The Art of Reciting the Qur'an Kristina Nelson, 2001 For the Muslim faithful, the familiar sound of the Qur'anic recitation is the predominant and most immediate means of contact with the Word of God. Heard day and night, on the street, in taxis, in shops, in mosques, and in homes, the sound of recitation is far more than the pervasive background music of daily life in the Arab world. It is the core of religious devotion, the sanctioning spirit of much cultural and social life, and a valued art form in its own right. Participation in recitation, as reciter or listener, is itself an act of worship, for the sound is basic to a Muslim's sense of religion and invokes a set of meanings transcending the particular occasion. For the most part, Westerners have approached the Qur'an much as scriptural scholars have studied the Bible, as a collection of written texts. The Art of Reciting the Qur'an aims at redirecting that focus toward a deeper understanding of the Qur'an as a fundamentally oral phenomenon. Focusing on the Egyptian context, and examining Muslim attitudes toward the Qur'an, the institutions that regulate its recitation, and performer-audience expectations and interaction. Kristina Nelson, a trained Arabist and musicologist, casts new light on the significance of Qur'anic recitation within the world of Islam today. This new edition of a landmark study, with a new postscript, will be welcomed by all scholars and students of the modern Middle East, as well as by ethnomusicologists, anthropologists, linguists, folklorists, and religious scholars. 'This is an important book--a book of cultural translation in the best sense of the word: it translates meaning.' --Regula Burckhardt Qureshi, *Ethnomusicology* 'Quite simply, the book changes the way one understands the Qur'an, and it changes the way one listens.' --Philip D. Schuyler, *MESA Bulletin*

Approaching the Qur'an Michael Sells, 2023-10-05 Approaching the Qur'an presents brilliant translations of the short, hymnic chapters, or Suras, associated with the first revelations to the Prophet Muhammad. These early Suras contain some of the most powerful, prophetic, and revelatory passages in religious history, offering the vision of a meaningful and just life that anchors the faith of one fifth of the world's inhabitants. In addition to these translations, Michael Sells provides an introduction to the Qur'an, commentaries on the Suras, a glossary of technical terms, and discussions of the auditory nature and gender aspects of the Arabic text. An ideal resource for students and interested lay readers, this third edition also includes a new full Sura and associated commentary, a new preface, and a thoroughly updated bibliography.

Heavenly Voice Tarek Abdul Basit, Widely considered to be one of the greatest Quran reciters of the modern era, Abdul Basit Abdus Samad received the global acclaim that no other Quran reciter has received to this day. Born in 1927 in a village in Upper Egypt, he finished memorising the entire Quran by heart at the tender age of ten. He also learnt the seven styles of Quran recitation by the age of twelve and the ten styles of Quran recitation by the age of fourteen. In 1951, at the age of nineteen, he went to the capital Cairo for the first time and recited the Quran at Zaynab Mosque. It was an event where many famous Quran reciters were present. His performance was so outstanding that the crowd requested him to recite beyond his allocated ten minutes – in fact, he continued to recite for over an hour and a half. There began his journey of ascension. In the same year, he started reciting the Quran on Egyptian National Radio. Abdul Basit later went on to win three international Quran competitions in the seventies and toured the world mesmerising audiences with his breathtaking recitation. He was the founding president of the Union of Quran Reciters in Egypt. He was dubbed the “Golden Throat and the Voice of Heaven” due to his melodious style, remarkable breath control, and unique emotional and engaging tone. His legacy remains unmatched as Quran reciters across the world attempt to imitate his unique and mesmerising style. This profile charts his journey from a village in Upper Egypt to international fame and recognition.

The Meaning of the Glorious Koran Mohammed Marmaduke Pickthall, 1997-05-01 The classic translation of the Koran by a convert to Islam In 1930, Mohammed Marmaduke Pickthall, a Western Islamic scholar and convert to Islam, published this English translation of the Koran, the central religious text of Islam, which the Times Literary Supplement lauded as “a great literary achievement.” The aim of this work is to present to American readers what Muslims the world over hold to be the meaning of the words of the Koran, and the nature of that Book, accurately and concisely, with a view to the requirements of English-speaking Muslims. The first English translation of the Koran by an Englishman who is a Muslim, the Book is here rendered almost literally, and every effort has been made to choose befitting language. Regarded by Muslims as God's actual words revealed to the prophet Mohammed, the Koran remains the supreme authority of the Islamic tradition. Comprising laws, moral precepts, and narratives, its timeless texts are the inspiration and guide of millions of Muslims. With this remarkably readable and scholarly translation, Pickthall introduces the sacred scriptures of the Koran to Western readers—and provides invaluable

and fascinating insight into one of the world's great religions.

