**Rock 'n' Roll Soccer** Ian Plenderleith, 2015-09-22 The North American Soccer League - at its peak in the late 1970s - presented soccer as performance, played by men with a bent for flair, hair and glamour. More than just Pelé and the New York Cosmos, it lured the biggest names of the world game like Johan Cruyff, Franz Beckenbauer, Eusebio, Gerd Müller and George Best to play the sport as it was meant to be played-without inhibition, to please the fans. The first complete look at the ambitious, star-studded NASL, Rock 'n' Roll Soccer reveals how this precursor to modern soccer laid the foundations for the sport's tremendous popularity in America today. Bringing to life the color and chaos of an unfairly maligned league, soccer journalist Ian Plenderleith draws from research and interviews with the men who were there to reveal the madness of its marketing, the wild expectations of businessmen and corporations hoping to make a killing out of the next big thing, and the insanity of franchises in scorching cities like Las Vegas and Hawaii. That's not to mention the league's on-running fight with FIFA as the trailblazing North American continent battled to innovate, surprise, and sell soccer to a whole new world. As entertaining and raucous as the league itself, Rock 'n' Roll Soccer recounts the hype and chaos surrounding the rapid rise and cataclysmic fall of the NASL, an enterprising and groundbreaking league that did

too much right to ignore.

*Superteams* Khoi Tu, 2012-11-01 In *Superteams*, renowned teamwork specialist Khoi Tu explains how to make sure your team delivers consistently superior results and emerges stronger from the inevitable crises you will face. What do the SAS, Ferrari and the Rolling Stones have in common? Their success is about much more than talented individuals. They are Superteams. Every organisation, whether a business or a sports club, lives or dies by the quality of its teamwork. No man can be an island for long; only great teams can face a

crisis and emerge stronger. So how do you build the right team? Many people think of it like a rock supergroup: bring the best of the best together and magic will happen. Yet supergroups often flop, while bands of unknowns rise to the top. In this incisive and inspirational book, renowned teamwork specialist Khoi Tu explains how to make sure your team delivers consistently superior results, whatever your aim: averting business failure or resolving political conflict, dealing with a hostage situation or leading your team to sporting victory. *Superteams* takes seven legendary teams - including animation studio Pixar, Europe's 2010 Rider Cup winners, and the people behind the Northern Ireland peace process - and analyses their inner workings, evolution and defining moments. 'This book shows what people can do when the going gets tough and there's a goal to be achieved. Nice one Khoi' Jamie Oliver Khoi Tu is a sought-after leadership and teamwork consultant. He has advised some of the world's most influential individuals and companies, including banks, oil giants, celebrity chefs, Formula One champions and private equity entrepreneurs.
