Once Upon a K-Prom Kat Cho,2022-05-17 What would you do if the world's biggest K-pop star asked you to prom? Perfect for fans of Jenny Han and Sandhya Menon, this hilarious and heartfelt novel brings the glamour and drama of the K-pop world straight to high school. Elena Soo has always felt overshadowed. Whether by her more successful older sisters, her more popular twin brother, or her more outgoing best friend, everyone except Elena seems to know exactly who they are and what they want. But she is certain about one thing - she has no interest in going to prom. While the rest of the school is giddy over corsages and dresses, Elena would rather spend her time working to save the local community center, the one place that's always made her feel like she belonged. So when international K-pop superstar Robbie Choi shows up at her house to ask her to prom, Elena is more confused than ever. Because the one person who always accepted Elena as she is? Her childhood best friend, Robbie Choi. And the one thing she maybe, possibly, secretly wants more than anything? For the two of them to keep the promise they made each other as kids: to go to prom together. But that was seven years ago, and with this new K-pop persona, pink hair, and stylish clothes, Robbie is nothing like the sweet, goofy boy she remembers. The boy she shared all her secrets with. The boy she used to love. Besides, prom with a guy who comes with hordes of screaming fans, online haters, and relentless paparazzi is the last thing Elena wants - even if she can't stop thinking about Robbie's smile...right?

Wicked Fox Kat Cho,2020-07-21 An addictive fantasy-romance set in modern-day Seoul. Eighteen-year-old Gu Miyoung has a secret--she's a gumiho, a nine-tailed fox who must devour the energy of men

in order to survive. Because so few believe in the old tales anymore, and with so many evil men no one will miss, the modern city of Seoul is the perfect place to hide and hunt. But after feeding one full moon, Miyoung crosses paths with Jihoon, a human boy, being attacked by a goblin deep in the forest. Against her better judgment, she violates the rules of survival to rescue the boy, losing her fox bead--her gumiho soul--in the process. Jihoon knows Miyoung is more than just a beautiful girl--he saw her nine tails the night she saved his life. His grandmother used to tell him stories of the gumiho, of their power and the danger they pose to men. He's drawn to her anyway. When he finds her fox bead, he does not realize he holds her life in his hands. With murderous forces lurking in the background, Miyoung and Jihoon develop a tenuous friendship that blossoms into something more. But when a young shaman tries to reunite Miyoung with her bead, the consequences are disastrous and reignite a generations-old feud . . . forcing Miyoung to choose between her immortal life and Jihoon's.

Battle Bunny Jon Scieszka, Mac Barnett, 2013-10-22 Alex, whose birthday it is, hijacks a story about Birthday Bunny on his special day and turns it into a battle between a supervillain and his enemies in the forest--who, in the original story, are simply planning a surprise party.

Blah Blah Blah Card Game MRS WORDSMITH, 2020-02-25 Finally, a way to make practising phonics fun! Master decoding words using phonics with these three decks of increasing difficulty. Race to get rid of your cards by matching sounds and letters, and play wild cards to trip up your opponents! Blah Blah Blah is a hilariously fun card game, perfect for kids who are just starting to learn to read. Master decoding words using phonics with these three decks of increasing difficulty. Race to get rid of your cards by matching

sounds and letters, and play wild cards to trip up your opponents! How does Blah Blah Blah work? Every card features a word consisting of three letters (or groups of letters). Each player takes seven cards. One card is placed face-up on the table with the rest of the deck in a pile, face-down. Players must play a card from their hand that contains at least one of the letters that are in the word on the table. The first player to get rid of all their cards wins. But beware! Wild cards hidden in the deck can force you to skip your turn or draw more cards. Blah Blah Blah was developed with a unique proprietary algorithm by our machine learning team to make sure it works. And it was tested with teachers and kids to make sure they love it! Why are phonics so important? English consists of about 44 phonemes (sound variations), but more than 170 graphemes (different written representations for these sounds). This means that English has no strict one-to-one correspondence between letters and sounds, but it's also not entirely irregular. It involves numerous patterns and regularities. Phonics is the method that helps children become aware of these regularities, and it's proven to be very effective.

Relovutionary Jonathon William King, 2020-09-18 “RELOVUTIONARY’ clearly demonstrates that Jonny King has something of value to say to the church in these days. I commend his book to you.” —Jeff Crosby, Publisher, InterVarsity Press/USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing. Every individual hungers and aches to live an expression of the good life. This compulsion inside is as automatic as it is intuitive. This general human longing reflects a common drive for meaning, and not just for the Christian. Still, most intimately know they can't entirely do life their way. Whilst the majority readily confess, they haven't the sufficient means, or even the necessary power. After all, look at what happens when a global pandemic shuts down life?! The fact we rarely arrive at contented satisfaction becomes life's own rolling stone. Do you have a present vision? Are you confident of the process? What about any worthwhile or ultimate goal? This living challenge becomes even more practically specific for the Christian. What if someone asked you for the content of a faithful and fruitful life for Christ? What would you say? Now factor in these challenging and confronting cultural times. How would you reply? After all, you sincerely love Jesus, and passionately want to live for Him, which means you're entirely motivated to offer something not only realistic, but true. But can you? The good news is that in your hands contain the opening lines, where

RELOVUTIONARY intends to be your own personal guide. Volume One introduces this idea, setting the coordinates for the reader's unfolding navigation. The context is huge, only increasing any anticipation on this series' comprehensive value. This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence, and for every genuine follower of Jesus Christ, determined to live a life worthy of His calling. There is no greater promise or purpose than living for Jesus-no matter age, stage, time, or place-which means there should be no further reading delay.

WELCOME TO THE LIFE: RELOVUXIONARY

The Laughing Librarian Jeanette C. Smith,2014-01-10 Despite the stodgy stereotypes, libraries and librarians themselves can be quite funny. The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the New Yorker to the satire of Mad. This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark, from parodies to portrayals of libraries and their staffs as objects of fear. It illuminates different types of librarians--the collector, the organization person, the keeper, the change agent--and explores stereotypes like the shushing little old lady with a bun, the male scholar-librarian, the library superhero, and the anti-stereotype of the sexy librarian. Profiles of the most prominent library humorists round out this lively study.

Vicious Spirits Kat Cho,2020-08-18 New romance and dangers abound in this companion to the crowd-pleasing Wicked Fox. After the events of Wicked Fox, Somin is ready to help her friends pick up the pieces of their broken lives and heal. But Jihoon is still grieving the loss of his grandmother, and Miyoung

is distant as she grieves over her mother's death and learns to live without her fox bead. The only one who seems ready to move forward is their not-so-favorite dokkaebi, Junu. Somin and Junu didn't exactly hit it off when they first met. Somin thought he was an arrogant self-serving, conman. Junu was, at first, amused by her hostility toward him until he found himself inexplicably drawn to her. Somin couldn't deny the heat of their attraction. But as the two try to figure out what could be between them, they discover their troubles aren't over after all. The loss of Miyoung's fox bead has caused a tear between the world of the living and the world of the dead, and ghosts are suddenly flooding the streets of Seoul. The only way to repair the breach is to find the missing fox bead or for Miyoung to pay with her life. With few options remaining, Junu has an idea but it might require the ultimate sacrifice. In usual fashion, Somin may have a thing or two to say about that. In *Vicious Spirits*, Kat Cho delivers another beguiling and addictive read full of otherworldly dangers and romance.
