Life on the Run Bill Bradley,2009-12-30 More than twenty years after Bill Bradley retired from the New York Knicks to become a United States senator, his account of twenty days in a pro basketball season remains a classic in sports literature. Unparalleled in its candor and intelligence, the book takes readers from the court to the locker room, to the loneliness of a motel in a strange city.

Marathon Man Bill Rodgers,Matthew Shepatin,2013-04-02 The legendary long-distance runner details his historic victory in the 1975 Boston Marathon that launched the modern running boom Within a span of two hours and nine minutes, Bill Rodgers went from obscurity to legend, from Bill Rodgers to Boston Billy. In doing so, he instantly became the people's champ and the poster boy for the soulful 1970s distance runner. Having won the Boston Marathon and New York Marathon four times each, he remains the only marathoner to have appeared on the cover of Sports Illustrated twice. Winning the Holy Grail of marathons in an unthinkable record time changed Bill's life forever. But his dramatic breakthrough in Boston also changed the lives of countless others, instilling in other American runners the belief that they could follow in his footsteps, and inspiring thousands of regular people to lace up their shoes and chase down their own dreams. In the year before Rodger's victory at the 1975 Boston Marathon, 20,000 people had completed a marathon in the United States. By 2009, participants reached nearly half a million. Thirty-seven years later Bill Rodgers still possesses the same warm, endearing, and whimsical spirit that turned him into one of America's most beloved athletes. In *Marathon Man* he details for the first time this historic race and the events that led him there.

Runner's World Run Less Run Faster Bill Pierce,Scott Murr,2021-01-19 Finally, runners at all levels can improve their race times while training less, with the revolutionary Furman Institute of Running and Scientific Training (FIRST) program. Hailed by the Wall Street Journal and featured twice in six months in cover stories in *Runner's World* magazine, FIRST's unique training philosophy makes running easier and more accessible, limits overtraining and burnout, and substantially cuts the risk of injury, while producing faster race times. The key feature is the 3 plus 2 program, which each week consists of: -3 quality runs, including track repeats, the tempo run, and the long run, which are designed to work together to improve endurance, lactate-threshold running pace, and leg speed -2 aerobic cross-training workouts, such as swimming, rowing, or pedaling a stationary bike, which are designed to improve endurance while helping to avoid burnout With detailed training plans for 5K, 10K, half marathon, and marathon, plus tips for goal-setting, rest, recovery, injury rehab and prevention, strength training, and nutrition, this program will change the way runners think about and train for competitive races. Bricklayer Bill Patrick L. Kennedy,Lawrence W. Kennedy,2018-06-29 Two weeks after the United

States officially entered World War I, Irish American Bricklayer Bill Kennedy won the Boston Marathon wearing his stars-and-stripes bandana, rallying the crowd of patriotic spectators. Kennedy became an American hero and, with outrageous stories of his riding the rails and sleeping on pool tables, a racing legend whose name has since appeared in almost every book written on the Boston Marathon. When journalist Patrick Kennedy and historian Lawrence Kennedy unearthed their uncle's unpublished memoir, they discovered a colorful character who lived a tumultuous life, beyond his multiple marathons. The bricklayer survived typhoid fever, a five-story fall, auto and train accidents, World War action, Depression-era bankruptcy, decades of back-breaking work, and his own tendency to tittle. In many ways, Bill typified the colorful, newly emerging culture and working-class ethic of competitive long-distance running before it became a professionalized sport. Bricklayer Bill takes us back to another time, when bricklayers, plumbers, and printers could take the stage as star athletes.

Run the Other Way Bill Hillsman, 2004-04-26 Bill Hillsman is simply, in the words of Slate.com, the world's greatest political adman. With his groundbreaking consulting work on Paul Wellstone's senatorial, Jesse Ventura's gubernatorial, and Ralph Nader's presidential campaigns, he was the first to publicly challenge the conventional strategies of political campaigns, the inefficiency of campaign spending, the desultory, banal, and insulting political ads. As Hillsman says, I don't believe you can annoy someone into voting for your candidate. Hillsman first rocked the political establishment during Wellstone's 1990 Senate bid, with witty, sharp political ads that had audiences glued to their television sets and talking about the commercials for weeks afterward. In the end, he helped Wellstone overcome a \$7 million campaign spending disadvantage to win the election. And the risk taking continued when he ran Jesse Ventura's Reform Party gubernatorial and Ralph Nader's Green Party presidential campaigns. In one Nader ad, a child looks out at the viewer and says, When I grow up, I want politicians to ignore me. In an ad from Ventura's campaign, a boy playing with a Jesse Ventura action figure (New, from the Reform Party!) takes on Ventura's voice to growl, I don't want your stupid money! With bold and brilliant ads like these, Hillsman helped two underdog candidates become senator and governor, transformed Minnesota politics, and showed the country that it has viable and appealing options outside of the two major parties. Run the Other Way offers fascinating and disturbing insights into the shadowy, cronyistic world of political consulting: the grossly overpaid consultants, incompetent and inaccurate pollsters, fundraisers who take a dollar for every dollar they raise, and strategists who use negative advertising to intentionally keep people from voting. But it also gives us a from-the-trenches look at how Americans can turn the weapons trained on us back against the master propagandists, and in so doing revitalize our badly damaged democracy. Fleshing out his case with real-life stories from his involvement in numerous campaigns, Hillsman takes us behind the electioneering scenes of old Washington hands and trouble-making independents, including Ross Perot, Warren Beatty, John McCain, Arianna Huffington, and Colin Powell. An outsider with an insider's vantage point, Hillsman sees America at a crucial historical moment defined by the continuing decline of both major political parties and the rise of independent voters. Edgy, controversial, and often humorous, his political ads have energized voters and revolutionized election campaigning over the last fifteen years. This is a book for everyone who's ever run for office, thought about running for office, or voted for someone running for office. Run the Other Way investigates the many imperfections in the greatest system of government in the world and challenges all of us to make it better.

Winning in Reverse Bill Lester, 2021-02-02 The amazing and dramatic story of Bill Lester, one of the most well-known NASCAR drivers in history—and a pioneer whose determination and spirit has paved the way for a new generation of racers. *Winning in Reverse* tells the story of Bill Lester whose love for racing eventually compelled him to quit his job as an engineer to pursue racing full time. Blessed with natural talent, Bill still had a trifecta of odds against him: he was black, he was middle aged, and he wasn't a southerner. Bill Lester rose above it all, as did his rankings, and he made history time and time again, becoming the first African American to race in NASCAR's Busch Series, the first to participate in the Nextel Cup and the first to win a Pole Position start in the NASCAR Craftsman Truck Series Whether you are contemplating a career or lifestyle change, challenging social norms, or struggling against prejudice or bigotry, *Winning in Reverse* is a story for sports fans and readers everywhere about the power of perseverance in the face of adversity.

Truth on the Run Bill Lindley, 2023-07-25 He held no degree and could not claim any special lineage. Modern day sage and teacher Bill Lindley encouraged everyone to go ahead and look for themselves, reinvent the spiritual wheel, and then integrate one's spiritual life into his or her everyday life. Known as Ahimsananda, Bill wrote *Truth on the Run* the last year of his life after being diagnosed with cancer. When writing these essays Bill demonstrated an urgency and single mindedness never seen in all the forty years he and his life partner were together. A fierce earnestness became his compass on a daily basis, as exemplified by his guru Nisargadatta Maharaj. A rich account of his life experiences as a former Christian monk gone too independent easily guides the reader through religious tradition and difficult concepts such as non-duality.
