Reich, Barry P. Scherr**

Russian-English Dictionary of Proverbs and

Sayings Alexander Margulis, Asya Kholodnaya, 2015-08-13

This dictionary contains 2,375 Russian sayings and proverbs and their English counterparts. Variants of each saying are included, and careful attention is given to the differences in British and American versions. For example, the Russian saying that is interpreted as “Children behave in a childish way, and they cannot be expected to act like grown-up people,” is first given in Russian (in the Cyrillic alphabet) and then in English, and is then followed by the nearest English-language equivalent sayings in Britain and the United States: “Young colts will canter” (British) and “Boys will be boys” (American). The proverbs and sayings are arranged alphabetically by the first Russian word (in the Cyrillic alphabet) and are cross-referenced so the reader can find analogous Russian versions of English sayings. There is a keyword index for each language (one in English, one in Russian in the Cyrillic alphabet), which allows the reader to find a proverb or a saying without knowing the first word. Proverbs and sayings are current and include those popular in both spoken Russian and literature. The prefatory matter is in both English and Russian, for readers who have a command of either language.

Russian Proverbs Chris Skillen, 1994

Russian Proverbs, 1960 Like every people, the Russian have their own accumulation of proverbs. Sometimes they sound like our own salty English or American proverbs, sometimes they exhibit that distinctively Slavic flavor of bitter humor in a minor key. Since our Russian diplomatic visitors have made a habit of flavoring their speeches with such home grown wisdom, we now make this collection available--for those who want to quote from the Russian in rebuttal, or who just want to get

the feeling of a nation from its deepest folk sources.

Dictionary of One Thousand Russian Proverbs

Peter Mertvago,1998-01 This is a collection of the most commonly-used and understood Russian proverbs. A literal translation is provided for 1000 proverbs in this bilingual text, which offers students and others insights into both the language and culture of Russia. It is designed for a broad readership.

The Comparative Russian-English Dictionary of Russian Proverbs & Sayings Peter Mertvago,1995 As a reference and learning tool to identify the base for the Russian and English languages, the Dictionary matches Russian proverbs with their equivalent and/or corresponding semiotic counterparts in English. Literal translations of the Russian proverbs are provided throughout and there are references and cross-references for proverbs dealing with the same or similar subject. The Russian proverbs are arranged alphabetically by first word and an English proverb index by key word is included for English readers. An introduction and an appendix on the structure of Russian proverbs situate them within the general study and history of paremiology. Annotation copyright by Book News, Inc., Portland, OR

English - Russian Proverbs and Sayings

Ally Parks,2013-04-25 English - Russian Proverbs and Sayings is a compilation of English proverbs with their Russian equivalents. This book is for Russian learners who would like to season their speech and sound like a native speaker.

Russian Proverbs Chris Skillen,1994-01-01

Russian Proverbs C. Skillen,1994-01-01

The Comparative Russian-English Dictionary of Russian Proverbs & Sayings Peter Mertvago,1996-02 A comprehensive Russian- English sourcebook on Russian proverbs, this reference contains 5,543 Russian proverbs

and their literal or free English translations. Ample cross-referencing for proverbs on related subjects is included, as is a handy English proverb index. This is a valuable reference and learning tool for scholars, linguists, translators, travelers, and anyone interested in Russia's rich and colorful history, literature and culture.

Russian - English Proverbs and Sayings Ally Parks, 2013-07-15 Russian - English Proverbs and Sayings is a compilation of Russian proverbs with their English equivalents. This book is for English learners who would like to season their speech and sound like a native speaker.

Russian Proverbs Rosemary Lawton, 2016-02-23 In order to gain understanding of the mindset of a people you need look only to their cultural proverbs. How we think, what we believe, we tell of in our stories and sayings. The Proverbs series of books seeks to grant such insight . Each book in the series contains one hundred carefully selected proverbs to ruminate and inspire. Other Titles Include: Chinese Proverbs Danish Proverbs Dutch Proverbs Ethiopian Proverbs French Proverbs German Proverbs Greek Proverbs Indian Proverbs Iranian Proverbs Irish Proverbs Italian Proverbs Japanese Proverbs Nigerian Proverbs Romanian Proverbs Russian Proverbs Spanish Proverbs Turkish Proverbs And many more coming soon!

1200 Russian Proverbs Izaac Abram Langnas,1960

Russkie Poslovitsy Kevin J. McKenna,2013 This unique Festschrift in honor of Professor Kevin J. McKenna on the

occasion of his sixty-fifth birthday is different from most such celebratory essay volumes in that it does not consist of essays from various authors but is rather a collection of fourteen of his most significant publications on proverbial matters from the last two decades. For more than twenty-five years, Professor McKenna has taught Russian language, culture, and literature at the University of Vermont, and during this time, he has gained national and international recognition as an instructor, scholar, and administrator. On the campus of his university, he has been a true champion of international education, and he has been an inspiring and guiding light for many students as they made impressive progress with their Russian studies in Vermont and in Russia. While his numerous cultural, literary, and political studies have brought him much recognition, it is especially his seminal book *All the Views Fit to Print: Changing Images of the U.S. in «Pravda» Political Cartoons, 1917-1991* (2001) that continues to be a mainstay today in the study of the relationship of the United States and the Soviet Union during the twentieth century. Of course, Dr. McKenna has also made a name for himself as a proverb scholar in the United States and in Europe with his paremiological publications on the literary, journalistic, and political use of proverbs. The edited essay volume *Proverbs in Russian Literature: From Catherine the Great to Alexander Solzhenitsyn* (1998) is especially noteworthy. The fourteen essays of this Festschrift are divided into three groups - literature, politics, and pedagogy. The first six essays are dedicated to the literary use and function of proverbs in the works of Catherine the Great, Leo Tolstoy, Boris Pasternak, Vladimir Nabokov, Alexander Solzhenitsyn, and Sergei Eisenstein. The next five articles deal with the use of proverbs in Pravda headlines, the depiction of the proverb «Big fish eat little fish» in Pravda cartoons, Russian politics

in Pravda cartoons, the image of the «Ship of State» in such cartoons, and Vladimir Putin's employment of proverbs. The three essays in the section on pedagogy look at the role of proverbs in the Russian language curriculum, the appearance of proverbs in Russian language textbooks, and the importance of the so-called paremiological minimum, that is, the set of Russian proverbs that are known and used frequently by native speakers and that consequently should also be learned by foreign language students. Together these studies are representative of Kevin J. McKenna's accomplishments as a proverb scholar, and they also present an informed and eminently readable introduction to the rich field of Russian proverbs.

Dictionary of Russian Proverbs and Sayings I. M. Snegirev, 1996-07-01

Immerse yourself in the artistry of words with is expressive creation, Immerse Yourself in **Russian Proverbs** .
