Font adjustments & biography included Unabridged (100% Original content) Illustrated About Ralph the Heir by Anthony Trollope Ralph the Heir is a novel by Anthony Trollope, originally published in 1871. Although Trollope described it as one of the worst novels I have written, it was well received by contemporary critics. The title character is Ralph Newton, the nephew of Squire Gregory Newton of Newton Priory. The squire has never married; he has an illegitimate son, also named Ralph Newton, whom he loves dearly. However, the estate is entailed, and after his death will go to his nephew Ralph; he cannot leave it to his natural son. Ralph the heir is a spendthrift, and has run himself deep into debt. There are two ways in which he can extricate himself: by raising money on his future interest in the Newton estate, or by marrying Polly Neefit, the daughter of a wealthy breeches-maker who is one of his major creditors. Neither choice is a good one for him: the first might lead to the estate's being seized by his creditors upon the old squire's death; the second would mean allying himself to a family of a much lower social class, thus putting his own social standing at risk. The squire, anxious to obtain full possession of the estate so that he can pass it to his son, offers to buy the heir's reversion. Ralph vacillates, hesitatingly proposes to and is rejected twice by Polly Neefit, and eventually accepts his uncle's offer. However, before the transaction can be completed, the squire is killed in a hunting accident and his nephew comes into full possession of the property and its large income.

Ralph the Heir Anthony Trollope,F. A. Fraser,2017-02-02 Ralph the Heir is a novel by Anthony Trollope, originally published in 1871. Although Trollope described it as one of the worst novels I have written, it was well received by contemporary critics. More recently, readers have found it

noteworthy for its account of a corrupt Parliamentary election, an account based closely on Trollope's own experience as a candidate. Plot: The title character is Ralph Newton, the nephew of Squire Gregory Newton of Newton Priory. The squire has never married; he has an illegitimate son, also named Ralph Newton, whom he loves dearly. However, the estate is entailed, and after his death will go to his nephew Ralph; he cannot leave it to his natural son. Ralph the heir is a spendthrift, and has run himself deep into debt. Neither choice is a good one for him: the first might lead to the estate's being seized by his creditors upon the old squire's death; the second would mean allying himself to a family of a much lower social class, thus putting his own social standing at risk. The squire, anxious to obtain full possession of the estate so that he can pass it to his son, offers to buy the heir's reversion. Ralph vacillates, hesitatingly proposes to and is rejected twice by Polly Neefit, and eventually accepts his uncle's offer. However, before the transaction can be completed, the squire is killed in a hunting accident and his nephew comes into full possession of the property and its large income. Now safe from his creditors, the new squire is nevertheless harassed by Polly Neefit's father, who threatens him with legal action and embarrassing publicity if he does not continue seeking his daughter's hand. The matter is eventually resolved by Polly, who accepts the oft-repeated proposals of Ontario Moggs, son of a prosperous bootmaker, and induces her father to consent to the marriage despite his preference for the squire. In the meantime, Ralph the squire has proposed to and been rejected by Mary Bonner, the beautiful niece and ward of Sir Thomas Underwood; soon after this, she accepts an offer of marriage from the illegitimate Ralph. The novel also describes a Parliamentary election in the fictional borough of Percycross, in which Sir Thomas, a Conservative, and Moggs, a Radical, are two of the four candidates for the two available seats. Both are eager that the election be conducted fairly and honestly. The other two candidates, one a Conservative and one a Liberal, are the incumbents; they see nothing wrong with the buying and selling of votes that has been traditional at Percycross. Sir Thomas and his fellow Conservative win the election, but it is annulled on petition, and the borough is disfranchised by Parliament because of its pervasive corruption. Anthony Trollope (24 April 1815 - 6 December 1882) was an English novelist of the Victorian era. Among his best-known works is a series of novels collectively known as the Chronicles of Barsetshire, which revolves around the imaginary county of Barsetshire. He also wrote novels on political, social, and gender issues, and other topical matters. Trollope's literary reputation dipped somewhat during the last years of his life, but he had regained the esteem of critics by the mid-20th century. F. A. Ralph the Heir (Classic Reprint) Anthony Trollope, 2015-07-07 Excerpt from *Ralph the Heir*

There are men who cannot communicate themselves to others, as there are also men who not only can do so, but cannot do otherwise. And it is hard to say which is the better man of the two. We do not specially respect him who wears his heart upon his sleeve for daws to peck at, who carries a crystal window to his bosom so that all can see the work that is going on within it, who cannot keep any affair of his own private, who gushes out in love and friendship to every chance acquaintance; but then, again, there is but little love given to him who is always wary, always silent as to his own belongings, who buttons himself in a suit of close reserve which he never loosens. Respect such a one may gain, but hardly love. It is natural to us to like to know the affairs of our friends; and natural also, I think, to like to talk of our own to those whom we trust. Perhaps, after all that may be said of the weakness of the gushing and indiscreet babbler, it is pleasanter to live with such a one than with the self-constrained reticent man of iron, whose conversation among his most intimate friends is solely of politics, of science, of literature, or of some other subject equally outside the privacies of our inner life. Sir Thomas Underwood, whom I, and I hope my readers also, will have to know very intimately, was one of those who are not able to make themselves known intimately to any.
