelling reading even today. Not just that. They carry many important, timeless marketing lessons

for business leaders. This book is a collection of a few such stories with a few such lessons, which will be useful to corporate leaders, entrepreneurs and marketers. It is for them that I have written this book. While I have taken the stories from the history of South India (of which I am a tiny part), I have drawn inspiration for some of the strategies and learnings from Sun Tzu's ancient classic, The Art of War. The interpretation and learnings mentioned in each chapter are those that I strive to implement for my business and those of my clients. I believe they will help you in your business, too.
