The Six Nations Rugby Miscellany John (John David Thomas) White, 2009

Six Nations, Two Stories Peter O'Reilly, Kate Rowan, 2015-09-14 A celebration of Ireland's greatest rugby year Relive, game by game, the key moments in Ireland's historic 2015 Six Nations campaign, which culminated in a nerve-shredding final weekend when both the women's and men's titles were still up for grabs. Through interviews with players like Sean O'Brien, Niamh Briggs, Nora Stapleton and Robbie Henshaw - as well as members of the backroom staff - journalists Kate Rowan and Peter O'Reilly provide a unique glimpse into the mindset of the two camps. Kate looks at recent advances in the Irish women's game, while Peter outlines the transformation in the men's fortunes under Joe Schmidt, 'the best coach in the world'. They highlight the contrasts between the amateur women's and professional men's set-ups and the lifestyles of the players on each team. Six Nations, Two Stories offers unrivalled depth of coverage of a breakthrough Six Nations season: the first time that Ireland won both senior tournaments in one year, renewing optimism in the future of Irish rugby.

The Six Nations Rugby Miscellany John White, 2016-02 There is something for all rugby union fans in The Six Nations Rugby Miscellany. Revised and updated to include the 2014 and 2015 Six Nations Championship, both won on points difference by Ireland, there are hundreds of fascinating facts about the competition (from its days as the Home and Five Nations Championships) on a wide range of topics, from individual players and famous teams to sports politics and scandals and controversies off the field. It also contains famous quotes, tables, big match reports, fantasy teams, records, lists and numerous trivia entries. As the items appear completely at random, the book can be read from cover to cover, but is best being dipped into and enjoyed - like short bursts over the gain line. Researched with unflagging energy by a proud Irishman and an unrivalled master of sporting factoids, The Six Nations Rugby Miscellany brings hours of pleasure to rugby fans everywhere.

The Red & The White Huw Richards, 2014-02-10 In every Five Nations D and now Six Nations D season the real showdown is always that between England and Wales: Wales with its history of playing the finest rugby of all the home nations, England with its enviable strength in depth and forward muscle. Whether in the vast bowl of Twickenham or the cauldron of the Millennium Stadium every year is a sell-out long in advance. Over the years there have been innumerable epic encounters. In the seventies Wales dominated with Barry John, Gareth Edwards at scrum-half and JPR Williams at full back, but England had the blistering running of David Duckham with his blond hair flying. The eighties and nineties saw some incendiary encounters with Paul Ringer and Wade Dooley both involved in high-profile punch-ups, but also England re-establishing dominance and Bill Beaumont and then Will Carling. But the decade ended at Wembley with Scott Gibbs's dramatic last-minute swallow-dive to snatch victory for Wales. More recently Wales have come back with new stars like Gavin Henson and Shane Williams after years of powerhouse England forward play had held sway. Huw Richards has talked to many veterans of these matches, as well as to present players and administrators to tell the whole history of Wales v England at rugby: a contest that is a clash of cultures and histories as well as a titanic sporting occasion. Huw Richards is rugby correspondent of the Financial Times.

Little Book of the Six Nations Graeme Kent, 2008-11

The Welsh Grand Slam 2012 Paul Rees, 2012-04-19 In the glory years of the 1970s, Wales won three grand slams in eight seasons. But rarely since then had the men in red started a Six Nations campaign armed with expectation rather than hope. 2012 was different. The previous year they had come within a kick of reaching the World Cup final, losing by a point to France despite playing for the last hour with 14 men after their captain, Sam Warburton, had been sent off for a dangerous tackle. The question when they returned home was how they would cope with the heartache. The answer came in their first

match in the 2012 Six Nations Championship. In Dublin against Ireland, the team they had knocked out in the World Cup quarter-final, revenge was on the menu. Wales went there without five of their leading forwards and lost Warburton to injury at half-time. They were trailing by six points with five minutes to go and had a player in the sin-bin. The old Wales would have folded but, as in *Life on Mars*, it was back to the spirit of the 1970s. This Wales team came back fighting to win not only the game but to sweep the board in the whole tournament, bringing home a Welsh grand slam for the third time in eight years and establishing a strong and exciting team for the future.

Belonging: The Autobiography Alun Wyn Jones, 2021-09-16 'People think they know him but unless you read this book you will never know the REAL Alun Wyn Jones' - Warren Gatland 'One of the greatest, and seemingly indestructible, players in history' - A Daily Mail Book of the Year Belonging is the story about how the boy from Mumbles became the most capped rugby union player of all time. It is the story of what it takes to become a man who is seen by many as one of the greatest ever Welsh players. What it takes to go from sitting cross-legged on the hall floor at school watching the 1997 Lions tour of South Africa, to being named the 2021 Lions captain. But is it also about perthyn - belonging: playing for Wales, working his way through the age grades and club rugby and his regional side. How to earn the right to be there, and what it feels like to make the sacrifices along the way. Feeling the connection to players who have come before, and feeling the ties to the millions in front rooms and pubs across the country, coast to coast. Knowing that deep down you want to belong, as everyone does. From playing on the rain-swept pitches of Swansea to making his test debut against Argentina in Patagonia in 2006; from touring with the Lions in 2009, 2013, 2017 and 2021 to dealing with loss and creating a family - Belonging is the autobiography of one of the most compelling figures in world rugby. Told with characteristic honesty, this is his unique personal story of what it takes and what it means to play for your country: what it means to belong.

Refuse to be Denied: My Grand Slam Year Sam Warburton, 2012-10-11 Sam Warburton has had an incredible year. In the summer of 2011, at the age of only 22, he was asked to captain his country, leading Wales into the Rugby World Cup in New Zealand. The team's scintillating progression through the tournament reached a nail-biting height as Wales met France in the semi-final. With a nation's hopes resting on his shoulders, Warburton made 'that' tackle on Vincent Clerc and was shown the red card. Outcry ensued, and the Wales captain experienced great lows despite being named Player of the

Tournament by many commentators. Picking himself up from the suffocating media attention, Warburton was determined to rectify Welsh fortunes and strode into the 6 Nations. Battling injuries he led Wales to a magnificent Six Nations. This is his moment. This is his Grand Slam year.