Variant Readings of the Qur'an Ahmad Ali Al-Imam,2006, إمام أحمد علي This fascinating and important book attempts to investigate the nature of the seven Ahruf in which the Qur'an has been revealed and the reason for the variations in readings among the Qurraa of the Quran. It studies, examines, and discusses: the revelation of the Qur'an in the seven ahruf concluding that they represent seven linguistical ways of recitation; the compilation of the Quran during the lifetime of the Prophet and the preservation of the Quran in the memories of the Companions as well as in written form, the compilation during the time of Abu Bakr, and the further compilation during the time of Uthman; the problem of naskh to demonstrate the completeness and trustworthiness of the Quran and that no verses are missing or were read and abrogated by naskh al-tilawah either with or without hukm; the Uthmanic masahif and their relation to the seven ahruf; the language of the Quran and whether it includes one, several, or all the dialects of the Arabs; the origin of the qiraat and conditions governing accepted readings; and ikhtiyar (i.e., the selection of one reading rather than another) and the rules governing the Qurraa' who selected a reading.

Translation of the Meanings of the Holy Quran Into the English Language The Noble Quran Encyclopedia,2021-08-09 The Holy Quran literally meaning the recitation; also romanized as Qur'an or Koran is the central religious text of Islam, which Muslims believe to be a revelation from Allah (swt) (God). The Quran is divided into chapters (surah in Arabic), which are then divided into verses (ayah). Muslims believe that the Quran was verbally revealed by God to Muhammad through the angel Gabriel (Jibril), gradually over a period of approximately 23 years, beginning on 22 December 609 CE, when Prophet Muhammad SAW was 40, and concluding in 632, the year of his death. Muslims regard the Quran as the most important miracle of Prophet Muhammad SAW, a proof of his prophethood, and the culmination of a series of divine messages that started with the messages revealed to Prophet Adam (Pbuh) and ended with Prophet Muhammad SAW. The word Quran occurs some 70 times in the text of the Quran, although different names and words are also said to be references to the Quran. This particular edition was translated by two Madina based scholars Dr. Muhsin Khan and Dr. Taqi-ud-Din Hilali. It features frequent footnotes gleaned by the translators from Tafsir At-Tabari, Al-Qurtubi and Tafsir Ibn Kathir, and Sahih-al-Bukhari. It is unique, remarkable and distinguished for its crystal clear, precise and pristine meanings. The work is recognised, approved and widely attributed throughout the world. Offers commentary and hadith related to the verse. This unique combination of commentary and relevant Ahadith makes this a very useful study reference tool. This edition consists of the English Translation only. Women, the Recited Qur'an, and Islamic Music in Indonesia Anne Rasmussen,2010-08-23 Rasmussen has written a classic study of the world of Islamic soundscapes, performances and forms of musical piety in that most complex of societies, Indonesia. With great sensitivity, an alert musical response to players, reciters and audiences, a keen practitioner's ear and eye for subtlety as well as for the complexities of 'noise', she changes common assumptions about Muslim music and, not least, gender in changing Islamic ritual cultures. Her own political awareness and her professional as well as personal relations with women Qu'ran reciters contribute to an exciting an original volume that I recommend to any one exploring the riches of Islamic performances and debates in the contemporary world.—Michael Gilsenan, author of *Lords of the Lebanese Marches: Violence and Narrative in an Arab Society*

Quran: A Simple English Translation (Goodword ! Koran) Maulana Wahiduddin Khan (Translator) ,2013-12-19 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhmmad

Quran Talal Itani,2014-08-17 Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word Allah to refer to the Creator. Edition (B) uses the word God. Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, This is the she-camel of Allah, so let her drink. 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.
