- 📖 [Fun with the Family Northern California](#) Karen Misuraca,2011-05-03 Geared towards parents with children between the ages of two and twelve, Fun with the Family Northern California features interesting facts and sidebars as well as practical tips about traveling with your little ones.
- 📖 [Relax, You’re Already Home](#) Raymond Barnett,2004-12-16 Simple ways to a fuller and more vibrant existence, drawn from the Taoist tradition and shaped to fit our modern lives. Relax, You’re Already Home explores how we can enrich our lives in modern America by incorporating simple habits discovered in the Taoist tradition. We don’t have to dramatically reshape our lives or perform time-consuming rituals like meditation, kung fu, or breathing practices. Dr. Raymond Barnett instead shows how we can focus on basic daily Taoist habits through activities like going to the park, gardening, or enjoying a cup of tea. He even helps us create our own rituals around holidays, saints, historical figures or events, or anything else that resonates with us. This warm and accessible book is ideal for anyone whose life seems too fast and complicated, as well as for those who are interested in Eastern religions but don’t have the time or inclination to take up esoteric practices. Complete with “interactives” that suggest exercises and probing questions, Relax, You’re Already Home is a perfect primer for Taoism and a philosophy in its own right.
- 📖 [Renegade Colonel](#) Bill Murray,2009-11 To say Bill Murray’s entire life has been unconventional would be an understatement! After all, how many people have lived in Canada, England, Spain and traveled the world; burned down a barn and two houses, graduated from the Air Force Academy (1975), and while there burned up a dorm room; played collegiate football, wresting, and lacrosse; flown supersonic fighters, got booted out of the Air Force over a wet rug, only to be reinstated a few years later; crashed an aerobatic plane and survived, had cancer and survived, had children and survived? You get the idea! In Renegade Colonel, Murray recounts his experiences from childhood through his Air Force career. From his early years an F-111 WSO to his later years in leadership positions as a senior director in the Air Force, Bill has had the experiences of a lifetime. He wrote this book because in years to come, he wants his family and friends to be able to share in the memories and travel back in time, if only for a few chapters. Renegade Colonel is a book of unbelievable lifetime experiences experiences anyone could enjoy vicariously and learn from!
- 📖 [Lower American River](#) Sacramento Public Library Authority,2021 Flowing through Sacramento County, the American River has long been a dynamic neighbor to those living along its waters. As the American River flooded, its banks were leveed, and its course was corrected to allow for further settlement and industry. Sacramento, in a feat of civic engagement, raised its business district above the floodplain, echoing the earthen mounds the Nisenan people used to raise their homes. Massive dredgers tore the riverbed in search of California’s famous mineral. Railroad tracks, and later roads, were built to accommodate for more and more people living along its banks. The American River pressed those banks, but the residents of the Sacramento Valley persisted and created a vibrant capital for one of the world’s largest economies.

- 📖 [Sacramento’s Oak Park](#) Lee M. A. Simpson,2004 The history of American cities is a history of suburbs. It is a history of moving out and settling in, of technological innovation, of rearrangements of space, and the creation and erosion of community. Oak Park was Sacramento’s first suburb, and before being officially annexed to the city in 1911, it prided itself on having separate law enforcement, its own newspaper, and perhaps most importantly, its own amusement park-- Joyland. Unlike the more elite neighborhoods of Land Park and East Sacramento, Oak Park has always reflected working-class values and a less pretentious approach to architecture. Today, Oak Park is actively rediscovering and reestablishing its roots as a distinct, vital community and urban center.
