Bindle: Some Chapters in the Life of Joseph Bindle Herbert George Jenkins, 2022-08-10
Ginger was notorious among his mates for the gloomy view he took of life. No one had ever discovered his enthusiasm for anything. If he went to a football match and the team he favored were beaten, it was no more than he expected; if they were victorious his comment would be that they ought to have scored more goals. If the horse he backed won, he blamed fate because his stake was so small. The more beer he absorbed the more misanthropic he seemed to become.

The Hotel/motor Hotel Monthly ,1898

Endnotes Ruth E. Ray,2008-06-30 In the summer of 1996, Ruth Ray, a gerontologist in her forties, befriended an eighty-two-year-old man suffering from Parkinson's. The two remained close until the end of his life, sharing stories and memories while building a deep relationship. Part

memoir, part biography, Endnotes explores how people construct meaning through their interactions with others. With grace and wit, Ray situates her friend's past experiences and present relationships within the theories and literature of gerontology, providing a deeper understanding of autonomy at the end of life. She also delves into the complexities of sexuality and intimacy in old age, communication across disabilities and age groups, the disabling nature of nursing homes, and the trials of death and dying. Writing as both a woman and a gerontologist, Ray finds that the quality of care we provide for others requires not only an understanding of the relationships that have given a person's life meaning but also a willingness to accept and share deeply in the emotional process of physical and mental decline.

Canton Days John M. Carroll, 2020-02-28 Canton Days offers the first comprehensive history of the British community in China from the mid-1700s to the end of the Opium War in 1842. During that period, Britons and other Westerners in China were restricted to trading and living in a tiny section of the city of Canton and the small Portuguese territory of Macao. At Canton, trade between China and the West was conducted through a group of Chinese merchant houses specially licensed by the Qing government. British encounters with China in this period have been seen mainly as a prelude to war, and Britons in China usually have been characterized as single-minded traders determined to open the Middle Kingdom by any means or missionaries bent on converting the Chinese "heathen" to Christianity. John M. Carroll challenges common assumptions about the British presence in China as he traces the lives and times of the expatriates at the heart of this vital center of trade and exchange. The author draws on a rich trove of archival sources to bring Canton and its leading figures to life, concluding with the deaths of three Britons, each revealing British concerns and anxieties about being in China. Written in a clear and lively style, his book will appeal to all readers interested in British imperial history, early modern Chinese history, and the worlds of expatriate and sojourning communities.

The Book of Ready-made Speeches ... With Appropriate Quotations, Toasts, and Sentiments Charles HINDLEY (of Booksellers' Row, Strand.), 1869

The Devil's Church and Other Stories Joaquim Maria Machado de Assis, 2010-07-22 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis (1839-1908), acclaimed almost unanimously as Brazil's greatest writer. Collectively, these nineteen stories are representative of Machado's unique style and world view, and this translation doubles the number of his stories previously available in English. The stories in this volume reflect Machado's post-1880 emphasis on social satire and experimentation in psychological realism. If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction, Machado's legacy would have been an entertaining but inconsequential body of work. However, by 1880 he had begun a devastating satirical assault on society through his fiction. In spite of his ruthlessness, Machado does at times reveal an ironic sympathy for his characters. He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts, acted out against the backdrop of

an indifferent universe. Such a spectacle creates a sense of helplessness that can only inspire wistful amusement. In his technical mastery of the short story, Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves. That his stories elicit such strong and diverse reactions today is a tribute to their richness, complexity, and significance.

Your Dieting Daughter Carolyn Costin, 2013 *Your Dieting Daughter* is written for mothers who have daughters suffering from an eating disorder or disorders. It also serves as a reference for doctors, therapists, nutritionists, and eating disorder centers, and is an appropriate book for the same audience to recommend to clients. In the first edition, Dr. Costin, a well-respected therapist in the field, gave sound and practical advice for mothers to help them communicate with and understand their daughters as they go through the ordeal of eating disorders. There were letters, anecdotes, and diet plans along with recipes included, and readers enjoyed the unique focus of the mother/daughter relationship that the book stayed true to. This second edition contains additional information on cultural issues, newer studies (such as DBT, Mindfulness, and Maudsley techniques), and medication. On the clinical front, the focus has also been broadened to include more information on issues of body image, weight concerns, and dieting in the general population, making this an indispensable guide for knowledge, as well as emotional reconnection and healing. --
